NANCY LIN, Individually and on Behalf of
All Others Similarly Situated,

Plaintiff,

v.

LIBERTY HEALTH SCIENCES
INC., GEORGE SCORSIS, RENE
GULLIVER, and VIC NEUFELD

Defendants.

Case No. 1:19-cv-00161

NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION

If you purchased or otherwise acquired common stock of Liberty Health Sciences, Inc. on the over-the-counter market in the United States (“Shares” or, in singular, “Share”) between July 20, 2017 and December 6, 2018, both dates inclusive (the “Settlement Class Period”), you could get a payment from a proposed class action settlement (the “Settlement”).

A federal court authorized this Notice. This is not attorney advertising.

- The Court will hold a Settlement Hearing on November 15, 2021 at 11:00 a.m. to decide whether to approve the Settlement. If approved by the Court, the Settlement will provide \$1,800,000 (the “Settlement Amount”), plus interest as it accrues, minus attorneys’ fees, costs, Compensatory Award to Plaintiffs and administrative expenses, net of any taxes on interest, to pay claims of investors who purchased Liberty Shares during the Settlement Class Period.
- The Settlement represents an average recovery of \$.019 per Liberty share for the approximately 94.6 million estimated Liberty Shares that Plaintiffs allege were damaged and declined in value as a result of Defendants’ alleged misconduct during the Settlement Class Period. These estimates solely reflect the average recovery per allegedly damaged share. This is not an estimate of the actual recovery per share you should expect. Your actual recovery will depend on the aggregate losses of all Settlement Class Members, the date(s) you purchased and sold Liberty Shares, and the total number of claims filed. See the Plan of Allocation starting on page 9 below for more details.
- To claim your share of the Settlement, you must submit a valid Proof of Claim and Release Form (“Proof of Claim”) by November 22, 2021.
- Attorneys for Plaintiffs (“Lead Counsel”) intend to ask the Court to award them fees of up to one-third (33.333%) of the Settlement Amount (\$600,000) plus interest and reimbursement of up to \$35,000 in litigation expenses. Since the Action’s inception, Lead Counsel have expended considerable time and effort in this litigation on a contingent-fee basis and have advanced the expenses of the litigation in the expectation that if they were successful in obtaining a recovery for the Settlement Class, they would be paid from such recovery. Lead Counsel also intends to ask the Court to grant a Compensatory Award to Plaintiffs collectively not to exceed \$8,000 (or \$5,000 for Lead Plaintiff Nancy Lin and \$3,000 for Plaintiff Gilbert Lee Silverbird). Collectively, the requested attorneys’ fees, litigation expenses and Compensatory Award to Plaintiffs are estimated to average

\$.007 per allegedly damaged Share. If approved by the Court, these amounts will be paid from the Settlement Fund.

- The estimated average recovery, after the deductions set forth in the preceding paragraph, is \$.012 per allegedly damaged Liberty Share. This estimate is based on the assumptions set forth in the preceding paragraph. Your actual recovery, if any, will depend on the aggregate losses of all Settlement Class Members, the date(s) you purchased and sold Liberty Shares, the purchase and sales prices, and the total number and amount of claims filed.
- The Settlement resolves the Action concerning whether Liberty Health Sciences, Inc. (“Liberty”), Rene Gulliver, Vic Neufeld, and George Scorsis (collectively, “Defendants”) violated federal securities laws by allegedly making misrepresentations and/or omissions of material fact in public statements to the investing public concerning Liberty’s relationship with Aphria Inc. and its acquisition of certain property in Florida. Defendants have denied and continue to deny each, any, and all allegations of wrongdoing, fault, liability, or damage whatsoever asserted by Plaintiffs. Defendants have also denied, *inter alia*, the allegations that Plaintiffs or the Settlement Class have suffered damages or that Plaintiffs or the Settlement Class were harmed by the conduct alleged in the Action. Defendants continue to believe the claims asserted against them in the Action are without merit.
- The parties disagree on how much money could have been won if the investors won at trial in the Action.
- Your legal rights will be affected whether you act or do not act. If you do not act, you may permanently forfeit your right to recover on this claim. Therefore, you should read this Notice carefully.

DEFINITIONS

All capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Stipulation of Settlement, dated January 8, 2021 (the “Settlement Stipulation”).

BASIC INFORMATION CONCERNING THE SETTLEMENT

1. Why did I get this notice package?

You or someone in your family may have purchased or otherwise acquired common stock of Liberty on the over-the-counter market in the United States between July 20, 2017 and December 6, 2018, both dates inclusive (the “Settlement Class Period”).

2. What is this settlement about?

This settlement resolves the case known as *Lin v. Liberty Health Sciences, et al.*, 1:19-cv-00161-MKV-SLC (S.D.N.Y.) (the “Action”). The Court in charge of the case is the United States District Court for the Southern District of New York. The Action involves allegations that Defendants violated provisions of the Securities Exchange Act of 1934 (“Exchange Act”) by allegedly making misrepresentations and/or omissions of material fact in public statements to the investing public regarding concerning Liberty’s relationship with Aphria Inc. and its acquisition of certain property in Florida. Defendants have denied and continue to deny each, any and all allegations of wrongdoing, fault, liability or damage whatsoever asserted in the Action. The Settlement shall in no event be construed as, or deemed to be evidence of, liability, fault, wrongdoing, injury or damages, or of any wrongful conduct, acts or omissions on the part of Defendants or any of the Released Parties, or of any infirmity of any defense, or of any damages to the Plaintiffs or any other Settlement Class Member. The Settlement resolves all of the claims in the Action, as well as certain other claims or potential claims, whether known or unknown.

3. Why is this a class action?

In a class action, one or more persons called plaintiffs sue on behalf of all persons who have similar claims. All of the persons with similar claims are referred to as a class. One court resolves the issues for all class members, except for those who exclude themselves from the class.

4. Why is there a settlement?

Plaintiffs and Defendants do not agree regarding the merits of Plaintiffs’ allegations and Liberty’s defenses with respect to liability or the average amount of damages per Liberty Share, if any, that would be recoverable if Plaintiffs were to prevail at trial on each claim. The issues on which Plaintiffs and Defendants disagree include: (1) whether this Court has jurisdiction over Defendants; (2) whether the S.D.N.Y. is the proper venue to pursue Plaintiffs’ claims; (3) whether the challenged statements were materially false or misleading or otherwise actionable under federal securities law; (4) whether Defendants had a duty to disclose the allegedly omitted information; (5) whether the Defendants acted with scienter; (6) whether the

alleged disclosures were corrective disclosures; (7) the causes of the loss in the value of Liberty Shares; and (8) the amount of alleged damages, if any, that could be recovered at trial.

This matter has not gone to trial and the Court has not decided in favor of either Plaintiffs or Defendants. Instead, Plaintiffs and Defendants have agreed to settle the case. Plaintiffs and Lead Counsel believe the Settlement is best for all Settlement Class Members because of the risks associated with continued litigation and the nature of the defenses raised by Defendants. Among the reasons that Plaintiffs and Lead Counsel believe the Settlement is fair is the fact that there is uncertainty about whether they will be able to prove that any challenged statement was false or misleading, that the alleged misstatements and omissions actually caused the Settlement Class any damages, and the amount of damages, if any.

Moreover, while litigation of this type is usually expensive, it appears that, even if Plaintiffs' allegations were found to be true, the total amount of damages to which Settlement Class Members would be entitled could be substantially reduced.

WHO IS IN THE SETTLEMENT

To see if you will get money from this Settlement, you first have to determine if you are a Settlement Class Member.

5. How do I know if I am part of the Settlement?

The Settlement Class includes all persons or entities, except those who are excluded as described below, who purchased or otherwise acquired Liberty Shares on the over-the-counter market in the United States between July 20, 2017 and December 6, 2018, both dates inclusive.

If one of your mutual funds owns Liberty Shares, that alone does not make you a Settlement Class Member. Also, if you sold Liberty Shares during the Settlement Class Period, that alone does not make you a Settlement Class Member. You are a Settlement Class Member only if you directly purchased or otherwise acquired Liberty Shares on the over-the-counter market in the United States during the Settlement Class Period. Contact your broker to see if you have made any of these transactions.

6. Are there exceptions to being included?

Yes. Excluded from the Settlement Class are (i) all named Defendants in the Litigation, the present and former officers and directors of Liberty and any subsidiary thereof, and the immediate family members, legal representatives, heirs, successors or assigns of such excluded persons and any entity in which any such excluded person has or had a controlling interest during the Settlement Class Period; (ii) Opt-Outs *i.e.*, those Persons who timely and validly request exclusion from the Settlement Class in accordance with the requirements set forth below; and (iii) Persons who have no compensable damages.

7. What if I am still not sure if I am included?

If you are still not sure whether you are included, you can ask for free help. You can contact Strategic Claims Services (the "Claims Administrator") toll-free at (866) 274-4004 or at info@strategicclaims.net or by visiting the website at <https://www.strategicclaims.net/Liberty/>, or you can fill out and return the Proof of Claim form enclosed with this Notice package to see if you qualify.

THE SETTLEMENT BENEFITS – WHAT YOU GET

8. What does the Settlement provide?

The proposed Settlement provides for Liberty to pay \$1,800,000 into a settlement fund (the "Settlement Fund"). The Settlement is subject to Court approval. Also, subject to the Court's approval, a portion of the Settlement Fund will be used to pay attorneys' fees with interest and reasonable litigation expenses to Lead Counsel, and Compensatory Awards to Plaintiffs. A portion of the Settlement Fund also will be used to pay taxes due on interest earned by the Settlement Fund, if necessary, and the costs of the claims administration, including the costs of printing and mailing this Notice and the costs of publishing notice. After the foregoing deductions from the Settlement Fund have been made, the amount remaining (the "Net Settlement Fund")

will be distributed to Settlement Class Members who submit timely, valid claims, according to the Plan of Allocation to be approved by the Court (“Authorized Claimants”).

9. How much will my payment be?

Your share of the Net Settlement Fund will depend on several factors, including: (i) how many Liberty Shares you purchased or sold during the Settlement Class Period, and the dates and prices of those purchases and sales; (ii) the number of timely and valid claims submitted by other Settlement Class Members, and the purchases and sales of Liberty Shares represented by those claims; (iii) the amount of administrative costs, including the costs of notice; and (iv) the amount awarded by the Court to Lead Counsel for attorneys’ fees, costs, and expenses and Compensatory Awards to Plaintiffs.

The Claims Administrator will determine each Settlement Class Member’s *pro rata* share of the Net Settlement Fund based upon each Settlement Class Member’s valid “Recognized Loss.” The Recognized Loss formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Settlement Class Members with valid claims. The Recognized Loss formula is not intended to be an estimate of the amount that a Settlement Class Member might have been able to recover after a trial; it also is not an estimate of the amount that will be paid to Settlement Class Members pursuant to the Settlement. You can calculate your Recognized Loss by following the instructions in the Plan of Allocation starting at page 9 of this Notice.

It is unlikely that you will get a payment for all of your Recognized Loss. After all Settlement Class Members have sent in their Proof of Claim forms, the payment you get will be a part of the Net Settlement Fund equal to your Recognized Loss divided by the total of everyone’s Recognized Losses.

HOW YOU GET A PAYMENT—SUBMITTING A CLAIM FORM

10. How can I get a payment?

To qualify for a payment, you must submit a Proof of Claim form. The Claims Administrator will process your claim and determine whether you are an Authorized Claimant.

A Proof of Claim form is enclosed with this Notice and may also be downloaded at <https://www.strategicclaims.net/Liberty/>. Read the instructions carefully, fill out the form, include all the documents that the form requests, sign it, and mail or submit it online so that it is postmarked or received no later than November 22, 2021. The claim form may be submitted online at <https://www.strategicclaims.net/Liberty/> or mailed to:

P. O. Box 230
Media, PA 19063
Fax: (610) 565-7985
info@strategicclaims.net

11. When would I get my payment?

The Court will hold a Settlement Hearing on November 15, 2021 at 11:00 a.m. to decide whether to approve the Settlement. If the Court approves the Settlement, there might be appeals afterwards. It is always uncertain whether these appeals can be resolved, and resolving them can take time, perhaps more than a year. It also takes time for all the Proofs of Claim to be processed. Please be patient.

12. What am I giving up to get a payment or to stay in the Settlement Class?

Unless you exclude yourself from the Settlement Class by the October 25, 2021 deadline, you will remain a member of the Settlement Class and will be bound by the release of claims against Defendants and other Released Parties if the Settlement is approved. That means you and all other Settlement Class Members and each of their respective present, former and future direct and indirect parent entities, associates, affiliates, subsidiaries, predecessors, successors, and the officers, directors, attorneys, assigns, legal representatives,

and agents of each of them, each of their respective officers, directors, attorneys, legal representatives, and agents, and any person or entity which is or was related to or affiliated with any Releasing Party or in which any Releasing Party has a controlling interest, and each of their immediate family members, heirs, representatives, administrators, executors, trustees, successors, assigns, devisees, legatees, and estates will release (agreeing never to sue, continue to sue, or be part of any other lawsuit) as against Defendants and other Released Parties any and all claims which arise out of, are based upon or relate in any way to the purchase or acquisition of Liberty Shares during the Settlement Class Period. It means that all of the Court's orders will apply to you and legally bind you. That means you will accept a share of the Net Settlement Fund as sole compensation for any losses you suffered in the purchase, acquisitions, sale or ownership of Liberty Shares during the Settlement Class Period. The specific terms of the release are included in the Settlement Stipulation.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want a payment from this Settlement, and you want to keep any right you may have to sue or continue to sue Defendants or other Released Parties on your own about the claims being released in this Settlement, then you must take steps to remove yourself from the Settlement. This is called excluding yourself, or "opting out," from the Settlement.

13. How do I get out of the proposed Settlement?

To exclude yourself from the Settlement, you must mail a letter stating that you "request exclusion from the Settlement Class in the *Lin v. Liberty Health Sciences, et al.*, 1:19-cv-00161-MKV-SLC (S.D.N.Y.)". To be valid, the letter must state (A) your name, address, telephone number, and e-mail address (if any); (B) the date, number of securities, and dollar amount of all purchases, acquisitions, sales, or dispositions of Liberty Shares on the over-the-counter market in the United States during the Settlement Class Period; and (C) the number of Shares held by you as of December 6, 2018. In order to be valid, such request for exclusion must be submitted with documentary proof (i) of each purchase or acquisition and, if applicable, sale transaction of Liberty Shares during the Settlement Class Period and (ii) demonstrating your status as a beneficial owner of the Liberty Shares. Any request for exclusion must be signed and submitted by you, as the beneficial owner, under penalty of perjury. You must submit your exclusion request so that it is **received no later than October 25, 2021** at:

Liberty Securities Litigation
c/o Strategic Claims Services
600 N. Jackson St., Suite 205
P.O. Box 230
Media, PA 19063

You cannot exclude yourself by telephone or by e-mail. If you properly exclude yourself, you will not receive a payment from the Net Settlement Fund, you cannot object to the Settlement, and you will not be legally bound by the judgment in this case.

14. If I do not exclude myself, can I sue the Defendants or the other Released Parties for the same thing later?

No. Unless you exclude yourself by following the instructions above, you give up any rights to sue the Defendants or the other Released Parties for the claims being released in this Settlement. If you have a pending lawsuit against the Released Parties or related to any Released Claims, speak to your lawyer in that case immediately, since you must exclude yourself from this Settlement Class to continue your own lawsuit. Remember, the exclusion deadline is **October 25, 2021**.

15. If I exclude myself, can I get money from the proposed Settlement?

No. If you exclude yourself, you may not send in a Proof of Claim to ask for any money.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

The Court has appointed Pomerantz LLP as Lead Counsel to the Class, to represent you and the other Settlement Class Members. If you want to be represented by your own lawyer, you may hire one at your own expense. Contact information for Pomerantz LLP is provided above.

17. How will the lawyers be paid?

Lead Counsel have expended considerable time litigating this Action on a contingent-fee basis, and have paid for the expenses of the case themselves. They have not been paid attorneys' fees or reimbursed for their expenses in advance of this Settlement. Lead Counsel have done so with the expectation that, if they are successful in recovering money for the Settlement Class, they will receive attorneys' fees and be reimbursed for their litigation expenses from the Settlement Fund, as is customary in this type of litigation. Lead Counsel will not receive attorneys' fees or be reimbursed for their litigation expenses except from the Settlement Fund. Therefore, Lead Counsel will file a motion at the Settlement Hearing asking the Court for an award of attorneys' fees in an amount not greater than one-third (33.333%) of the Settlement Fund, equaling \$600,000 plus interest, plus reimbursement of litigation expenses of no more than \$35,000 and a Compensatory Award to Lead Plaintiffs collectively not to exceed \$8,000 (or \$5,000 to Lead Plaintiff Nancy Lin and \$3,000 to Plaintiff Gilbert Lee Silverbird). Lead Counsel intends to share part of any attorneys' fees awarded by the Court with Bronstein Gewirtz & Grossman, LLC in accordance with its level of contribution to the initiation, prosecution, and resolution of the Action. The Court may award less than these amounts. Any amounts awarded by the Court will come out of the Settlement Fund.

OBJECTING TO THE SETTLEMENT

18. How do I tell the Court that I object to the proposed Settlement?

If you are a Settlement Class Member, you can tell the Court you do not agree with the proposed Settlement, any part of the Settlement, the proposed Plan of Allocation, and/or Lead Counsel's motion for attorneys' fees and expenses and application for a Compensatory Award to Lead Plaintiffs. You can write to the Court setting out your objection. The Court will consider your views.

To object, you must send a signed letter saying that you object to the proposed Settlement in *Lin v. Liberty Health Sciences, et al.*, 1:19-cv-00161-MKV-SLC (S.D.N.Y.). Be sure to include (1) your name, address, telephone number, and your signature; (2) the date(s), price(s), and amount(s) of all Liberty Shares that you purchased, otherwise acquired, sold, or otherwise disposed of during the Settlement Class Period, in order to show membership in the Settlement Class; (3) all grounds for the objection, including any legal support known to you or your counsel, (4) the name, address and telephone number of all counsel, if any, who represent you, including your former or current counsel who may be entitled to compensation in connection with the objection, and (5) the number of times you and/or your counsel has filed an objection to a class action settlement in the last five years, the nature of each such objection in each case, the jurisdiction in each case, and the name of the issuer of the security or seller of the product or service at issue in each case.

If you object to either the Settlement or the requested reimbursement of expenses, you subject yourself to the jurisdiction of the District Court in this matter and consent to being deposed in your district of residence and producing in advance of a deposition any responsive documents to a discovery request prior to the Settlement Hearing.

Attendance at the Settlement Hearing is not necessary. Objectors wishing to be heard orally at the Settlement Hearing must indicate in their written objection that they intend to appear at the Settlement Hearing and identify any witnesses they may call to testify or exhibits they intend to introduce into evidence at the Settlement Hearing.

Be sure to mail or deliver copies of any objections, papers and briefs to **each** of the addresses listed below such that they are **received no later than October 25, 2021**:

Clerk of the Court United States District Court Southern District of New York 500 Pearl Street New York, NY 10007	Lead Counsel Jeremy A. --	---	--

19. What is the difference between objecting and excluding myself?

Objecting is simply telling the Court you do not like something about the Settlement or some portion thereof. You can object only if you stay in the Settlement Class. Requesting exclusion is telling the Court you do not want to be part of the Settlement Class or the Settlement. If you exclude yourself, you cannot object to the Settlement because it no longer concerns you. If you stay in the Settlement Class and object, but your objection is overruled, you will not be allowed a second opportunity to exclude yourself.

THE COURT’S SETTLEMENT HEARING

The Court will hold a hearing to decide whether to approve the proposed Settlement. You may attend, and you may ask to speak, but you do not have to.

20. When and where will the Court decide whether to approve the proposed Settlement?

The Court will hold a Settlement Hearing on November 15, 2021 at 11:00 a.m. at the United States District Court for the Southern District of New York, Daniel Patrick Moynihan United States Courthouse, 500 Pearl St., Courtroom 18C, New York, NY 10007-1312.

At this hearing, the Court will consider whether the proposed Settlement is fair, reasonable, and adequate and should be approved by the Court; whether an Order and Final Judgment as provided in the Settlement Stipulation should be entered; and whether the proposed Plan of Allocation should be approved. If there are objections, the Court will consider them, and the Court will listen to people who have asked to speak at the hearing. The Court may also decide how much should be awarded to Lead Counsel for attorneys’ fees and expenses and a Compensatory Award to Plaintiffs for their service to the Settlement Class.

We do not know how long these decisions will take. You should be aware that the Court may change the date and time of the Settlement Hearing without another notice being sent to Settlement Class Members. If you want to attend the hearing, you should check with Lead Counsel beforehand to be sure that the date and/or time has not changed.

21. Do I have to come to the hearing?

No. Lead Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mail your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary. Settlement Class Members do not need to appear at the hearing or take any other action to indicate their approval.

22. May I speak at the hearing?

If you object to the Settlement, you may ask the Court for permission to speak at the Settlement Hearing. To do so, you must include with your objection (see question 18 above) a statement that you “intend to appear in *Lin v. Liberty Health Sciences, et al.*, 1:19-cv-00161-MKV-SLC (S.D.N.Y.)” Persons who intend to object to the Settlement, the Plan of Allocation, and/or the application for an award of attorneys’ fees, costs, and expenses, and desire to present evidence at the Settlement Hearing, must include in their written objections the identity of any witnesses they may call to testify and exhibits they intend to introduce into evidence at the Settlement Hearing. You cannot speak at the hearing if you exclude yourself.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you will not receive a payment from the Settlement. However, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants or the Released Parties about the Released Claims (as defined in the Settlement Stipulation) ever again.

GETTING MORE INFORMATION

24. Are there more details about the proposed Settlement?

This Notice summarizes the proposed Settlement. More details are in the Settlement Stipulation. The Settlement Stipulation is the controlling document describing the proposed Settlement, and its terms govern anything to the contrary in this Notice. You can get a copy of the Settlement Stipulation and obtain answers to common questions regarding the proposed Settlement by visiting <https://www.strategicclaims.net/Liberty/> or by contacting the Claims Administrator toll-free at (866) 274-4004.

25. How do I get more information?

For even more detailed information concerning the matters involved in this Action, see the Settlement Stipulation, the pleadings in the Action, the papers filed in support of the Settlement, and the orders entered by the Court, which will be posted on the settlement website <https://www.strategicclaims.net/Liberty/>. For a fee, all papers filed in this Action are also available at www.pacer.gov.

PROPOSED PLAN OF ALLOCATION OF NET SETTLEMENT FUND AMONG SETTLEMENT CLASS

The Plan of Allocation is a matter separate and apart from the proposed Settlement, and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the proposed Settlement. The Court may approve the Plan of Allocation with or without modifications agreed to among the parties, or may approve another plan of allocation, without further notice to Settlement Class Members. Any orders regarding a modification of the Plan of Allocation will be posted to the Claims Administrator's website, www.strategicclaims.net/Liberty/.

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants based on their respective alleged economic losses as a result of the alleged fraud, as opposed to losses caused by market- or industry-wide factors, or Liberty-specific factors unrelated to the alleged fraud. The Claims Administrator shall determine each Authorized Claimant's share of the Net Settlement Fund based upon the Recognized Loss formulas described below. A Recognized Loss will be calculated for each Liberty Share purchased or otherwise acquired during the Settlement Class Period. The calculation of Recognized Loss will depend upon several factors, including when the Shares were purchased or otherwise acquired during the Settlement Class Period, and in what amounts, and whether those Shares were sold, and if sold, when they were sold, and for what amounts. The Recognized Loss is not intended to estimate the amount a Settlement Class Member might have been able to recover after a trial, nor to estimate the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants. The Claims Administrator will use its best efforts to administer and distribute the Net Settlement Fund to the extent that it is equitably and economically feasible.

The Plan of Allocation was created by Plaintiffs with the assistance of the Claims Administrator, and reflects the assumption that the price of Liberty Shares was artificially inflated throughout the Settlement Class Period. Defendants had no role in calculating the estimated alleged artificial inflation, and do not concede that any such artificial inflation existed. The estimated alleged artificial inflation in the price of the Shares during the Settlement Class Period is reflected in Table A below. The computation of the estimated alleged artificial inflation in the price of the Shares during the Settlement Class Period is based on certain misrepresentations alleged by Plaintiffs and the price change in the Shares, net of market- and industry-wide

factors, in reaction to the public announcements that allegedly corrected the misrepresentations alleged by Plaintiffs.

Federal securities laws allow investors to recover for losses caused by disclosures which corrected the defendants' previous misleading statements or omissions. Thus, in order to have been damaged by the alleged violations of the federal securities laws, Liberty Shares purchased or otherwise acquired on the over-the-counter market in the U.S. during the Settlement Class Period must have been held during a period of time in which the price of the Shares declined due to the disclosure of information which corrected an allegedly misleading statement or omission. Plaintiffs and Lead Counsel have determined the alleged corrective disclosure dates of December 3, 2018 and December 6, 2018: (the "Corrective Disclosure Dates"). Accordingly, if a Liberty Share was sold before December 3, 2018 (the earliest Corrective Disclosure Date), the Recognized Loss for that Share is \$0.00, and any loss suffered is not compensable under the federal securities laws. Likewise, if a Liberty Share was both purchased and sold between two consecutive Corrective Disclosure Dates, the Recognized Loss for that Share is \$0.00.

The "90-day look back" provision of the Private Securities Litigation Reform Act of 1995 ("PSLRA") is incorporated into the calculation of the Recognized Loss for the Shares. The limitations on the calculation of the Recognized Loss imposed by the PSLRA are applied such that losses on Shares purchased during the Settlement Class Period and held as of the close of the 90-day period subsequent to the Settlement Class Period (the "90-Day Lookback Period") cannot exceed the difference between the purchase price paid for such Shares and the average price of the Shares during the 90-Day Lookback Period. The Recognized Loss on Liberty Shares purchased during the Settlement Class Period and sold during the 90-Day Lookback Period cannot exceed the difference between the purchase price paid for such Shares and the rolling average price of the Shares during the portion of the 90-Day Lookback Period elapsed as of the date of sale.

In the calculations below, all purchase and sale prices shall exclude any fees, taxes and commissions. If a Recognized Loss amount is calculated to be a negative number, that Recognized Loss shall be set to zero (\$0.00). Any transactions in Liberty Shares executed outside of regular trading hours for the U.S. financial markets shall be deemed to have occurred during the next regular trading session.

THE BASIS FOR CALCULATING YOUR RECOGNIZED LOSS PER LIBERTY SHARE:

Recognized Loss for Liberty Shares Purchased or Otherwise Acquired on the Over-the-Counter Market in the U.S. During the Settlement Class Period will be calculated as follows:

- (A) For Liberty Shares purchased or otherwise acquired during the Settlement Class Period and sold during the Settlement Class Period, the Recognized Loss per share will be the *lesser* of: (1) the inflation per share upon purchase (as set forth in Inflation Table A below) less the inflation per share upon sale (as set forth in Inflation Table A below); or (2) the purchase price per share minus the sales price per share.

INSTRUCTIONS APPLICABLE TO ALL CLAIMANTS

To the extent a claimant had a trading gain or “broke even” from his, her or its overall transactions in Liberty Shares during the Settlement Class Period, the value of the Recognized Loss will be zero and the claimant will not be entitled to a share of the Net Settlement Fund. To the extent that a claimant suffered a trading loss on his, her or its overall transactions in Liberty Shares during the Settlement Class Period, but that trading loss was less than the Recognized Loss calculated above, then the Recognized Loss shall be limited to the amount of the claimant’s actual trading loss.

For purposes of calculating your Recognized Loss, all purchases, acquisitions and sales shall be matched on a First In First Out (“FIFO”) basis in chronological order. Therefore, on the Proof of Claim enclosed with this Notice, you must provide all your purchases and sales of Liberty shares during the period July 20, 2017

which the information correcting the misstatement or omission that is the basis for the action is disseminated.” \$.76 per share was the mean (average) daily closing trading price of the Liberty’s common stock during the 90-day period beginning on December 7, 2018 through and including on March 6, 2019.

through and including March 6, 2019. Liberty Shares purchased or otherwise acquired and sold during the Settlement Class Period must have been sold at a loss and after at least one of the Corrective Disclosure Dates to qualify as a Recognized Loss. Trading gains, if any, will have a Recognized Loss of \$0.

Payment pursuant to the Plan of Allocation approved by the Court shall be conclusive against all Authorized Claimants. No person shall have any claim against Defendants, Defendants' Related Parties², Defendants' Counsel, Lead Plaintiffs, Lead Counsel or the Claims Administrator or other agent designated by Lead Counsel based on the distributions made substantially in accordance with the Settlement Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. Each claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the claimant's Claim Form. All persons involved in the review, verification, calculation, tabulation, or any other aspect of the processing of the claims submitted in connection with the Settlement, or otherwise involved in the administration or taxation of the Settlement Fund or the Net Settlement Fund shall be released and discharged from any and all claims arising out of such involvement, and all Settlement Class Members, whether or not they are to receive payment from the Net Settlement Fund, will be barred from making any further claim against the Net Settlement Fund beyond the amount allocated to them as provided in any distribution orders entered by the Court.

The payment you receive will reflect your proportionate share of the Net Settlement Fund. Such payment will depend on the number of eligible Shares that participate in the Settlement, and when those Shares were purchased and sold. The number of claimants who send in claims varies widely from case to case.

A purchase or sale of Liberty Shares shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date.

Acquisition by Gift, Inheritance, or Operation of Law: If a Settlement Class Member acquired Liberty Shares during the Settlement Class Period by way of gift, inheritance or operation of law, such a claim will be computed by using the date and price of the original purchase on the over-the-counter market in the U.S. and not the date and price of transfer. To the extent that Liberty Shares were originally purchased prior to commencement of the Settlement Class Period, the Recognized Loss for that acquisition shall be deemed to be zero (\$0.00).

Notwithstanding any of the above, receipt of Liberty Shares during the Settlement Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase or sale of Liberty Shares.

The date of covering a "short sale" is deemed to be the date of purchase of Shares. The date of a "short sale" is deemed to be the date of sale of Shares. In accordance with the Plan of Allocation, however, the Recognized Loss on "short sales" is zero. In the event that a claimant has an opening short position in Liberty Shares, the earliest Settlement Class Period purchases shall be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

Payment according to the Plan of Allocation will be deemed conclusive against all Authorized Claimants. A Recognized Loss will be calculated as defined herein and cannot be less than zero. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its Recognized Loss as compared to the total Recognized Losses of all Authorized Claimants. No distribution will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

Settlement Class Members who do not submit acceptable Proofs of Claim will not share in the Settlement proceeds. The Settlement Stipulation and the Order and Final Judgment dismissing this Action will nevertheless bind Settlement Class Members who do not submit a request for exclusion or submit an acceptable Proof of Claim.

² "Related Parties" means each of a Defendant's respective former, present, or future parents, subsidiaries, divisions and affiliates, and the respective employees, members, partners, principals, officers, directors, controlling shareholders, attorneys, advisors, accountants, auditors, and insurers of each of them; and the predecessors, successors, estates, spouses, heirs, executors, trusts, trustees, administrators, agents, legal or personal representatives and assigns of each of them, in their capacity as such.

Please contact the Claims Administrator or Lead Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim. If you are unsatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Settlement Class Members and the claims-administration process, to decide the issue by submitting a written request.

Defendants, their respective counsel, and all other Released Parties will have no responsibility or liability whatsoever for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation, or the payment of any claim. Plaintiffs, Lead Counsel, the Claims Administrator, and other agents designated by Lead Counsel likewise will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If any funds remain in the Net Settlement Fund by reason of uncashed distribution checks or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Settlement Class Members who are entitled to participate in the distribution of the Net Settlement Fund cash their distributions, any balance remaining in the Net Settlement Fund after at least six (6) months after the initial distribution of such funds will be used in the following fashion: (a) first, to pay any amounts mistakenly omitted from the initial disbursement; (b) second, to pay any additional settlement administration fees, costs, and expenses, including those of Lead Counsel as may be approved by the Court; and (c) finally, to make a second distribution to claimants who cashed their checks from the initial distribution and who would receive at least \$10.00, after payment of the estimated costs, expenses, or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. These redistributions shall be repeated, if economically feasible, until the balance remaining in the Net Settlement Fund is *de minimis* and such remaining balance will then be distributed to a non-sectarian, not-for-profit organization selected by Lead Counsel.

SPECIAL NOTICE TO SECURITIES BROKERS AND OTHER NOMINEES

If, between July 20, 2017 and December 6, 2018, inclusive, you purchased, otherwise acquired, or sold Liberty Shares on the over-the-counter market in the United States for the beneficial interest of a person or organization other than yourself, the Court has directed that, **WITHIN SEVEN (7) DAYS OF YOUR RECEIPT OF THIS NOTICE**, you either (a) provide to the Claims Administrator the name, last known address, and email address of each person or organization for whom or which you purchased such Liberty Shares during such time period (you may be reimbursed from the Settlement Fund for reasonable costs to provide the names and addresses to the Claims Administrator, not to exceed \$0.05 per name and address) or (b) request additional copies of this Notice and the Proof of Claim form, which will be provided to you free of charge, and within seven (7) days mail the Notice and Proof of Claim form directly to the beneficial owners of the Liberty Shares. You may seek reimbursement of your reasonable expenses incurred, in an amount not to exceed \$0.10 plus postage at the current pre-sort rate used by the Claims Administrator per Notice Packet; or \$0.05 per Notice Packet transmitted by email; or \$0.05 per name, mailing address, and email address (to the extent available provided to the Claims Administrator, by providing the Claims Administrator with proper documentation supporting the expenses for which reimbursement is sought.). If you choose to follow alternative procedure (b), the Court has directed that, upon such mailing, you send a statement to the Claims Administrator confirming that the mailing was made as directed. Those expenses will be paid upon request and submission of appropriate supporting documentation. All communications regarding the foregoing should be addressed to the Claims Administrator at the address listed on page 3 above.
