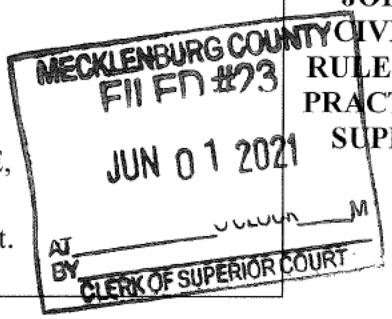
ROBERT WRIGHT, MARK MICHALEC, and SCOTT SHIPMAN, individually and on behalf of all others similarly situated,

Plaintiffs,

v.

CITY OF CHARLOTTE,

Defendant.



**JOINT MOTION FOR EXCEPTION CIVIL CASE DESIGNATION UNDER RULE 2.1 OF THE GENERAL RULES OF PRACTICE AND PROCEDURE FOR THE SUPERIOR AND DISTRICT COURTS**

Plaintiffs Robert Wright, Mark Michalec, and Scott Shipman ("Plaintiffs"), individually and on behalf of all others similarly situated participants in The Charlotte-Mecklenburg Voluntary Police Pledge Fund and Defendant City of Charlotte, through their undersigned counsel, pursuant to Rule 2.1 of the North Carolina General Rules of Practice and Procedure for the Superior and District Courts, jointly move that Senior Superior Court Judge W. Robert Bell recommend to the Chief Justice of the North Carolina Supreme Court that this case be designated as an exceptional civil case and that a Superior Court Judge be appointed to preside over all proceedings in this action.

## PROCEDURAL BACKGROUND

1. Plaintiffs commenced this putative class action on March 16, 2021, seeking to recover for themselves and the putative class of approximately 1,100 present and former employees of the City of Charlotte and present and former members of the Charlotte-Mecklenburg Police Department who elected to have $5.00 deducted from their weekly pay to contribute to The Charlotte-Mecklenburg Voluntary Police Pledge Fund ("Pledge Fund") under circumstances which Plaintiffs claim give rise to claims of breach of fiduciary duty and negligent

misrepresentations and omissions. A copy of the Complaint is attached **(Attachment 1)**. Plaintiffs have served a substantial First Request for Production of Documents **(Attachment 2)**. A copy of Plaintiffs' Rule 23 Motion for Certification of Class Action and Appointment of Class Counsel is attached **(Attachment 3)**.

2. Defendant's Answer or other response to the Complaint is due May 31, and Defendant's response to Plaintiffs' First Request for Production of Documents is due June 16; however, Plaintiffs have granted Defendant a further extension if an effort to allow for discussions hopefully leading to an early resolution of the case. The Plaintiffs' extension to Defendant expires on June 18, 2021, and barring any further substantive discussions, both (i) the Defendant's Answer or other response to the Complaint and (ii) the Defendants' responses to Plaintiffs' First Request for Production of Documents will be due by and through June 18, 2021.

**ARGUMENT**

3. General Rule of Practice 2.1(d) provides that "[f]actors which may be considered in determining whether to [designate a case as exceptional or complex] include: the number and diverse interests of the parties; the amount and nature of anticipated pretrial discovery and motions; whether the parties voluntarily agree to waive venue for hearing pretrial motions; the complexity of evidentiary matters and legal issues involved; whether it will promote the efficient administration of justice; and such other matters as the Chief Justice shall deem appropriate."

4. As explained in the Complaint, Plaintiffs have alleged that the City of Charlotte sponsored and administered a Pledge Fund pursuant to which Defendant deducted Five Dollars weekly from each Participant's pay with the expectation that each participant would receive Ten Dollars when he or she retired or otherwise qualified from each then Participant in the Pledge Fund. As more fully explained in the Complaint, Plaintiffs have alleged that the Pledge Fund was

never viable and as a result of Defendant's breach of fiduciary duty and/or negligent misrepresentations and omissions there are no funds available from which the Participants can receive their promised payment.

5. While, at the time of the filing of this Motion, the Defendant has yet to file an Answer to the Complaint, the Defendant generally denies the factual allegations contained therein and the legal conclusions advanced by the Plaintiffs.

6. It is expected that Defendant City of Charlotte will file a Motion to Dismiss and if denied both Plaintiffs and Defendant will file a Motion for Summary Judgment. Moreover, given the factual allegations, the nature of the legal claims and expected affirmative defenses, the legal status of the Pledge Fund, and the public interest involved, the parties will have to negotiate procedural and discovery issues in a manner which, if judicial intervention is required, such issues are most efficiently addressed by a single judge who understands both the history of the case, the contentions of the parties, and the, previous motion and discovery rulings in the case.

7. Additionally, the parties agree that like all cases, this case needs to be given serious consideration leading to an early resolution which is more likely to occur if there is a single judge presiding over all aspects of the case.

. 8. Finally, if the case proceeds to trial, the Plaintiffs and Defendant (and the jury) will both benefit from having a trial judge who, through the experience of managing this case, is well versed in the facts and legal arguments at issue. Additionally, a very high percentage of class actions are resolved prior to trial and the possibilities of early resolution are greatly enhanced if the case is being presided over by a single experienced judge, and the mechanics of a class settlement are likewise more efficiently handled if overseen by a single judge.

9. Plaintiffs and Defendant request one of the following Superior Court Judges be appointed as to preside over this matter going forward (in alphabetical order): Judge Forrest D. Bridges, Judge Lindsay Davis, Judge Richard Doughton, Judge Robert C. Erwin, or Judge Jim Gale (if he is available) any of which would be excellent and would add the needed stability and efficiency to the management of this dispute. It is noted, for whatever value the Chief Justice may determine, that Judge Bridges, presently has before him a matter is a related case – *Graue et. al. v. The Charlotte-Mecklenburg Voluntary Police Pledge Fund*, Mecklenburg County, 19-CVS-13137.

10. In sum, the number of parties, the uniqueness of the claims, complexity of the discovery issues anticipated, and the involved parties all favor having a single judge, well informed by his or her history with the case.

WHEREFORE, Plaintiffs and Defendant respectfully request that the Court recommend the following the Chief Justice of the North Carolina Supreme Court:

a. That the above-captioned action be designated as an exceptional civil case under Rule 2.1 of the General Rules of Practice for the Superior and District Courts; and

b. That one of the above identified Superior Court Judges or such other Superior Court Judge as the Chief Justice determines is appropriate and available be appointed as the Rule 2.1 Superior Court Judge to preside over all proceedings in this action.

Dated this the 28th day of May 2021.

ROBERT WRIGHT, MARK MICHALEC, and SCOTT SHIPMAN individually and on behalf of all others similarly situated,

Plaintiffs

v.

CITY OF CHARLOTTE

Defendant.

**CLASS ACTION COMPLAINT**

**JURY TRIAL REQUESTED**

---

NOW COME Plaintiffs Robert Wright, Mark Michalec, and Scott Shipman ("Plaintiffs"), individually and on behalf of all others similarly situated participants in The Charlotte-Mecklenburg Voluntary Police Pledge Fund (the "Class") pursuant to Rule 23 of the North Carolina Rules of Civil Procedure, stating their claims against Defendant City of Charlotte ("Charlotte").

## BACKGROUND

On information and belief, in 1966 Defendant City of Charlotte, presumably in an effort to assist the families of long-term police officers at the time of death approved a plan whereby active-duty police officer participants who agreed to pay Ten Dollars ($10.00) to the family of

each deceased police officer participant in exchange for the promise that his or her estate would likewise receive Ten Dollars ($10.00) from each active-duty police officer participant at the time of his or her passing. As the program evolved years later, hundreds of people have lost thousands of dollars as a result of Defendant's breaches of fiduciary duty and/or negligent representation or negligent omissions made in connection with this purported benefit plan.

The program was promoted, sponsored, and ultimately administrated by Defendant as "The Charlotte-Mecklenburg Voluntary Police Pledge Fund" ("Pledge Fund") and it existed in various forms for over 50 years. On information and belief, the Pledge Fund initially required each police officer participant to authorize the deduction of Ten Dollars ($10.00) from his or her pay to be given to the beneficiary or estate of a deceased police officer participant following death. It is believed that this deduction only occurred when needed to support a participant's family in time of bereavement.

Thereafter, on information and belief, presumably to allow for the creation of a corpus out of concern that the program would not otherwise be viable, to discourage the withdrawal of Pledge Fund participants, to facilitate the ease of administration, and to serve as a recruitment incentive, the Pledge Fund was restructured. As a result of the restructuring, participants were required to authorize the City of Charlotte to make weekly salary deductions of Five Dollars ($5.00), resulting in annual salary deductions of Two Hundred Sixty Dollars ($260.00) per participant. These deductions, which should have been held in trust, were intended to create a fund from which withdrawal would be made for participants or their estates when qualified. On information and belief, the deducted funds were not segregated in individual

participant accounts or even in a Pledge Fund trust account, but rather were deposited in a single operating account with other Charlotte funds under the control of the City of Charlotte and, on information and belief, comingled with other funds of the City of Charlotte.

Defendant's sponsored Pledge Fund evolved through the years and was expanded to allow other employees of the Police Department to participate and to provide that when a participant employee (a) died, (b) retired after twenty years of service or (c) was terminated after working 20 years, he or she would receive Ten Dollars ($10) from each of the other then Pledge Fund participants, which Ten Dollars ($10.00) presumably had been previously paid into the Pledge Fund and held in an account of the City of Charlotte. Of course, this addition of new participants contributing less than they would ultimately receive, extended the time before the Fund failed.

Unfortunately, the Pledge Fund was never approved by an actuary or anyone with financial acumen, was not sustainable and was without any long-term chance of success absent active and prudent management of its corpus which was never provided by the City of Charlotte. Defendant breached its fiduciary duties and / or negligently misrepresented the benefits of the Pledge Fund to their employee participants by allowing the Pledge Fund to be used as a recruitment tool, promoted as an employment benefit, and sanctioned without any examination as to its long-term viability as initially structured or as later revised. Thereafter, Defendant repeatedly breached its fiduciary duty and continued its negligent misrepresentation with the recruitment of each new participant and with each deduction from a participant's weekly pay until the Pledge Fund was unable to meet its financial obligation and was terminated leaving hundreds of participants with little to receive from their fateful contributions to the Pledge Fund.

## PARTIES

1. Plaintiff Robert Wright is a citizen and resident of Mecklenburg County, North Carolina. Wright has been a sworn law enforcement officer employed by Charlotte for less than 20 years. Wright has participated in the Pledge Fund and has had Five Dollars ($5.00) deducted from his salary weekly since first employed.

2. Plaintiff Mark Michalec is a citizen and resident of Cabarrus County, North Carolina. Michalec is a sworn law enforcement officer employed by Charlotte for more than 20 years. Michalec has participated in the Pledge Fund and has had Five Dollars ($5.00) deducted from his salary weekly since first employed.

3. Plaintiff Scott Shipman is a citizen and resident of Union County, North Carolina. Shipman was a sworn law enforcement officer employed by Charlotte. Prior to his retirement, Shipman participated in the Pledge Fund and had Five Dollars ($5.00) deducted from his salary weekly until he retired on July 1, 2018. Shipman has not received any payment from the Pledge Fund.

4. Plaintiffs Wright, Michalec, Shipman and other members of the Class, are brave public servants and community minded citizens. However, their employment with the Police Department did not require a background in finance or investing and none of the participant class members had such a background. They each made the decision to participate in the Pledge Fund based on the trust and confidence placed in senior members of the Police Department arising from the strong recommendations made to them at the time of their employment by employees of the City of Charlotte, their desire to be part of the Charlotte police force team which supported other team members and would support them when needed, as well as on the fact that the Pledge Fund was sponsored, approved, and administered by the City of Charlotte.

5. Upon information and belief, Defendant Charlotte is a municipal corporation created by the General Assembly of North Carolina. Since 1929, Charlotte has operated under a "council-manager" form of government that divides responsibilities between elected officials and an appointed city manager. The mayor and city council are the "board of directors" of this municipal corporation. As such, they set policy, approve the financing of all City operations, and enact ordinances, resolutions, and orders.

6. At all times relevant, Defendant Charlotte was the largest city in North Carolina and one of the largest cities in the United States. At the time, the Pledge Fund was first approved and thereafter Charlotte has regularly dealt with sophisticated financial matters of projections and budgeting as well as the financial aspects and issues arising from the sponsoring insurance, and retirement planning programs for its employees. On information and belief, at all-time relevant to the claims asserted herein, the City of Charlotte has had accountants and actuaries on staff or regularly engaged the services of actuaries and could easily have had an actuary review the proposed Pledge Fund and, if it had done so, the reviewer would have easily determined that the Pledge Fund was not sustainable, not viable over time and would fail.

7. The Charlotte-Mecklenburg Police Department is a subunit or department of the City of Charlotte. It is the largest law enforcement agency in Mecklenburg County and the largest police department between Washington, D.C., and Atlanta. It is a 27-year-old organization with a rich history that dates back more than 140 years. Before the Police Department was formed in 1993, it existed as the separate Charlotte Police and Mecklenburg County Police departments. The Police Department employs approximately 1,900 sworn officers and 539 civilian employees and all members or employees of the Police Department are employees of and paid by the City of Charlotte.

## THE CLASS

8. The Class is defined as all participants of the Pledge Fund at the time it was terminated who have not received or will not receive their promised return from their participation in the Pledge Fund.

9. The exact number of participants in the Class is not known, but it is believed to be approximately eleven hundred (1,100). The Class is so numerous that it is impractical to bring each claim individually. The claims of the Class share common questions of law and fact, and individual aspects of the claims are easily categorized to allow for the determination of each Class members' loss. Plaintiffs Wright, Michalec, and Shipman have agreed to represent not only their personal interests in this matter, but also to represent fairly the interests of the entire Class. There is no obvious or foreseeable conflict between each Plaintiffs' interests and intended outcome and the interests and intended outcome for the Class they seek to represent. In addition, plaintiffs' counsel is experienced in class actions, financial and investment related litigation.

## JURISDICTION AND VENUE

10. This Court has jurisdiction over these claims pursuant to N.C. Gen. Stat.§ 1 - 75.4(1).

11. Venue is proper in this Court pursuant to N.C. Gen. Stat.§ 1 –82.

## FACTS

12. In a January 17, 1966, Charlotte City Council meeting, the Council unanimously authorized "payroll deduction of funds for Volunteer Police Pledge Fund." **Exhibit A.**

13. On April 8, 1969, at a Charlotte City Council meeting, the City Manager confirmed that in 1966 the Council "approved a Volunteer Pledge Fund for the Police Department permitting payroll deduction of $5 each when there is a death of a member of the department, with the money going to the beneficiary." **Exhibit B.**

14. On information and belief, the 1966 Charlotte City Council meeting referred to in paragraph 12 above and the 1969 Charlotte City Manager comments referred to in paragraph 13 above, reflected the intended working of the fund in its early days.

15. At all times relevant, whenever Charlotte hired a police department employee, as part of the onboarding process, an agent(s) of the City of Charlotte actively encouraged the newly hired employee to join the Pledge Fund within thirty (30) days of hiring. On information and belief, the agent(s) of the City of Charlotte told the newly hired employees (a) that the Pledge Fund was a good employee benefit which would return to the participant upon vesting more money than had been paid into it, (b) that the Pledge Fund was a vehicle by which they could support more senior police offices and (c) that the Pledge Fund was a vehicle by which they would be supported by subsequent enrollees.

16. At all times relevant to this complaint, Defendant's agents signed up Pledge Fund participants while actively engaged in the scope and practice of their work for Defendant and at the same time and in the same manner as newly hired employees were enrolled in other employment benefit programs. Indeed, up until recently, the Police Department listed the Pledge Fund on its voluntary benefits page of its human resources intranet site along with health insurance, 401k, and life insurance benefits. **Exhibit C.**

17. The Pledge Fund evolved such that at all times relevant to this complaint the City deducted Five Dollars ($5.00) every week from each participants' pay which resulted in an

annual deduction of Two Hundred Sixty Dollars ($260.00) per participant. This money was to be used to pay Ten Dollars ($10.00) to (a) each participant who retired after twenty (20) years of service, (b) each participant who was terminated after working twenty (20) years, and (c) the estate or beneficiary of each participant should he or she pass prior to fulfilling (a) or (b). In return for his or her weekly deductions, the participant would likewise receive Ten Dollars ($10.00) from each then participant when he or she (a) retired after twenty (20) years of service, (b) was terminated after twenty (20) years of employment, or (c) died.

18. Upon information and belief, there were approximately eleven hundred (1,100) participants at the time the Pledge Fund ceased to function. Based on eleven hundred (1,100) participants, a participant retiring after twenty years would expect to receive $11,000 having only had $5,200 deducted from his or her pay. Someone educated as an actuary or Certified Public Accountant or even a financial department manager with an inquisitive mind would have easily known the fund was not sustainable over time without an ever-increasing number of participants absent prudent investing as the City was authorized to do pursuant to North Carolina General Statutes Sec. 159-30.

19. Defendant's sponsorship is clearly confirmed by The Enrollment Form for the Pledge Fund which prominently displays the Charlotte Mecklenburg Police Department logo, requires an employee ID number, and is labeled: "For Office Use only." **Exhibit D.**

20. The Charlotte officials maintained the Pledge Fund Enrollment Forms which were, on information and belief, created by someone in the financial department of the City of Charlotte to provide the legal authorization upon which City officials could and did deduct Five Dollars ($5.00) from each participant's weekly pay.

21. Upon information and belief, the deductions taken from participant's weekly pay were not segregated into separate participant accounts, nor formally held in a trust account as they should have been, nor invested in any manner as authorized by North Carolina General Statute Sec. 159-30. Rather, on information and belief, the deductions were deposited in a general operating account or a cash account in the name of the City of Charlotte and maintained as a bookkeeping entry for that City account.

22. The City of Charlotte's sponsorship of the Pledge Fund and its offering of the Pledge Fund as a benefit of employment cannot be denied. In addition to being promoted as benefit during the employment onboarding process and being further so represented on the Police Department's intranet site, the City of Charlotte, except as specifically approved, has only allowed payroll deductions for (1) employee benefits, (2) parking and bus passes, (3) and eligible charitable organizations. The Pledge Fund is neither a parking pass, bus pass or a charitable organization.

23. By sponsoring, soliciting, enrolling participants, administering, and collecting funds through payroll deductions for participation in the Pledge Fund, Defendant City of Charlotte, in addition to the duties associated with receiving funds in trust, owed the participants in its voluntary employee benefit, a fiduciary duty to ensure that the Pledge Fund was, in fact, a viable employment benefit. By failing to analyze the Pledge Fund to understand that it was not viable long term as structured and by failing to manage the Pledge Fund prudently in a way that might allow it to meet its stated objective either by use of internal city employees or by use of outside investment professionals as allowed by North Carolina General Statute Sec. 159-30, the Defendant breached the trust placed in it by each participant and breached its fiduciary duties to each participant.

24. On information and belief, approximately sixty (60) participants who retired with 20 or more years of service after September 14, 2017 have not received the promised Pledge Fund benefit which would have required approximately Six Hundred Sixty Thousand Dollars ($660,000).

25. On information and belief, Defendant became aware at least by early 2018, if not earlier, that the Pledge Fund did not contain the funds required to satisfy its financial obligations to participants going forward. However, upon information and belief, Defendant continued to deduct Five Dollars ($5.00) weekly from each current participant until sometime the following year.

26. At no point prior to July 2019, did Defendant advise the participants of any possible problems with the Pledge Fund and, on information and belief, Defendant was endorsing and actively enrolling newly hired employees to the Pledge Fund until July 2, 2019.

27. On July 2, 2019, participants Katrina Graue, Jeffery Estates, Kellie High-Forster, Johnny Jennings, and Michael Burke commenced an action seeking dissolution and distribution of such Pledge Fund moneys then being held by the City of Charlotte. A copy of the Complaint is attached as **Exhibit E.**

28. The Court in the Graue action appointed retired Superior Court Judge F. Lane Williamson as a receiver to make a recommendation as to how to liquidate such funds as remained in the Pledge Fund. On June 30, 2020, Judge Williamson issued his Report of Receiver copy of which is attached as **Exhibit F.**

29. The Report of Receiver determined that the most equitable distribution of the remaining Pledge Fund assets would be a "nominal - $152.65 [per participant] assuming no

other reduction in the Fund balance." For the approximately sixty (60) participants who retired with twenty (20) or more years of service after September 14, 2017 and who had contributed at least $5,200 expecting to receive at least $11,000, every participant to terminate his or her employment after twenty (20) or more years, and every participant who hoped to be employed for at least twenty (20) years, the payment is truly a broken promise.

30. The last sentence of the Receiver's Report clearly states, ***"I therefore have not considered any issues bearing upon the possible liability of any third party to the Fund and/or its participants."*** (Emphasis added)

31. On information and belief, all moneys deducted from the weekly pay of participants was deposited in a City of Charlotte operating account and because Judge Williamson's report only addressed the amount of money held in the Pledge Fund, a separate fund into which funds were paid when needed to be disbursed, the City of Charlotte bears a fiduciary duty to establish that all funds withdrawn from the participants weekly pay were in fact transferred from the City of Charlotte operating account to the to Volunteer Fund and should be required to undertake such accounting.

## FIRST CLAIM FOR RELIEF
**(Breach of Fiduciary Duty)**

32. Paragraphs 1 through 31 are incorporated fully and completely as if restated in totality herein.

33. The City of Charlotte, having sponsored, promoted as an employee benefit, solicited membership in, deducted moneys for, and administered the Pledge Fund as an employee benefit to prospective employees and very recently hired employees, assumed a position of trust and confidence with the participants and owed to the participants a duty to

monitor the funds and ensure that the fund was as represented, that the Pledge Fund was at all time viable and that the assets would be held so as to accomplish the stated purpose of the Pledge Fund.

34. Having maintained funds collected in trust in one or more operating accounts, the Defendant has a fiduciary duty to account for all funds collected to insure all such collected funds are property recognized as Pledge Fund funds.

35. The City of Charlotte having failed to fulfill its fiduciary duty to all class members owns to each class member such amount as will be determined by the court and an amount in excess of Twenty-Five Thousand Dollars.

## ALTERNATIVE SECOND CLAIM FOR RELIEF

**(Negligent Misrepresentation and / or Omission)**

36. Paragraphs 1 through 35 are incorporated fully and completely as if restated herein.

37. Defendant City of Charlotte at all times since the formation of the Pledge Fund had access to the relevant information which if logically analyzed, particularly at all times relevant to the claims of the class herein, would have led to the inescapable conclusion that the Pledge Fund was not sustainable and would ultimately fail and that the representations made to prospective Pledge Fund Participants fundamental were false. At no time was such relevant information made available to named plaintiffs or any class member,

38. The statements, omissions, and actions of agents of defendant City of Charlotte which statements, omissions, and actions were relied upon by all class members, which if not otherwise actionable as alleged herein, constitute actionable negligent misrepresentations, or

contain actionable omissions, and entitled plaintiffs and the class to recover such amount as represented to ultimately be provided by the Pledge Fund.

39. Plaintiffs are entitled to recover from the Defendant such amount as determined by the court, such amount being in excess of Twenty-Five Thousand Dollars ($25,000).

## PRAYER FOR RELIEF

WHEREFORE, Plaintiffs individually and on behalf of the class they represent pray this Honorable Court as follows:

1. That the Court find that this matter proceed as a class action of all participants who had money withdrawn from his or her pay by the City of Charlotte and has not received the promised payment from the Pledge Fund;
2. That the Court find that the actions of Defendant constitute multiple and continuing breaches of fiduciary duty or alternatively multiple and continuing negligent misrepresentations and omissions upon which plaintiffs relied to their detriment, which entitle plaintiffs to all legal damages allowable by law or to the return of all moneys deducted from plaintiffs' weekly pay, interest at the legal rate on such amount from the date of each deduction, which amount exceeds Twenty-Five Thousand Dollars ($25,000);
3. That the Defendant be required to pay Plaintiffs' reasonable attorneys' fees;
4. That the Plaintiffs have and recover such other and further relief as the Court deems just and proper.

INVOCATION.

The invocation was given by Councilman Milton Short.

MINUTES APPROVED.

Upon motion of Councilman Whittington, seconded by Councilman Smith, and unanimously carried, the minutes of the last Council Meeting, on March 31, 1969, were approved as submitted.

MAYOR AND COUNCILMEN INVITED TO OPENING OF BASEBALL SEASON IN CHARLOTTE.

Mr. Don Hill stated he is present in reference to the opening of the baseball season; Mr. Phil Houser has just returned from Florida and has asked him to come today and invite the Mayor and Council to a successful season in the baseball park this year. Mr. Hill stated they are happy that the Mayor has agreed to open the season by throwing out the first ball. He stated Mr. Veeder has agreed to accept from the Councilmen the number of tickets for some boxseats for the game on Monday night; that they hope to have the Johnson C. Smith University Band present on Monday for the opening, and they hope to have a good turn-out for the opening season.

STATEMENTS BY VARIOUS CITIZENS.

Mr. W. J. Elvin stated a few weeks ago he suggested that the salaries of the Mayor and Council be increased by 100 percent; that he hoped this increase would encourage people better qualified with a broader general business and financial experience to run for these offices; that he would also suggest that all regular Council Meetings be held in the evening as many of the younger people are not available to hold office or attend meetings or committee assignments unless such a change is made.

Mr. Bobby White of the Derita Jaycees stated they are planning to hold a fair and carnival to open Friday or Saturday night as a project to raise money for their charities.

Mr. White stated the Jaycees want to get involved more in politics; that a lot of their men have expressed interest that has never been expressed before; also, the evening meetings would give them a better chance to attend the meetings and to express their ideas.

Councilman Smith stated he attended their meeting on Monday night and they are really a charitable group and they are young men with a lot of ability; that he commends them to government as the type of people he has talked about who should be involved in city government.

PAYROLL DEDUCTION FOR VOLUNTEER PLEDGE FUND FOR FIRE DEPARTMENT AUTHORIZED.

Mr. Veeder, City Manager, stated in 1966 Council approved a Volunteer Pledge Fund for the Police Department permitting payroll deduction of $5.00 each when there is a death of a member of the department, with the money going to the beneficiary. That the Fire Department through a memorandum from Chief Black has asked for similar privileges for the Fire Department.

Councilman Stegall moved approval of the request as recommended. The motion was seconded by Councilman Short, and after discussion, carried unanimously.

ADJOURNMENT.

Upon motion of Councilman Whittington, seconded by Councilman Stegall, and unanimously carried, the meeting was adjourned.

| STATE OF NORTH CAROLINA<br><br>COUNTY OF MECKLENBURG | IN THE GENERAL COURT OF JUSTICE<br>SUPERIOR COURT DIVISION<br>19-CVS-13137 |
| Katrina Graue, Jeffrey Estes, Kellie High-Foster, Johnny Jennings, Michael Burke,<br><br>Plaintiffs,<br><br>v.<br><br>The Charlotte-Mecklenburg Voluntary Police Pledge Fund,<br><br>Defendant. | **VERIFIED COMPLAINT FOR APPOINTMENT OF A RECEIVER AND WIND-DOWN AND MOTION FOR TEMPORARY RESTRAINING ORDER, PRELIMINARY INJUNCTION, PERMANENT INJUNCTION** |

NOW COMES Plaintiffs Katrina Graue, Jeffrey Estes, Kellie High-Foster, Johnny Jennings, Michael Burke ("Plaintiffs"), and, complaining of the Defendant, THE CHARLOTTE-MECKLENBURG VOLUNTARY POLICE PLEDGE FUND ("Police Pledge Fund") aver and state that:

## NATURE OF THE CASE

This action arises out of the efforts of employees of the Charlotte-Mecklenburg Police Department to provide each other with a mutual benefit upon retirement. In the early 1960s, officers in the then-Charlotte Police Department established a Fund in which active officers would make a nominal weekly contribution. Monies would be kept in the Fund and on retirement or death, a member would receive a set sum multiplied by the number of officers contributing to the Fund. Over the years the program was operated on a voluntary basis and expanded to include both sworn and civilian employees. Eventually, participation in the Fund was described in a document provided to new employees by the City of Charlotte during the orientation period in the Charlotte-Mecklenburg Police Department.

For at least the past decade, contributions to the Police Pledge Fund have been set at $5 per pay period. Upon retirement (or other factors), a member is to receive $10 multiplied by the total number of members in the Police Pledge Fund. With the increasing number of retirements, however, this funding level is presently insufficient to meet the payment demands on the Police Pledge Fund, and future demands cannot be met without a substantial increase in funding.

The Plaintiffs, who are all members of the Police Pledge Fund and who have contributed for decades to the Fund, discovered both the shortfall in the Fund and discovered further that the Fund has never been registered, or incorporated, or operated as a legal entity other than through the establishment of a bank account. The Plaintiffs thus believe that fairness and equity require that the Police Pledge Fund be dissolved under the supervision of the Court and that the Court appoint a receiver to wind down the affairs of the Police Pledge Fund in a fair and equitable manner and that such relief is available pursuant to N.C.G.S. §59B-3. To permit this process, the Plaintiffs seek a Temporary Restraining Order and Preliminary Injunction directing that the Police Pledge Fund not receive any further contributions and directing that it make no disbursements in order to preserve the Police Pledge Fund's assets pending a wind-down under this Court's supervision. The Plaintiffs further ask that this injunctive relief be served on the City of Charlotte, the employer (or former employer) of the members of the Police Pledge Fund that is deducting funds and transmitting them to the Police Pledge Fund, and Wells Fargo National Bank, the Bank at which the account for the Police Pledge Fund is maintained.

## PARTIES

Ms. High-Foster is a member of the Police Pledge Fund and has paid into the fund throughout her employment with the Charlotte-Mecklenburg Police Department.

4. Plaintiff Johnny Jennings is a citizen and resident of Union County, North Carolina. 6. Upon information and belief, the Police Pledge Fund exists under North Carolina law as an unincorporated nonprofit association, organization, or cooperative organization that operates for the mutual benefit of its members within the meaning of N.C.G.S. § 59B-2. The

Police Pledge Fund has no place of business, maintains no books or records other than a bank account statement, has no duly elected Board or officers, and has no registered agent for service of process. Upon information and belief, the Police Pledge Fund has no assets other than a single bank account which is located in Charlotte, Mecklenburg County, North Carolina and is maintained at Wells Fargo National Bank.

## JURISDICTION AND VENUE

7. This Court has jurisdiction over this matter and over the parties pursuant to N.C. Gen. Stat. §§ 1-75.4(1) and 1-501.

8. Venue for this case is properly in this court pursuant to N.C. Gen. Stat. § 1-82.

## FACTS

### *The Police Pledge Fund*

9. Upon information and belief, the Police Pledge Fund was established in 1963.

10. Over the past 55 years, the Police Pledge Fund has operated in different formats.

11. Upon information and belief, in approximately 1981, the Police Pledge Fund established an account into which funds were deposited and withdrawn. The bank at which the account was established is now Wells Fargo National Bank.

12. Upon information and belief, the Police Pledge Fund has never been registered with the State of North Carolina or any local government. There is no record of its existence with the North Carolina Secretary of State's office and, other than bank statements, there are no records of its business, transactions, or operations. There is no registered agent for service of process and the address that has apparently been used by the Police Pledge Fund for more than a decade is 601 E. Trade Street - - the address of the Charlotte-Mecklenburg Police Department.

13. Upon information and belief, the Police Pledge Fund has never employed an auditor or manager, has never been audited, and has never provided a report to its members.

14. Purported By-Laws located by the Plaintiffs indicate that the Police Pledge Fund was to be managed by an elected Board of Trustees (the "Board") comprised of five Police Pledge Fund members including four CMPD Officers and one CMPD civilian employee. The date of these By-Laws is March 1, 1981. However, there are no records, minutes, or any other indication that these By-Laws were validly enacted or that any Board was elected in accord with these By-Laws. In addition, there are no minutes or other record of action by the Board, nor are there records of any elections since the By-Laws date of March 1, 1981.

15. As of the date of this Complaint, the Police Pledge Fund has no Board, has no officers and has no minutes or records by which conducts its operations.

*Membership in the Police Pledge Fund*

16. The City of Charlotte, as part of its initial orientation to sworn and civilian employees of the Charlotte-Mecklenburg Police Department ("CMPD"), provides an opportunity within thirty (30) days of hiring for sworn and civilian employees to enroll in the Police Pledge Fund.

17. The Police Pledge Fund form, attached as Exhibit A, which is provided to all civilian and sworn employees of CMPD by the City of Charlotte provides,

> I hereby authorize and request the deduction of the appropriate amount from my paycheck immediately upon the certification of the Treasurer of the Charlotte-Mecklenburg Police Voluntary Pledge Fund of the retirement or separation from service or the death of an eligible member of the Fund... The payments herein promised are to be made only with respect to the members who have executed instruments similar to this one. I hereby promise to adhere to the By-Laws of the Charlotte-Mecklenburg Police Voluntary Pledge Fund and its subsequent amendments.

18. For at least the past decade, each Police Pledge Fund Member has historically contributed five ($5) dollars per weekly pay period to the Police Pledge Fund's Wells Fargo bank account.

19. Exhibit A also provides that members of the Police Pledge Fund are eligible to receive a cash payment of ten (10) dollars per Pledge Fund member if the member: (1) Retires, receives retirement benefits from the North Carolina Retirement System, and served 20 years with the CMPD, (2) separates from the CMPD, voluntarily or involuntarily, and served 20 years with the CMPD, or (3) is the beneficiary of a member who dies while a member of the Voluntary Pledge Fund.

*Operations of the Police Pledge Fund*

20. On August 15, 2015, a retiring member of the CMPD approached Sergeant Burke in 2015 to serve as the signatory for the Police Pledge Fund's Wells Fargo account. Sergeant Burke agreed to act as the signatory.

21. On August 24, 2015, the City of Charlotte began providing to Sergeant Burke a check each pay period representing the amount withdrawn from Police Pledge Fund members. Sergeant Burke deposited these checks issued by the City of Charlotte into the Wells Fargo bank account for the Police Pledge Fund.

22. As Sergeant Burke was acting as the signatory for the Police Pledge Fund, he discovered that no Board of Trustees existed and that, other than the bank records, there were no records of the Police Pledge Fund's activities or operations. On February 23, 2018, Sergeant Burke sought volunteers from among the members of the Police Pledge Fund to address the operations of the fund.

23. In response to Sergeant Burke's request, the Plaintiffs began to examine the operations of the Police Pledge Fund.

24. As part of this examination of the Police Pledge Fund's operations, a report was prepared by Paul Paskoff, Executive Assistant in the Office of the Chief, on October 23, 2018.

That report revealed that at the present level of contributions, and with the present and anticipated rate of retirements, the Police Pledge Fund would not be able to meet its obligations.

25. At the time the report was prepared, there were approximately 1,100 members in the Pledge Fund. The report indicated that at a payroll deduction of $5.00 per pay period, each Pledge Fund member's annual contribution was $260.00. Over a career of 30 years, the member will have contributed $7,800 and will be entitled to $11,000 ($10 x 1,100 Pledge Fund Members) resulting in a net gain of $3,200.

26. The report calculated that the amount raised from member contributions will support approximately 26 beneficiaries per year, but "[a]s the number of retirees increase above 26 per year, a shortfall in funds will occur." The report further states,

> At this time, there are 21 CMPD staff who retired in 2017 each awaiting payment of $11,000. The financial liability of these 21 retired CMPD staff is $231,000. If payments begin November 1, 2018 the 21st person on the 2017 retired list will be paid August 17, 2019. It takes two weeks of contributions from the 1,100 members to equal $11,000 (1,100 x $5.00 = $5,500/week x 2 weeks = $11,000).
>
> In addition, there are 36 CMPD staff who retired in 2018 each awaiting payment of $11,000. The financial liability of these 36 retired CMPD staff is $396,000. If payments begin August 17, 2019, the 36th person on the 2018 retired list will be paid January 9, 2021. The combined financial liability for current 2017 and 2018 retired sworn and civilian staff is $627,000.
>
> If the Charlotte-Mecklenburg Police Pledge Fund closed membership today, when staff who joined the CMPD in 2018 retire in 2048, the financial liability of the Pledge Fund is estimated to be $11,836,000.

27. Once it became clear that the Police Pledge Fund could not meet its obligations at the present funding level, all payments from the Police Pledge Fund were stopped. The City was notified of the funding issues regarding the Police Pledge Fund.

28. Since the cessation of payments from the Police Pledge Fund, deductions from its members, including the Plaintiffs, have continued. All deductions have been deposited into the Police Pledge Fund bank account.

29. The Police Pledge Fund's balance as of May 21, 2019 was $174,153.03. This amount is insufficient to pay the 21 CMPD staff who retired in 2017 or the 36 CMPD staff who retired in 2018.

30. The Plaintiffs allege and believe that the present rate of contribution is insufficient to fulfill the goal of the Police Pledge Fund. In order to meet the goal of the Police Pledge Fund, the present contribution of $5 per week would need to be substantially increased.

31. Because the Police Pledge Fund exists only as an unincorporated nonprofit association, organization, or cooperative organization that operates for the mutual benefit of its members, there is no method by which either an increase in contributions or a dissolution and wind-down of the fund could be conducted without a meeting and vote of the more than 1100 members.

32. The Plaintiffs, as contributing member of the Police Pledge Fund, request that the Court undertake a judicial resolution of the Police Pledge Fund, freeze the funds in the Police Pledge Fund, and appoint a receiver for the purpose of examining the fund and making a determination as to the disposition of the funds either through a return to contributing members, or payments to retired members, or some combination of both, subject to this Court's supervision.

## FIRST CLAIM FOR RELIEF
**(Judicial Dissolution and Winding Up)**

33. The allegations contained in paragraphs 1 through 32 are adopted by reference and incorporated.

34. The Plaintiffs are entitled to the equitable remedy of judicial dissolution because the business of the Police Pledge Fund can only be carried on at a loss or under circumstances that render dissolution fair and equitable.

35. As part of this dissolution, the Plaintiffs are entitled to the equitable remedy of judicial "wind up" based upon the cause shown in this Complaint by members who have not acted wrongfully.

## SECOND CLAIM FOR RELIEF
**(Appointment of Receiver)**

36. The allegations contained in paragraphs 1 through 35 are adopted by reference and incorporated.

37. Pursuant to N.C.G.S. § 1-502(4) and this Court's inherent power to appoint a receiver, the Court may appoint a receiver to wind up the insolvent partnership's affairs.

## MOTION FOR TEMPORARY RESTRAINING ORDER AND PRELIMINARY INJUNCTION

38. The allegations contained in paragraphs 1 through 37 are adopted by reference and incorporated.

39. Unless enjoined, the Police Pledge Fund will continue to receive from the City of Charlotte a check representing the $5 dollar per member per week deduction..

40. Because the Plaintiffs seek dissolution of the Police Pledge Fund, continued deposits into the Police Pledge Fund are both inequitable and disrupt the status quo.

41. Unless enjoined, the Police Pledge Fund could distribute funds contained in the Police Pledge Fund prior to dissolution or wind down upon request.

42. Because the Plaintiffs seek dissolution of the Police Pledge Fund, payments from the Police Pledge Fund are both inequitable and disrupt the status quo.

43. Each member contribution or retiree payment alters the balance of the Police Pledge Fund that will be equitably distributed to Police Pledge Fund members and retirees.

44. Other than the injunctive relief sought herein, Plaintiffs have no adequate remedy at law and will suffer immediate and irreparable harm unless the Police Pledge Fund is frozen and enjoined from accepting payments from Police Pledge Fund members or making distributions to Police Pledge Fund retirees.

45. Issuance of the injunctive relief requested is necessary to prevent such immediate and irreparable harm and to preserve the status quo during the pendency of this litigation.

46. The Police Pledge Fund suffers no prejudice by being frozen and enjoined from accepting payments from Police Pledge Fund members or making distributions to Police Pledge Fund retirees because a receiver will ultimately distribute the Police Pledge Fund's assets under the supervision of the Court.

47. By virtue of the foregoing, the Plaintiffs have demonstrated a likelihood of success on the merits on Plaintiffs' claims for dissolution, wind up, and the appointment of a receiver, and the balances of the equities favor the issuance of temporary, preliminary, and permanent injunctive relief directing the Police Pledge Fund not to not accept any further deposits and not to make any further distributions.

WHEREFORE, PLAINTIFF PRAYS THIS HONORABLE COURT FOR THE FOLLOWING RELIEF:

1. That the Court order the dissolution and winding up of the Police Pledge Fund.

2. That the Court appoint a receiver to wind up the affairs of the Police Pledge Fund pursuant to N.C. Gen. Stat. § 1-502(4) and taxing the costs of said receiver to the Police Pledge Fund.

3. That the Court grant temporary, preliminary, and permanent injunctive relief by freezing the assets of the Pledge Fund and enjoining Defendant from accepting payments from Pledge Fund members or making distributions to Pledge Fund beneficiaries.

4. For such other and further relief as the Court deems just and proper.

This the 2nd day of July, 2019.

BACKGROUND

The "Police Pledge Fund" (hereafter "the Fund") was created in the early 1960's as a voluntary retirement fund for officers in what is now known as the Charlotte-Mecklenburg Police Department. The Fund was never incorporated or set up as any kind of legal entity other than perhaps as an unincorporated association, and consequently lacks any formal governance or special tax status.

New recruits were given an enrollment form describing the Fund and has the option to participate. A copy of the form is attached as Exhibit A. If they did, then five dollars was deducted from each weekly pay period and contributed to the Fund. This amounts to a $260 contribution from each participant per year.

Originally, participation was limited to sworn police officers, but at some point was opened up to civilian staff. The retirement benefit "vests" after twenty years of service. It is paid upon

actual retirement of the participant. The amount of the payout is calculated as ten dollars times the number of individuals then participating in the Fund.

The sole asset of the Fund is a checking account with Wells Fargo Bank. The bank statement from the end of 2019 reflects a balance of $174,173.03. A copy of this statement is attached as Exhibit B. The liability for retirements in 2017 and 2018 alone has been estimated at $627,000. The Fund clearly is insolvent.

I have been provided with a spreadsheet reflecting that the Fund currently has 1,141 participants. A copy of this spreadsheet is attached to recipients' copies of this report as Exhibit C. I have also been provided with a check register reflecting deposits and checks written on the Wells Fargo account for the period from January 21, 2016 to May 21, 2019. A copy of this register is attached as Exhibit D. It reflects that the last checks payable to retirees were made on October 12, 2018 to four payees in amounts varying slightly from $10,735 to $10,800. The retirement date for the last payee was September 14, 2017. No participant in the Fund who retired after that date has received a payout.

There were substantial deposits to the Fund checking account following the last payouts. On October 12, 2018, the balance was only $4,273.03. The final deposit was posted on May 21, 2019, leaving the current balance of $174,173.03. Therefore, a total of $169,900 was deposited in the account from late October, 2018 through late May, 2019.

## ANALYSIS AND RECOMMENDATION

In determining what I recommend as the fairest and most feasible manner to liquidate the Fund, I have considered that there are basically three ways to determine the distribution: (1) to simply pay out to those participants who have retired since September 14, 2017 until the Fund is

exhausted; (2) to distribute an amount to each participant pro rata based upon the amount he or she contributed to the Fund; or (3) to distribute to each participant an equal amount without regard to the amount of the participant's actual contribution.

The first method would favor only a handful of participants to the exclusion of the rest. There are only sufficient funds available to pay twelve vested retirees their full benefits.

The second method may seem to be the most fair in that participants who paid in more for a longer time would receive in a distribution more than those who paid in less. There are a couple of problems with this method, however. The first is practical: it would be very difficult and time-consuming to determine the calculation due to each and every participant. The second problematic consideration is that the bulk of funds in the account are not so to speak, "old money". As noted above, $169,900 of the account total of $174,173.03 was collected from participants' paychecks and deposited into the Fund's bank account over a period of only some seven months prior to closing the Fund. Therefore, almost all of the current participants in the Fund, except for those who retired during this period, contributed for the most part equally to the current balance to be distributed.

Given that almost all of the money presently in the Fund account comes from essentially equal payments from almost everyone the third method of simply distributing the same amount to each of the Fund participants seems to be the most equitable, and certainly the easiest from an administrative standpoint.

Unfortunately, the actual payout to each participant would be nominal -- $152.65 assuming no other reduction in the Fund balance. Essentially, the payout would represent what each participant actually paid into the Fund after the last payouts to retirees on October 12, 2018 reduced the balance in the Fund account to only $4,273.03.

I have also looked into the likely tax effect of such a distribution. I disclaim giving any tax advice, however, and urge participants to consult with their own tax advisors. Having said that, it appears that almost all participants will have a loss calculated as the difference between the total they actually paid into the Fund less the actual distribution received. This loss, however, would not be deductible. The "Tax Cuts and Jobs Act" of 2018 provides that the deductibility of "miscellaneous itemized deductions" is suspended through 2025. The loss here would be deemed to be such a miscellaneous itemized deduction, and therefore of no tax benefit.

I note that the scope of my duties as a receiver is confined solely to the issue of making a recommendation as to how to liquidate the Fund. I therefore have not considered any issue bearing upon the possible liability of any third party to the Fund and/or its participants.

Respectfully submitted, this 30th day of June, 2020.

**Rule 23 MOTION FOR CERTIFICATION OF CLASS ACTION AND APPOINTMENT OF CLASS COUNSEL**

---

NOW COME Plaintiffs Robert Wright, Mark Michalec, and Scott Shipman ("Plaintiffs"), employees or former employees of the City of Charlotte and members or former members of the Charlotte-Mecklenburg Police Department individually and on behalf of all others similarly situated participants in The Charlotte-Mecklenburg Voluntary Police Pledge Fund ("Pledge Fund") the Class and move the Court to Certify this matter as a Class Action and appoint Class Counsel. In support of their motion, plaintiffs rely on the Affidavit of Named Plaintiffs Robert Wright, Mark Michalec, and Scott Shipman (**Attachment 1**), the Affidavit of Daniel R. Taylor, Jr. and W. Ellis Boyle (**Attachment 2**), proposed Notice of Pendency of Class Action (**Attachment 3**), Proposed Order Granting Plaintiffs' Rule 23 Motion for Certification of Class Action and Appointment of Class Counsel (**Attachment 4**), and such other material as may be

provided to the court at the hearing on this matter. In furtherance of their motion, Plaintiffs provide the following:

Plaintiffs along with approximately 1,100 others similarly situated employees and former employees of the City of Charlotte and members and former members of the Charlotte-Mecklenburg Police Department have brought this action for breach of fiduciary duty and negligent misrepresentation and omission to recover moneys deducted from their weekly pay along with appropriate interest. See, **Complaint.**

North Carolina Rules of Civil Procedure, Rule 23 entitled "Class Actions" provides:

> (a) If persons constituting a class are so numerous as to make it impractical to bring them all before the court, such of them, one or more, as will fairly insure the adequate representation of all may, on behalf of all, sue or be sued.

North Carolina courts have determined that to certify a class, the class proponents must satisfy six requirements:[1]

1. The existence of a class;
2. The class members within the jurisdiction of the court must adequately represent any class member outside the jurisdiction of the Court;
3. The class must be so numerous as to make it impractical to bring each member before the court;
4. The class members share an interest in a common law or fact and the issue predominate over individual differences in the members' claims;

[1] G.Gray Wilson, North Carolina Civil Procedure, Ch.23 § 23-1 (Matthew Bender); Crow v. Citicorp Accept. Co., 319 N.C. 274, 354 S.E.2d 459 (1987)

5. The party representing the class must fairly insure the representation of all class members; and
6. Adequate notice must be given to the class members.

Each of the above prerequisites are addressed in the following similarly numbered paragraphs

1. **The Class** -- As alleged in the complaint, each prospective class member is or was an employee of the City of Charlotte working within the Charlotte-Mecklenburg Police Department, has had money deducted from his or her pay and has not received funds as represented at the time of enrollment and impliedly confirmed with each weekly compensation deduction taken by the City of Charlotte. **See, Complaint & Complaint, Exhibit E (Graue verified Complaint).**

2. **Named Plaintiffs Are Adequate Representatives.** As employees or former employees of the City of Charlotte and members or former members of the Charlotte-Mecklenburg Police Department (Complaint paragraphs 1, 2, & 3), plaintiffs Robert Wright, Mark Michalec and Scott Shipman are more than qualified to represent all non-named class members within or outside the jurisdiction of this Court. **See, Affidavit of Robert Wright, Mark Michalec and Scott Shipman (Attachment 1 hereto)**

3. **The Numerosity Requirement Is Met**. The putative class consists of approximately 1,100+ employees and former employees of the City of Charlotte and members and former members of the Charlotte-Mecklenburg Police Department. **See, Complaint Exhibit E (Graue Verified Complaint, paragraph 25)**. The amount sought per class member is relatively small - $260 for a single year Pledge Fund participant; $2,600 for a ten-year Pledge Fund participant; $5,200 to $11,000 for a twenty-year Pledge Fund participant; $7,800 to $11,000 for a thirty year Fund Participant – such that it is simply impractical to expect that claims of these approximately

1,100+ individuals could be practically pursued separately, and clearly the injured Pledge Fund participants are so numerous as to make it impractical to bring each putative class member before the court. **See, Complaint Exhibit E (Graue Verified Complaint, paragraph 25)**

4. **Common Issues Exist and Predominate.** Common issues of law or fact exist as evidenced by the following non-exclusive list:

(a) what is the legal effect the action of the City Council of the City of Charlotte on January 17, 1966 when it approved "…the use of payroll deductions for the Volunteer Police Pledge Fund subject to the details being worked out satisforily (sic)" **See, Complaint & Complaint Exhibit E (Graue Verified Complaint);**

(b) what is the legal effect of the City of Charlotte deducting funds from enrollee's weekly compensation and maintaining those funds in an account or accounts controlled by the City of Charlotte or agents or employees of the City of Charlotte notwithstanding that the authorization seems to have only allowed for a payroll deduction at the time of pledge participant's death See, **Complaint Exhibit B**;

(c ) what is the legal effect of the City of Charlotte not treating funds deducted from Pledge Fund participates as trust funds and holding those funds in trust;

(d) what is the legal effect of the City of Charlotte treating the Pledge Fund as a benefit of employment and, consistent with that, displaying the Pledge Fund as a benefit of employment on the city's website. See, **Complaint Exhibit C**;

(e) what is the legal effect of the City of Charlotte making pledge fund beneficiary forms available and creating Pledge Fund Benefits staff to answer questions, ("you can reach out to the whole CMPD HR Team" which members are available to assist with Pledge Fund questions) all at the expense of the City of Charlottee. See, **Complaint, Exhibit C**;

(f) what is the legal effect of the use of City of Charlotte resources in the creation of the forms (**See, Complaint Exhibit D**) and use of those forms by City of Charlottee employees as authority to take the deduction of funds from weekly payroll;

(g) what is the legal effect of senior police officer solicitating participation in the Pledge Fund during the on-boarding process which, because their seniority and ultimate military like authority of new employees, would clearly benefit the solicitating police officer City of Charlotte employee without any reasonable expectation of benefiting later Pledge Fund participants;

(h) what is the legal effect the environment created or condoned by the City of Charlotte in which the representations were made to the putative class members during the employment on-boarding process by employees of the City of Charlotte;

(i) what is the legal effect of a large percentage of hired employees of the Charlotte-Mecklenburg Police Department becoming Pledge Fund participants and agreeing to weekly payroll deductions during or immediately following the on-boarding process;

(j) what is the legal effect of the representations made by agents and employees of the City of Charlotte about the purpose of the weekly payroll deductions to be taken by the City of Charlotte and the total absence of any information which would support the representations made or the long-term viability of the Pledge Fund;

(k) what is the legal effect of the information or lack thereof in the possession of the City of Charlotte at the time the on-boarding representations were made;

(l) what is the legal effect of the information or lack of information in the possession of the City of Charlotte at the time each payroll deduction was taken following the participant's enrollment through the time deductions were no longer taken;

(m) what is legal effect of the actions or inactions taken by the City of Charlotte to determine the viability of the Pledge Fund to meet its stated purpose at any time;

(n) what is the legal effect of the total lack of any oversight by the City of Charlotte as to the viability of the city approved program;

(o) what is the legal effect of the City of Charlotte's failure to accept any responsibility for its total lack of oversight of the so-called Pledge Fund;

5. **Adequate Counsel**. Counsel representing the class are experienced, able counsel and will fairly insure the representation of all class members. **Affidavit of Daniel R. Taylor, Jr., and W. Ellis Boyle. Attachment 2 hereto.**

6. **Adequate Notice**. Adequate notice must be given to the putative class members, a copy of which proposed Notice provided for Court approval is provided. **Attachment 3 hereto.**

Based on the foregoing, plaintiffs move that the Court certify a Class as described in the attached notice (**Attachment 3 hereto**) and appoint Daniel R. Taylor Jr, and E. Winslow Taylor of Taylor & Taylor, Attorneys at Law, PLLC and W. Ellis Boyle, Knott & Boyle, PLLC as Class Counsel as provided in the attached Proposed Order Granting Class Certification and Appointment of Class Counsel (**Attachment 4 hereto**).

**AFFIDAVIT OF NAMED PLAINTIFFS ROBERT WRIGHT, MARK MICHALEC AND SCOTT SHIPMAN IN SUPPORT OF PLAINTIFFS' MOTOIN FOR CLASS CERTIFICATION AND APPOINTMENT OF CLASS COUNSEL**

Plaintiffs Robert Wright, Mark Michalec, and Scott Shipman provide this joint affidavit in support of their Rule 23 Motion for Certification of Class Action and Appointment of Class Counsel.

1. Plaintiff Robert Wright is a citizen and resident of Mecklenburg County, North Carolina. Wright has been a sworn law enforcement officer employed by Charlotte for less than 20 years. Wright has participated in the Pledge Fund and has had Five Dollars ($5.00) deducted from his salary weekly since first employed on May 19, 2008.

2. Plaintiff Mark Michalec is a citizen and resident of Cabarrus County, North Carolina. Michalec is a sworn law enforcement officer employed by Charlotte for more than 20 years. Michalec has participated in the Pledge Fund and has had Five Dollars ($5.00) deducted from his salary weekly since first employed September 21, 1994.

3. Plaintiff Scott Shipman is a citizen and resident of Union County, North Carolina. Shipman was a sworn law enforcement officer employed by the city of Charlotte. He was hired by the City of Charlotte in June of 1989. Prior to his retirement, Shipman participated in the Pledge Fund and had Five Dollars ($5.00) deducted from his salary weekly starting June 21, 1989 until he retired on July 1, 2018. Shipman has not received any payment from the Pledge Fund.

4. Plaintiffs Wright, Michalec, and Shipman each made the decision to participate in the Pledge Fund based on the trust and confidence placed in senior members of the Police Department arising from the strong recommendations made to them at the time of their employment by employees of the City of Charlotte, their desire to be part of the Charlotte police force team which supported other team members and would support them when needed, as well as on the fact that the Pledge Fund was sponsored, approved, and administered by the City of Charlotte. Had it ever been explained to us that the Pledge Fund was not viable and that we would never receive an amount more than we contributed, we would have never agreed to participate or would have immediately terminated our participation in the Pledge Fund.

5. We each have agreed to represent not only our personal interests in this matter, but also to represent fairly the interests of the entire Class. We are each committed to fairly represent the interest of all members of the Class to the best of our ability. We have no conflict with any other member of the class. We have a genuine interest in the outcome of this case, and we will represent the interests of the class outside the State of North Carolina. While we have advanced funds to pay expenses in this case and hopefully those expenses will be repaid from the proceeds of this case, we do not expect to receive by settlement or award funds on any basis other than as will be received by other class members.

6. We carefully considered and interviewed several firm and selected our present counsel based on their experience in class actions as well as in financial and investment related litigation.

Plaintiffs have met their burden of showing that a class exists of current and former employees of the City of Charlotte and members of the Charlotte-Mecklenburg Police Department who have had payroll deductions taken for the Pledge Fund and have not received from the Pledge Fund an amount equal to or in excess of the funds deducted.

4. The named Plaintiffs Robert Wright, Mark Michalec, and Scott Shipman ("Plaintiffs"), employees or former employees of the City of Charlotte and members or former members of the Charlotte-Mecklenburg Police Department will fairly and adequately represent the interests of all members of the class; the named Plaintiffs have no conflict of interest with the other members of the class; the named Plaintiffs have a genuine interest in the outcome of this case, and the named Plaintiffs will adequately represent the interest of the class outside the State of North Carolina.

5. The class members are so numerous – numbering approximately 1,100 – that it is impractical to bring them all before this Court;

6. A class action is clearly superior to other available methods of adjudication of this controversy for numerous reasons including that (a) it will serve the useful purpose of preventing a multiplicity of suits and individual rulings, (b) the amounts recoverable for the individual class members separately would not justify the pursuit of individual claims, and (c) the claims could only be practically and economically pursued as a Class Action.

7. The Notice of Class Action attached as Exhibit A to this Order (the "Class Notice") is in proper form for notice to the class of their rights in this action.

(b) Cause the Class Notice to be posted to _____

(c) Cause the Class Notice to be published in at least one newspaper of general circulation in the Charlotte, NC metropolitan area.

6. Any individual who (a) qualified as a member of the class and (b) desires to be excluded from the class may opt-out by completing and mailing an opt-out notice (described in the Notice of Class Action) Attn: Pledge Fund Member Opt-Out, Knott & Boyle PLLC, 4800 Six Forks Road, Suite 100, Raleigh, NC 27609, postmarked no later than _____, 2021.

7. Should any member of the class ask any questions of the Defendant as to the nature, claims or status of the Class Action, the Defendant and its agents shall respond to such inquiry or inquiries by producing a copy of the Class Notice and by advising the person to contact Class Counsel at the locations provided in said Notice.

8. For purposes of paragraph 7 only, the word "Defendant" shall include the managers, directors, officer, employees, agents and assigns of the Defendants.
