The Parties acknowledge that the foregoing waiver was separately bargained for and is a key element of the Settlement of which this releases are a part.

Notwithstanding anything herein, the Releases under this Paragraph 5 shall not release Third Parties, nor any of the Parties’ respective obligations and duties under the GSA, nor any rights of creditors and investors to receive distributions solely as expressly provided for under this GSA and the Stillwater Agreement.

 - iii. in the Arar Action, as all persons or entities, other than the Named Defendants or the officers and directors of Gerova or of any subsidiary of Gerova, and such excluded persons defined as family members (only spouse and minor children), who purchased or otherwise acquired Gerova securities from January 8, 2010, through and including February 23, 2011 (the “Open-Market Class”).

14. Bermuda Court Approval of Settlement. Within three (3) business days after the Agreement Date, counsel for the JPLs shall inform the Supreme Court of Bermuda (the “Bermuda Court”) in the action styled *In the Matter of Gerova Financial Group Limited*, Matter No. 2011 No. 369 (the “Gerova Insolvency Proceeding”) of the execution of this GSA. Within ten (10) business days after the Agreement Date, counsel for the JPLs shall prepare and submit to the Bermuda Court all documents necessary, if any, to cause the Bermuda Court to enter Final Orders (a) approving the Settlement and (b) authorizing the withdrawal and/or dismissal with prejudice of the Summons and Petition that XL filed in the Gerova Insolvency Proceeding and any related filings by the JPLs or Named Defendants.

15. Bankruptcy Court Approval of Settlement in Gerova Chapter 15 Case. Within three (3) business days after the Agreement Date, counsel for the JPLs shall file a letter in the docket of the Gerova Chapter 15 case styled *In re Gerova Financial Group, Ltd., et al.*, Case No. 12-13641 (ALG) (the “Chapter 15 Case”), advising the Bankruptcy Court that (i) this GSA has been executed, and (ii) there will be a forty-five (45) day period of Confirmatory Discovery. Counsel for the JPLs shall file with the Bankruptcy Court a Motion Seeking Approval of the Settlement (the “Motion Seeking Approval of the Settlement”) within ten (10) business days after the Bermuda Court enters an order approving the Settlement.

16. Bankruptcy Court Approval of Settlement in the Offshore Bankruptcy.

- a. Within three (3) business days after the Agreement Date, counsel for the Offshore Fund appointed in the Offshore Bankruptcy shall file a letter in the Bankruptcy Court docket of the Offshore Bankruptcy advising the Bankruptcy Court that (i) this GSA has been executed, and (ii) there will be a forty-five (45) day period of Confirmatory Discovery.
- b. Within fourteen (14) business days after the Agreement Date, counsel for the Offshore Fund shall file a notice of presentment for a bar date in the Offshore Bankruptcy. Scheduled claimants need not file a proof of claim.
- c. No later than ten (10) business days after the Bermuda Court enters an order approving the Settlement, counsel for the Offshore Fund, subject to review and approval of the Committee, shall file a Motion to Approve a 9019 Settlement (the “9019 Motion”).

17. Confirmatory Discovery. Confirmatory Discovery must be completed forty-five (45) days following the Agreement Date. In an effort to save time and expense, the CRO shall establish a virtual data room within five (5) days after the Agreement Date, which shall contain all of the content he has received from the Stillwater Defendants. Privileged content included in the data room may be redacted by the CRO or counsel for the Offshore Fund. Confidential content included in the data room shall be produced upon execution by the Parties hereto of a confidentiality agreement in form that is usual and customary. Counsel for the Stillwater Class,

Open-Market Class, Committee and JPLs shall with the exceptions below, have access to this data room during Confirmatory Discovery. As outlined below in paragraph 17(a) and (b), counsel for the Stillwater Class, Open-Market Class, the JPLs, the CRO and the Committee may seek additional Confirmatory Discovery as provided below. To the extent that the counsel for the Stillwater Class, Open-Market Class, JPLs, the CRO, and/or the Committee seek substantially the same discovery requests from any entity, the discovery-seekers shall coordinate their efforts to avoid duplicate discovery requests. No other Parties may seek Confirmatory Discovery.

a. Confirmatory Discovery by the JPLs, the CRO and the Committee. The JPLs, CRO, and Committee may take document requests, interrogatories, witness interviews, or depositions limited to the following:

i. JPLs: The JPLs may seek discovery from the Individual Gerova Defendants relating to possible claims against or recoveries from the Individual Gerova Defendants relating to any and all compensation, consideration or anything of value received by them or by any entity in which they have any beneficial interest or which they control, directly or indirectly, from Gerova, its subsidiaries or affiliates, from January 1, 2010 to date. The discovery may also seek confirmation of income and assets as to Hlavsa, Hirst and Galanis. The JPLs reserve the right to take depositions relating to the issues listed above. In the event such depositions are taken, they shall take place on at least 10 days' notice before the conclusion of the Confirmatory Discovery period, and shall be limited to one day per each of the Individual Gerova Defendants, which shall include a maximum seven (7) hours of deposition. The depositions shall take place at the offices of the deponent's counsel and be subject to usual and customary practice under the Federal Rules of Civil Procedure. Reimbursement of fees incurred by the Individual Gerova Defendants in connection with Confirmatory Discovery is governed by the Insurer Release Agreement. Any discovery obtained by the JPLs from the Individual Gerova Defendants (other than the Individual Gerova Defendants' personal financial information, except for summary financial statements, as provided for immediately below) shall be shared with counsel for the Stillwater Class, CRO and Committee, subject to a mutually acceptable confidentiality agreement. The Individual Gerova Defendants' personal financial information will be reviewed solely by the JPLs. The JPLs shall provide to counsel for the Stillwater Class, CRO and Committee financial information of the Individual Gerova Defendants that is limited to any summary financial statements provided by any of the Gerova Individual Defendants to the JPLs, if any are so provided. The

JPLs shall destroy all copies of such financial information twenty (20) days after the Effective Date, and shall provide a written confirmation confirming the same, including the destruction of all copies of any document referencing any of the details of such financial statements (including any section of any transcript of testimony given by the Individual Gerova Defendants) whether such copies are hard or electronic copies. So that all Confirmatory Discovery may be completed within forty-five (45) days after the Agreement Date, as provided above, the JPLs shall provide the first round of requests for document production and interrogatories to counsel for the Individual Gerova Defendants within five (5) days after the Agreement Date. The final round of requests for document production and interrogatories by the JPLs shall take place by the seventh (7) day before the close of the 45-day period, provided that any discovery propounded immediately in advance of that date is confined to limited follow-up discovery. Disputes regarding Confirmatory Discovery by the JPLs shall be resolved according to the Dispute Resolution procedures set forth in Paragraph 25

- ii. CRO and Committee: The CRO and the Committee may take discovery (both document requests and depositions as limited below) from the Stillwater Defendants of: (i) the assets transferred to Gerova, their disposition and status, and the Assets to be reconveyed from Gerova under the Global Settlement Agreement; and (ii) the personal financial information of the Stillwater Defendants, which shall be provided to the CRO and counsel for the Committee within five (5) days after the Agreement Date, and which will include requests for verified personal financial statements under penalties of perjury by the individual Stillwater Defendants reflecting aggregate net assets of less than \$2.5 million, plus real estate assets of 3.0 million, for an total aggregate net asset value not to exceed \$5.5 million in value (but shall not include their spouses' share of jointly held assets and any IRA, 401K or statutory qualified exempt retirement assets or any assets held in a family trust for the benefit of spouse and children and any property or assets that are exempt as set forth under section 522 of Title 11 of the United States Code; provided, however, that each of these assets shall be disclosed). Confirmatory Discovery shall include inquiry, amongst other things, regarding the transfer of any assets, including into exempt assets or to third parties since January 1, 2006. Notwithstanding anything contained herein to the contrary, the Parties acknowledge that they are not relying upon, and Jack Doueck and Rick Rudy are not certifying, the value of any real estate assets that may be independently verified. The individual Stillwater Defendants' personal financial information will be reviewed solely by the CRO, counsel for the Offshore Fund (or other professionals), and counsel (or other professionals) for the Committee. Counsel (or other

professionals) for the Committee may discuss such personal financial information with the Committee Members, which discussions shall include, but not be limited to, providing information, summaries, and analysis, to any Committee Members, but not sharing the actual financial statements with, or showing them to, the Committee Members. In addition, counsel for the CRO, Committee, and Stillwater Class (collectively, the "Examining Parties") shall provide counsel for the Stillwater Defendants a list of names of the Examining Parties prior to the giving of any information to an Examining Party. Prior to being given any information, each of the Examining Parties shall agree in writing that he / she will destroy all copies of such financial information twenty (20) days after the completion and acceptance of Confirmatory Discovery from the Stillwater Defendants, and shall provide a written confirmation confirming the same, including the destruction of all copies of any document referencing any of the details of such financial statements (including any section of any transcript of testimony given by the Stillwater Defendants) whether such copies are hard or electronic copies. Such written confirmations shall be provided to counsel for the Stillwater Defendants within twenty five (25) days after the completion of Confirmatory Discovery. Any discovery obtained by the CRO and Committee from the Stillwater Defendants, aside from their personal financial information, shall be shared with counsel for the JPLs, subject to a mutually acceptable confidentiality agreement, a copy of which shall be approved by counsel for the Stillwater Defendants, and counsel for the JPLs shall have the right to attend, and obtain transcripts of, any interviews and depositions.

- (1) The Committee and the Stillwater Class Plaintiffs' counsel shall confer with the CRO regarding information to be requested from the Stillwater Defendants. The CRO will incorporate those questions in informal discovery requests, and if the CRO or counsel for the Committee is not satisfied with the responses, the CRO or the Committee may notice one deposition of each of the Stillwater Defendants, which the CRO or Committee, as the case may be, may cross-notice and attend. Counsel for the CRO shall lead any cross-noticed depositions, subject to counsel for the Committee's right to pose their own questions thereafter, provided the Committee shall use best efforts to limit duplication of any questions covered by the CRO. Depositions shall take place on at least 10 days' notice and the date shall be coordinated with counsel for the deponent, CRO and the Committee. Depositions for the Stillwater Defendants (but not other deponents) shall be coordinated and limited to

one day per each of the Stillwater Defendants, which shall include a maximum seven (7) hours of deposition, including a one-hour lunch break. The depositions shall take place at the offices of the deponent's counsel and be subject to usual and customary practice under the Federal Rules of Bankruptcy Procedure. Counsel for the Stillwater Class may attend such depositions.

- (2) The Committee shall confer with the CRO regarding documents to be requested from the Stillwater Defendants, and the CRO may propound such document discovery requests. In addition, the Committee may propound its own document discovery requests, provided the Committee will use best efforts not to duplicate requests made by the CRO or information already contributed by the Stillwater Defendants. To the extent the CRO does not seek Confirmatory Discovery, the Committee may propound such discovery as set forth above. The Stillwater Class Plaintiffs' counsel shall confer with the Committee and CRO regarding documents to be requested from the Stillwater Defendants, and will not propound any additional discovery of the Stillwater Defendants. Disputes regarding discovery by the CRO and Committee shall be resolved first by submitting the dispute to Mediator Michael Young and, if not resolved after ten (10) days, by submitting the dispute to the Bankruptcy Court which shall rule on the dispute in accordance with the terms of the Confirmatory Discovery set forth in this section.
- (3) The CRO and Committee may confer with the JPLs regarding information to be requested from the Individual Gerova Defendants, and provided that (i) the information sought is within the scope of the discovery that the JPLs are permitted to take of the Individual Gerova Defendants, and that (ii) such information does not include the personal financial information of the Individual Gerova Defendants, the JPLs shall incorporate those questions in information and/or formal discovery requests. This consultation can occur multiple times, and must take place before the JPLs propound their final round of confirmatory discovery requests to the Individual Gerova Defendants. The CRO,

Committee, and the Stillwater Class shall also be permitted access to all discovery obtained by the JPLs, and shall have the right to attend, and obtain transcripts of, any interviews and depositions.

- b. Confirmatory Discovery by Counsel for the Stillwater Class. The Confirmatory Discovery permitted to be taken by the counsel for the Stillwater Class may only include document requests and depositions from the Stillwater Defendants, and not the Individual Gerova Defendants, consistent with the provisions set forth in paragraph 17(a)(ii) above. Counsel for the Stillwater Class shall also be permitted access to all discovery obtained by the CRO, Committee and JPLs, including personal financial information of the Stillwater Defendants to be provided under paragraph 17(a)(ii), and subject to the provisions therein and shall have the right to attend, and obtain transcripts of, any interviews and depositions. The Stillwater Class's access to the Gerova Individual Defendants' personal financial information shall be limited to any summary financial statements provided by any of the Gerova Individual Defendants to the JPLs, if any are so provided.
- c. Confirmatory Discovery by Counsel for the Open-Market Class. The Open-Market Class shall conduct confirmatory discovery jointly with the JPLs and such discovery shall be limited as provided in paragraph 17(a)(i) above. Counsel for the Open-Market Class shall also be permitted access to all discovery obtained by the CRO and Committee, including personal financial information of the Stillwater Defendants to be provided under paragraph 17(a)(ii), and subject to the provisions therein and shall have the right to attend, and obtain transcripts of, any interviews and depositions. The Open-Market Class's access to the Gerova Individual Defendants' personal financial information shall be limited to any summary financial statements provided by any of the Gerova Individual Defendants to the JPLs, if any are so provided.
- d. Confirmatory Discovery is Conclusive. The Confirmatory Discovery shall be conclusive and upon the completion of Confirmatory Discovery, other than with respect to any future third party claims, no further discovery of the Individual Gerova Defendants or Stillwater Defendants shall be permitted or allowed by the Parties hereto in any of the Actions referenced herein or in

any other litigations related to the subject matter of the Settled Claims, except as may be provided in the Stillwater Agreement. The foregoing shall not affect the rights of the Plaintiffs, JPLs, Committee, or CRO to opt out of the Settlement pursuant to paragraph 22.

18. Stay of Proceedings. Pending negotiation, execution, and District Court and Bankruptcy Court approval of the Settlement, Plaintiffs agree to stay the Actions and not to initiate any other proceedings against the Named Defendants or the Stillwater Funds. In addition, provided that there is no material breach of this GSA, pending negotiation, execution, and District Court and Bankruptcy Court approval of the Settlement, Eden Rock agrees to stay the State Court Action. All discovery in the Actions, the State Court Action (with respect to the Parties only), and the Offshore Bankruptcy (with respect to the Parties only, and excluding Confirmatory Discovery) shall be stayed pending District Court and Bankruptcy Court approval of the Settlement except with respect to the Confirmatory Discovery described herein, provided that there is no material breach of this GSA.

19. Conditions of Settlement.

- a. Payment by XL of the Gerova D&O Policy Consideration provided for under paragraph 9 above.
- b. Payment by XL of the Stillwater D&O Policy Consideration provided for under paragraph 11 above.
- c. Payment by the Stillwater Defendants of \$5,400,000 (the "Required Net Cash Funding Minimum") into the Required Net Cash Funding Minimum Account, as defined in, and pursuant to, paragraph 1 of the Stillwater Agreement, and thereafter the release of such sums to the Structure in accordance with this GSA and the Stillwater Agreement.
- d. Execution and court approvals of all of the Effective Date conditions provided for under paragraph 8 above.
- e. The Settlement described in this GSA is subject to the Plaintiffs', the JPLs', Committee's, and the CRO's confirmation, in their respective sole discretion, following completion of the Confirmatory Discovery, that the proposed Settlement is fair, adequate, and reasonable.
- f. In addition, in the event that the Effective Date has not occurred on or before the later of as follows: (i) 180 days after the Agreement Date or (ii) 90 days after the Final Order is sought in the District Court (and provided interim approvals and all other required filings have been made in accordance with

this GSA), provided such date shall not be more than 270 days after the Agreement Date, any of the JPLs, Plaintiffs in the Class Actions, Committee, or CRO, may provide written notice to all other Parties to the GSA of his or its intent to terminate the GSA (“Termination Notice”), subject to the provisions of paragraph 22.

- g. The JPLs, Stillwater Class Plaintiffs, Committee, and CRO shall conduct the Confirmatory Discovery as expeditiously as practicable and may provide Termination Notice no later than seven (7) days after the completion of Confirmatory Discovery if they determine in any of their respective sole discretion that the Settlement is not fair, adequate and reasonable, subject to the provisions of paragraph 22. Parties of whom Confirmatory Discovery is requested must likewise respond in a reasonably prompt and complete manner to requests for Confirmatory Discovery that are made pursuant to the limitations set forth in paragraph 17. Failure by the Stillwater Class Plaintiffs, the JPL, Committee or the CRO to provide Termination Notice under this paragraph shall be deemed a waiver of the non-noticing Party to raise any objection that the proposed Settlement is fair, adequate, and reasonable.
- h. Furthermore, should the Settlement be rendered null and void, no Party can make any use of the Confirmatory Discovery obtained by any Party or the personal financial information provided by the Stillwater Defendants or the Individual Gerova Defendants, and such information must be completely destroyed within five (5) days after the GSA is deemed null and void. Written confirmation of such destruction shall be provided within five (5) days of the destruction of the personal financial information. This prohibition shall not apply to information in the public domain.

20. Requirement that the State Court Action be Dismissed. A stipulation dismissing the State Court Action with prejudice shall be signed and held in escrow by counsel for the Stillwater Defendants prior to the Effective Date, and shall be released and filed in the State Court Action on the Effective Date.

21. Notice Costs.

- a. Stillwater Class. Within seven (7) business days after the District Court approves the Motion for Preliminary Approval, the Stillwater Defendants shall provide the contact information in their possession for all investors in the Stillwater Class, including addresses, email, telephone and social security numbers to a third party administrator who will handle the notice and claims procedures. Such notice may be made by constitutionally permissible means

as approved by the District Court. To the extent that notice to the Stillwater Class requires emails, the Stillwater Defendants shall transmit those emails provided the notice has been approved by the Parties. Reasonable costs of other means of notice to the Stillwater Class shall be advanced out of the Gerova D&O Policy Payment to the Stillwater Class. If the Settlement is terminated after Confirmatory Discovery, or if the Settlement is not approved, Plaintiffs in the Stillwater Class Action shall not have to repay any notice costs.

- b. Open-Market Class. Within seven (7) business days after the District Court approves the Motion for Preliminary Approval, the JPLs shall provide the contact information in their possession for all investors in the Open-Market Class, including addresses, email, telephone and social security numbers to a third party administrator who will handle the notice and claims procedures. Such notice may be made by constitutionally permissible means as approved by the District Court. To the extent that notice to the Open-Market Class requires emails, the JPLs shall transmit those emails provided the notice has been approved by the Parties. Reasonable costs of other means of notice to the Open-Market Class shall be advanced out of the Gerova D&O Policy Payment to the Open-Market Class. If the Settlement is terminated after Confirmatory Discovery, or if the Settlement is not approved, Plaintiffs in the Open-Market Class Action shall not have to repay any notice costs.

22. Termination.

This paragraph 22 sets forth the exclusive manner in which the GSA may be terminated:

- a. Any Named Defendants in the Arar Action may terminate the Settlement of the Arar Action if greater than 5% of all damaged shares elect to opt out of the settlement of the Arar Action by the opt-out deadline ordered by the District Court.
- b. Any Named Defendants in the Consolidated and Goldberg Actions may terminate the Settlement of the Consolidated and Goldberg Actions if Class members owning interests having a value that is greater than 5% of the total value of the Stillwater Funds' total interests elect to opt out of the settlement of the Consolidated and Goldberg Actions by the opt-out deadline ordered by the District Court.
- c. The Plaintiffs, the JPLs, Committee, or the CRO may terminate the Settlement following provision of Termination Notice in accordance with paragraph 19 and subject to the provisions of paragraph 22.
- d. In the event that the Effective Date has not occurred on or before the later of: (i) 180 days after the Agreement Date or (ii) 90 days after the Final

Order is sought (and provided interim approvals and all other required filings have been made in accordance with this GSA), provided that such date shall not be more than 270 days after the Agreement Date, any of the JPLs, Plaintiffs, Committee, and CRO may give Termination Notice, subject to the provisions of paragraph 22 below.

In order for any Party to exercise its termination rights as set forth above (a “Terminating Party”), the Terminating Party shall provide Termination Notice. Prior to the exercise of any Terminating Notice having any force or effect on the GSA, upon receipt of the Termination Notice all Parties shall confer to determine in each Party’s respective sole discretion whether a mutually agreeable modification to the GSA can be effectuated in order to preserve the global Settlement. In the event that the Terminating Party does not withdraw its Termination Notice in writing within 15 days of its initial transmittal to all Parties or such longer period as the Terminating Party agrees upon in writing, the GSA shall terminate and all parties shall be restored to their respective positions as of the Agreement Date. For the avoidance of doubt, the effect of termination shall include the nullification of the Releases granted herein. In addition, a Termination Party shall be under no obligation whatsoever to extend the Termination Notice deadline or otherwise modify this GSA in any material respects.

23. No Admission of Wrongdoing. By entering into the Settlement, none of the Named Defendants admit to any wrongdoing and no Party to this GSA shall make any statement indicating wrongdoing by any of the Named Defendants. Nothing herein shall be construed as an admission by any Party of any liability of any kind. All wrongdoing or liability is expressly denied by the Parties.

24. Non-Disparagement. On and after the Effective Date, all Parties to this GSA shall refrain from making any malicious, disparaging, defamatory, libelous, or slanderous remarks (the “Proscribed Statements”) about any other Party to this GSA, regarding any and all of the other such Parties or such Parties’ shareholders, directors, officers, employees, representatives, agents, attorneys, parents, subsidiaries, and affiliates relating to the matters settled hereunder. With respect to the foregoing, specifically, such Parties agree to refrain from making any Proscribed Statements regarding any of the Actions settled under the GSA, including the manner in which the Stillwater Defendants managed the Stillwater Funds (including, but not limited to regarding culpability for management, losses, and diminution in value of the investments or Assets) and any enforcement actions and litigation brought by the Offshore Fund’s Creditors, Committee, CRO, JPLs, and/or Plaintiffs, regarding the foregoing, amongst other things. Notwithstanding anything contained herein, nothing shall preclude any Party (including the CRO, Offshore Fund’s Creditors and/or Committee, JPLs, and Plaintiffs), from providing testimony when called upon to do so, or communicating with third parties regarding the status of the pending proceedings and settlement, together with the desirability of entering into the GSA (including, but not limited to appearing in any court where proceedings are pending in support for approval of the GSA).

25. Dispute Resolution. If any disputes arise between the Parties in connection with the terms of this GSA or documentation thereof, including but not limited to disputes concerning Confirmatory Discovery, such disputes shall be presented for mediation before Mediator Michael Young. If the Parties fail to reach a resolution in the mediation twenty one (21) days (and in the case of Confirmatory Discovery, ten (10) days) after both presenting the dispute for mediation and the Parties meeting with Mediator Michael Young, the Parties shall submit the matter to the District Court or the Bankruptcy Court for final resolution, depending on the disputed issue. Notwithstanding anything contained herein to the contrary, the GSA shall not preclude any Party from seeking relief before the District Court or Bankruptcy Court, as the case may be, in the event of exigent circumstances.

26. Choice of Law. This GSA shall be construed in accordance with the laws of the State of New York, without regard to its conflict of laws rules, except to the extent that it is mandatory that the laws of some other jurisdiction apply. Any action or proceeding of any kind brought upon or with respect to this GSA shall be brought in the appropriate state or federal court located in New York, to which jurisdiction all Parties hereto consent.

27. Entire Agreement. The GSA, the Insurer Release Agreement and the Stillwater Agreement constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede and replace any prior communication, understanding, or agreement, written or oral, between the Parties with respect to the subject matter hereof.

28. Complete Defense. This GSA may be pleaded by a Party to this GSA as a full and complete defense to, and may be used as the basis for an injunction against, any action, cause of action, suit or other proceeding that may be instituted, prosecuted or attempted in breach hereof by the other Party to this GSA.

29. Modification. This GSA cannot be modified except by written agreement executed by all the Parties to be affected by the modification.

30. Use of Headings. The use in this GSA of paragraph headings is for convenience only and is not intended to limit or enlarge the rights of any Party.

31. Other Provisions.

a. Each of the Parties has participated in the drafting and negotiation of this GSA, with full opportunity to confer with their respective counsel. For all purposes, this GSA shall be deemed to have been drafted jointly by the Parties hereto.

b. This GSA may be executed in counterparts, each of which shall be deemed to be an original. A copy of this GSA shall be deemed to be valid and binding as if it were an

original. This GSA is hereby authorized to be executed and accepted by facsimile signatures, and such facsimile signatures shall be considered valid and binding as original signatures and may be relied upon by the Parties hereto

c. The individuals who sign this GSA on behalf of an entity, partnership, corporation, committee or client(s) hereby represent that they have been duly authorized to sign this GSA and to bind the foregoing described Party, respectively, to the terms and conditions of this GSA.

d. The invalidity or legality of any provision contained herein shall not affect the enforcement of any other provision of this GSA, which shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned have executed this GSA or have caused this GSA to be executed by their duly authorized officer or representative where appropriate as of the date first above written.
