**NOTICE OF PENDENCY AND
PROPOSED SETTLEMENT OF CLASS ACTION**

If you purchased common stock of Caesarstone, Ltd. (“Caesarstone” or the “Company”) during the period from February 12, 2014 to August 18, 2015, both dates inclusive (the “Settlement Class Period”), you could get a payment from a proposed class action settlement (the “Settlement”).

Under law, a federal court has authorized this Notice. This is not attorney advertising.

- If approved by the Court, the Settlement will provide two million two hundred thousand dollars (\$2,200,000) (the “Settlement Amount”) gross, plus interest as it accrues, minus attorneys’ fees, costs, administrative expenses, and net of any taxes on interest, to pay claims of investors who purchased Caesarstone common stock during the Settlement Class Period.
- The Settlement represents an estimated average recovery of \$.153 per damaged share of Caesarstone common stock. This is based on Plaintiffs’ expert’s calculation of approximately 14.4 million estimated damaged shares of common stock during the Settlement Class Period. This estimate solely reflects the average recovery per damaged share of Caesarstone common stock. This is not an estimate of the actual recovery per share you should expect. Your actual recovery will depend on the aggregate losses of all Settlement Class Members, the date(s) you purchased and sold Caesarstone common stock, and the total number of claims filed.
- Attorneys for Plaintiffs (“Lead Counsel”) intend to ask the Court to award them fees of up to thirty percent (30%) of the Settlement Amount or six hundred sixty thousand dollars (\$660,000.00), reimbursement of litigation expenses of no more than \$175,000.00, and an award to the Lead Plaintiffs collectively not to exceed \$15,000.00 (\$5,000 each). Collectively, the attorneys’ fees and expenses and award to Lead Plaintiffs are estimated to average \$.059 per damaged share of Caesarstone. If approved by the Court, these amounts will be paid from the Gross Settlement Fund.
- The approximate recovery, after deduction of attorneys’ fees and expenses approved by the Court, is an average of \$.094 per damaged share of Caesarstone common stock. This estimate is based on the assumptions set forth in the preceding paragraph. Your actual recovery, if any, will depend on the aggregate losses of all Settlement Class Members, the date(s) you purchased and sold Caesarstone common stock, the purchase and sales prices, and the total number and amount of claims filed.

- The Settlement resolves the Action concerning whether Caesarstone and Individual Defendants Yosef Shiran and Yair Averbuch (the “Defendants”) violated federal securities laws by allegedly making misrepresentations and/or omissions of material fact in various filings with the U.S. Securities and Exchange Commission and in other public statements to the investing public concerning the price of quartz and Caesarstone’s gross profit margins. Defendants have denied and continue to deny each, any and all allegations of wrongdoing, fault, liability or damage whatsoever asserted by Plaintiffs. Defendants have also denied, *inter alia*, the allegations that Plaintiffs or the Settlement Class have suffered damages or that Plaintiffs or the Settlement Class were harmed by the conduct alleged in the Actions. Defendants continue to believe the claims asserted against them in the Actions are without merit.
- Your legal rights will be affected whether you act or do not act. If you do not act, you may permanently forfeit your right to recover on this claim. Therefore, you should read this Notice carefully.

DEFINITIONS

All capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Stipulation and Agreement of Settlement, dated April 13, 2017 (the “Settlement Stipulation”).

COMMON QUESTIONS AND ANSWERS CONCERNING THE SETTLEMENT

1. Why did I get this Notice?

You or someone in your family may have acquired Caesarstone common stock between February 12, 2014 and August 18, 2015, both dates inclusive.

2. What is this lawsuit about?

The case is known as *Tapia-Matos v. Caesarstone, Ltd. et al.*, 1:15-cv-6726 (S.D.N.Y.) (the “Action”). The Court in charge of the case is the United States District Court for the Southern District of New York.

The Action involves allegations that Defendants violated certain federal securities laws by making misrepresentations or omissions of material fact concerning the price of quartz and Caesarstone’s gross profit margins.

On January 15, 2016, Plaintiffs filed the Amended Class Action Complaint (“Complaint”), with a class period from February 12, 2014, through August 18, 2015 (“Class Period”). The February 12, 2014 start date to the Class Period was based on allegations regarding the “premium” quality of Caesarstone’s products. On May 8, 2014, before the market opened, Defendants issued the first of multiple statements regarding their margins, all of which are alleged to be false. On March 12, 2015, after the close of the market, Defendants issued an allegedly false statement concerning the increase in quartz prices in 2014. The Class Period ends on August 18, 2015, when information purportedly contradicting each of Defendants’ alleged false statements was made public.

On July 20, 2016, ruling on Defendants' Motion to Dismiss, the Court held that the Amended Complaint adequately alleged false and misleading statements concerning both the increase in quartz prices and margins. The Court, however, dismissed Plaintiffs' allegations relating to the "premium" quality of Caesarstone's products.

Defendants have denied and continue to deny each, any and all allegations of wrongdoing, fault, liability or damage whatsoever asserted in the Actions. The Settlement shall in no event be construed as, or deemed to be evidence of, liability, fault, wrongdoing, injury or damages, or of any wrongful conduct, acts or omissions on the part of any of the Released Parties, or of any infirmity of any defense, or of any damages to the Plaintiffs or any other Settlement Class Member. The Settlement resolves all of the claims in the Actions, as well as certain other claims or potential claims, whether known or unknown.

3. Why is this a class action?

In a class action, one or more persons and/or entities, called plaintiffs, sue on behalf of all persons and/or entities who have similar claims. All of these persons and/or entities are referred to collectively as a class, and these individual persons and/or entities are known as class members. One court resolves all of the issues for all class members, except for those class members who exclude themselves from the class.

4. Why is there a Settlement?

Plaintiffs and Defendants do not agree regarding the merits of Plaintiffs' allegations and Defendants' defenses with respect to liability or the average amount of damages per share, if any, that would be recoverable if Plaintiffs were to prevail at trial on each claim. The issues on which Plaintiffs and Defendants disagree include, but are not limited to, (1) whether the challenged statements were materially false or misleading or otherwise actionable under federal securities law; (2) whether the Defendants acted with scienter; (3) whether the alleged disclosures were corrective disclosures; (4) the causes of the loss in the value of the common stock; and (5) the amount of alleged damages, if any, that could be recovered at trial.

This matter has not gone to trial and the Court has not decided in favor of either Plaintiffs or any of the Defendants. Instead, Plaintiffs and Defendants have agreed to settle the case. Plaintiffs and Lead Counsel believe the Settlement is best for all Settlement Class Members because of the risks associated with continued litigation and the nature of the defenses raised by the Defendants. Among the reasons that Plaintiffs and Lead Counsel believe the Settlement is fair is the fact that there is uncertainty about whether they will be able to prove that any challenged statement was false or misleading, that the Defendants acted with scienter, that the alleged misstatements and omissions actually caused the Settlement Class any damages, and the amount of damages, if any.

Even if Plaintiffs were to win at trial, and also prevail on any on appeal, Plaintiffs might not be able to collect some, or all, of any judgment they are awarded. Moreover, while litigation of this type is usually expensive, it appears that, even if Plaintiffs' allegations were found to be true, the total amount of damages to which Settlement Class Members would be entitled could be substantially reduced.

5. How do I know if I am part of the Settlement?

The Settlement Class consists of those who purchased the common stock of Caesarstone from February 12, 2014 to August 18, 2015, both dates inclusive. Excluded from the Settlement Class are Defendants, the present and former officers and directors of Caesarstone, members of the immediate family of any Individual Defendant and the legal representatives, heirs, successors and assigns of any of the foregoing, as well as any entity in which Defendants have or had a controlling interest. Also excluded from the Settlement Class are those Persons who submit valid and timely requests for exclusion from the Settlement Class in accordance with the requirements set forth in the Notice.

6. Are there exceptions to being included?

Yes. Excluded from the Settlement Class are (i) Opt-Outs, *i.e.*, those Persons who timely and validly request exclusion from the Settlement Class, and (ii) Defendants, the present and former officers and directors of Caesarstone, and any subsidiary thereof, and the immediate family members, legal representatives, heirs, successors or assigns of such excluded persons and any entity in which any excluded Person has or had a controlling interest.

7. I am still not sure whether I am included.

If you are still not sure whether you are included, you can ask for free help. For more information, you can contact the Claims Administrator, Strategic Claims Services, by phone at (866) 274-4004 or by facsimile at (610) 565-7985, visit the website www.strategicclaims.net, or fill out and return the Proof of Claim and Release Form described in Question 9, to see if you qualify.

8. What does the Settlement provide?

a. What is the Settlement Fund?

The proposed Settlement provides for Defendants' insurers to pay two million two hundred thousand dollars (\$2,200,000) into a settlement fund (the "Settlement Fund"). The Settlement is subject to Court approval. Also, subject to the Court's approval, a portion of the Settlement Fund will be used to pay attorneys' fees and reasonable litigation expenses to Lead Counsel and any award to the Lead Plaintiffs. A portion of the Settlement Fund also will be used to pay taxes due on interest earned by the Settlement Fund, if necessary, and the costs of the claims administration, including the costs of printing and mailing this Notice and the costs of publishing notice. After the foregoing deductions from the Settlement Fund have been made, the amount remaining (the "Net Settlement Fund") will be distributed to Settlement Class Members who submit timely, valid claims, according to the Plan of Allocation to be approved by the Court.

b. What can you expect to receive under the proposed Settlement?

Your share of the Net Settlement Fund will or may depend on: (i) the number of claims filed; (ii) the dates you purchased and sold Caesarstone common stock; (iii) the prices of your purchases and sales; (iv) the amount of administrative costs, including the costs of notice; and (v) the amount awarded by the Court to Lead Counsel for attorneys' fees, costs, and expenses and to Lead Plaintiffs.

The Net Settlement Fund will be distributed to Settlement Class Members who submit a Proof of Claim and Release Form and whose claims for recovery are allowed by the Claims Administrator pursuant to the terms of the Settlement Stipulation or by order of the Court under the below Plan of Allocation ("Authorized Claimants"), which reflects Plaintiffs' contention that, because of the alleged misrepresentations made by Defendants, the price of Caesarstone common stock was artificially inflated during the relevant period and that certain subsequent disclosures caused changes in the inflated price of Caesarstone common stock. Defendants have denied and continue to deny these allegations and any and all allegations of wrongdoing, fault, liability or damage whatsoever asserted in the Actions.

c. What is the Proposed Plan of Allocation of the Net Settlement Fund Among Class Members?

The Plan of Allocation is a matter separate and apart from the proposed Settlement, and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the proposed Settlement. The Court may approve the Plan of Allocation with or without modifications agreed to among the parties, or another plan of allocation, without further notice to Class Members. Any orders regarding a modification of the Plan of Allocation will be posted to the Claims Administrator's website, www.strategicclaims.net.

The Claims Administrator shall determine each Authorized Claimant's *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant's Recognized Claim. **Please Note:** The Recognized Claim formula, set forth below, is not intended to be an estimate of the amount of what a Class Member might have been able to recover after a trial, nor is it an estimate of the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Claim formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants. To the extent there are sufficient funds remaining in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's Recognized Claim. If, however, the Net Settlement Fund is not sufficient to permit payment of the total Recognized Claim of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's Recognized Claim bears to the total Recognized Claims of all Authorized Claimants (*i.e.*, "*pro rata* share"). Payment in this manner shall be deemed conclusive against all Authorized Claimants. No distribution will be made on a claim where the potential distribution amount is less than ten dollars (\$10.00) in cash.

If any of the Net Settlement Fund remains by reason of uncashed checks, or otherwise, after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in the distribution of the Net Settlement Fund cash their distribution checks, then any balance remaining in the Net Settlement Fund six (6) months after the initial distribution of such funds shall be used: (i) first, to pay any amounts mistakenly omitted from the initial distribution to Authorized Claimants or to pay any late, but otherwise valid and fully documented claims received after the cut-off date used to make the initial distribution, provided that such distributions to any late post-distribution claimants meet all of the other criteria for inclusion in the initial distribution, including the \$10.00 minimum check amount set forth in the Notice; (ii) second, to pay any additional Administrative Costs incurred in administering the Settlement; and (iii) finally, to make a second distribution to Authorized Claimants who cashed their checks from the initial distribution and who would receive at least \$10.00 from such second distribution, after payment of the estimated costs or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. If six (6) months after such second distribution, if undertaken, or if such second distribution is not undertaken, and if any funds shall remain in the Net Settlement Fund after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in this Settlement cash their checks, then any funds remaining in the Net Settlement Fund shall be donated to a non-profit 501(c)(3) organization(s) selected by Plaintiff's Lead Counsel.

The following shall be the basis for calculating your Recognized Claim: Each Authorized Claimant shall be allocated a *pro rata* share of the Net Settlement Fund based on his, her or its Recognized Claim as compared to the total Recognized Claims of all Authorized Claimants.

(1) Recognized Claim Calculation of Common Stock Purchased During the Class Period:

(A) For Common Stock Purchased During the Period Between March 13, 2015 and August 18, 2015, inclusive:

- (i) For shares retained at the end of trading on November 16, 2015, the Recognized Claim shall be the lesser of:
 - (1) \$3.20 per share; or
 - (2) the difference between the purchase price per share and \$37.58 per share.¹

¹ Pursuant to Section 21(D)(e)(1) of the Private Securities Litigation Reform Act of 1995, "in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the

- (ii) For shares sold between March 13, 2015 and August 18, 2015, inclusive, the Recognized Claim shall be zero.
 - (iii) For shares sold between August 19, 2015 and November 16, 2015, inclusive, the Recognized Claim shall be the lesser of:
 - (1) \$3.20 per share; or
 - (2) the difference between the purchase price per share and the average closing stock price as of the date of sale provided in Table A below.
- (B) For Common Stock Purchased During the Period Between February 12, 2014 and March 12, 2015, inclusive:**
- (i) For shares retained at the end of trading on November 16, 2015, the Recognized Claim shall be the lesser of 10% of:
 - (1) \$3.20 per share; or
 - (2) the difference between the purchase price per share and \$37.58 per share.
 - (ii) For shares sold between February 12, 2014 and August 18, 2015, inclusive, the Recognized Claim shall be zero.
 - (iii) For shares sold between August 19, 2015 and November 16, 2015, inclusive, the Recognized Claim shall be the lesser of 10% of:
 - (1) \$3.20 per share; or
 - (2) the difference between the purchase price per share and the average closing stock price as of the date of sale provided in Table A below.

For purposes of calculating your Recognized Claim, the date of purchase, acquisition or sale is the “contract” or “trade” date and not the “settlement” or “payment” date. The receipt or grant by gift, inheritance or operation of law of Caesarstone common stock shall not be deemed a purchase, acquisition or sale of Caesarstone common stock for the calculation of an Authorized Claimant’s Recognized Claim.

For purposes of calculating your Recognized Claim, all purchases, acquisitions and sales shall be matched on a First In First Out (“FIFO”) basis in chronological order. Therefore, on the Proof of Claim enclosed with this Notice, you must provide all of your purchases, acquisitions and sales of Caesarstone common stock during the time period from February 12, 2014 through November 16, 2015, inclusive. The total maximum payout amount allocated to Authorized Claimants who purchased during the period February 12, 2014 through March 12, 2015, inclusive, shall not exceed 10% of the Net Settlement Fund.

Payment pursuant to the Plan of Allocation approved by the Court shall be conclusive against all Authorized Claimants. No person shall have any claim against Defendants, Defendants’ counsel, Plaintiff, Lead Counsel or the Claims Administrator or other agent designated by Lead Counsel based on the distributions made substantially in accordance with the Settlement Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. Each claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the claimant’s Proof of Claim form. All persons involved in the review, verification, calculation, tabulation, or any other aspect of the processing of the claims submitted in connection with the Settlement, or otherwise involved in the administration or taxation of the Settlement Fund or the Net Settlement Fund shall be released and discharged from any and all claims arising out of such involvement, and all Class

plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated." \$37.58 per share was the mean (average) daily closing trading price of Caesarstone’s common stock during the 90-day period beginning on August 19, 2015 and ending on November 16, 2015.

Members, whether or not they are to receive payment from the Net Settlement Fund, will be barred from making any further claim against the Net Settlement Fund beyond the amount allocated to them as provided in any distribution orders entered by the Court.

(2) Are there any further limitations on the amount I may receive?

- (A)** Transactions during the Class Period resulting in a gain shall be netted against the Class Member’s transactions resulting in a loss to arrive at the Recognized Claim.
- (B)** Any Class Members whose collective transactions in Caesarstone common stock during the Class Period resulted in a net gain shall not be entitled to share in the Net Settlement Fund.
- (C)** The purchase and sales prices exclude any brokerage commissions, transfer taxes or other fees.
- (D)** The covering purchase of a short sale is not an eligible purchase. Gifts and transfers are not eligible purchases.

You may also obtain a Proof of Claim and Release Form on the Internet at www.strategicclaims.net. Read the instructions carefully, fill out the form, sign it in the location indicated, and mail the claim form together with all documentation requested in the form, postmarked no later than September 15, 2017, to the Claims Administrator:

The Claims Administrator will process your claim and determine whether you are an Authorized Claimant.

10. What am I giving up to get a payment or stay in the Class?

Unless you exclude yourself from the Settlement Class by the July 17, 2017 deadline, you will remain a member of the Settlement Class and will be bound by the release of claims against the Defendants and other Released Parties if the Settlement is approved. That means you and all other Settlement Class Members and each of their respective parent entities, associates, affiliates, subsidiaries, predecessors, successors, assigns, attorneys, immediate family members, heirs, representatives, administrators, executors, devisees, legatees, and estates will release (agreeing never to sue, continue to sue, or be part of any other lawsuit) as against the Defendants and other Released Parties any and all claims which arise out of, are based upon or relate in any way to the purchase or acquisition of Caesarstone common stock during the Settlement Class Period. It means that all of the Court’s orders will apply to you and legally bind you. That means you will accept a share of the Net Settlement Fund as sole compensation for any losses you suffered in the purchase, acquisitions, sale or ownership of Caesarstone common stock during the Settlement Class Period. The specific terms of the release are included in the Settlement Stipulation.

11. How do I get out of the Settlement?

If you do not want to receive a payment from this Settlement, and you want to keep any right you may have to sue or continue to sue Defendants or other Released Parties on your own regarding the claims being released in this Settlement, then you must take steps to exclude yourself from the Settlement. To

exclude yourself from the Settlement, you must mail a letter that (A) clearly indicates your name, address, phone number and e-mail contact information (if any) and states that you “request to be excluded from the Settlement Class in *Tapia-Matos v. Caesarstone, Ltd. et al.*, 1:15-cv-6726 (S.D.N.Y.)”; (B) states the date, number of shares and dollar amount of each Caesarstone common stock purchase or acquisition during the Settlement Class Period, and any sale transactions; and (C) the number of shares of Caesarstone common stock held by you as of August 18, 2015. In order to be valid, such request for exclusion must be submitted with documentary proof (i) of each purchase and, if applicable, sale transaction of Caesarstone common stock during the Settlement Class Period and (ii) demonstrating your status as a beneficial owner of the Caesarstone common stock. Any such request for exclusion must be signed and submitted by you, as the beneficial owner, under penalty of perjury. You must mail your exclusion request, to be received no later than July 17, 2017, to the Claims Administrator at the following address:

Caesarstone, Ltd. Litigation
c/o Strategic Claims Services
600 N. Jackson St., Ste. 3
P.O. Box 230
Media, PA 19063

You cannot exclude yourself by telephone or by e-mail.

If you properly exclude yourself, you will not receive a payment from the Net Settlement Fund, you cannot object to the Settlement, and you will not be legally bound by the judgment in this case.

12. If I do not exclude myself, can I sue the Defendants or the other Released Parties for the same thing later?

No. Unless you followed the procedure outlined in the Notice to exclude yourself, you give up any right to sue the Defendants or other Released Parties for the claims being released in this Settlement. If you have a pending lawsuit related to any Released Claims, speak to your lawyer in that case immediately, since you must exclude yourself from this Settlement Class to continue your own lawsuit.

13. Do I have a lawyer in this case?

The Court appointed The Rosen Law Firm, P.A. and Pomerantz LLP as Co-Lead Counsel, to represent you and the other Settlement Class Members. If you want to be represented by your own lawyer, you may hire one at your own expense. Contact information for The Rosen Law Firm, P.A. and Pomerantz LLP is provided below.

14. How will the lawyers be paid?

Lead Counsel have expended considerable time litigating this action on a contingent fee basis, and have paid for the expenses of the case themselves. They have not been paid attorneys’ fees or reimbursed for their expenses in advance of this Settlement. Lead Counsel have done so with the expectation that, if they are successful in recovering money for the Settlement Class, they will receive attorneys’ fees and be reimbursed for their litigation expenses from the Settlement Fund, as is customary in this type of litigation. Lead Counsel will not receive attorneys’ fees or be reimbursed for their litigation expenses except from the Settlement Fund. Therefore, Lead Counsel will file a motion asking the Court at the Settlement Hearing to make an award of attorneys’ fees in an amount not to exceed thirty percent of the Settlement, or \$660,000.00, for reimbursement of reasonable litigation expenses not to exceed \$175,000.00 and an award to Lead Plaintiffs in an amount not to exceed \$15,000.00 in total, or \$5,000.00 each. The Court may award less than these amounts. Any amounts awarded by the Court will come out of the Settlement Fund.

15. How do I tell the Court that I do not like the Settlement?

You can tell the Court you do not agree with the Settlement, any part of the Settlement, Lead Counsel’s motion for attorneys’ fees and expenses and application for an award to Lead Plaintiffs, and that you think the Court should not approve the Settlement, by mailing a letter stating that you object to the Settlement in the matter of *Tapia-Matos v. Caesarstone, Ltd. et al.*, 1:15-cv-6726 (S.D.N.Y.). Be sure to include (1) your name, address, and telephone number, (2) a list of all purchases and sales of Caesarstone common stock during the Settlement Class Period in order to show membership in the Settlement Class, (3) all grounds for the objection, including any legal support known to you or your counsel, (4) the name, address and telephone number of all counsel, if any, who represent you, including your former or current counsel who may be entitled to compensation in connection with the objection, and (5) the number of times you and/or your counsel has filed an objection to a class action settlement in the last five years, the nature of each such objection in each case, the jurisdiction in each case, and the name of the issuer of the security or seller of the product or service at issue in each case. Attendance at the Settlement Hearing is not necessary. Objectors wishing to be heard orally at the Settlement Hearing are required to indicate in their written objection (or in a separate writing that is submitted in accordance with the deadline and after instruction pertinent to the submission of a written objection) that they intend to appear at the Settlement Hearing and identify any witnesses they may call to testify or exhibits they intend to introduce into evidence at the Settlement Hearing. Be sure to serve copies of any objections, papers and briefs to **each** of the addresses listed below, to be received no later than July 28, 2017:

Clerk of the Court United States District Court Southern District of New York 500 Pearl Street New York, New York 10007	LEAD COUNSEL: Jacob A. Goldberg, Esq. Gonen Haklay, Esq. 16. What is the difference between objecting and requesting exclusion?

Objecting is simply telling the Court you do not like something about the Settlement or some portion thereof. You can object only if you stay in the Settlement Class. Requesting exclusion is telling the Court you do not want to be part of the Settlement Class and Settlement. If you exclude yourself, you cannot object to the Settlement because it no longer concerns you. If you stay in the Settlement Class and object, but your objection is overruled, you will not be allowed a second opportunity to exclude yourself.

17. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Settlement Hearing on August 14, 2017, at 3:30 p.m., at the United States District Court, Southern District of New York, 40 Foley Square, Courtroom 1105, New York, New York 10007.

At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate and whether to approve the Settlement. If there are objections, the Court will consider them, and the Court

will listen to people who have asked to speak at the hearing. The Court may also decide how much to pay Lead Counsel for attorneys' fees and expenses and how much to award Lead Plaintiffs.

18. Do I have to come to the hearing?

No. Lead Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mail your written objection on time, the Court will consider it.

19. What happens if I do nothing at all?

If you do nothing, you will not receive a payment from the Settlement. However, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants or the Released Parties about the Released Claims (as defined in the Settlement Stipulation) ever again.
