Case No. 2:20-cv-11366-CCC-ESK

Hon. Edward S. Kiel, U.S.M.J.

**NOTICE OF (I) PENDENCY OF CLASS ACTION AND PROPOSED SETTLEMENT; (II)
SETTLEMENT FAIRNESS HEARING; AND (III) MOTION FOR AN AWARD OF
ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES**

TO: ALL PERSONS AND ENTITIES THAT PURCHASED OR OTHERWISE ACQUIRED BRASKEM S.A. ("BRASKEM") AMERICAN DEPOSITARY RECEIPTS (ADRs) DURING THE PERIOD FROM MARCH 21, 2019 AND JULY 8, 2020, BOTH DATES INCLUSIVE (THE "CLASS PERIOD").

EXCLUDED FROM THE CLASS ARE DEFENDANTS AND MEMBERS OF THE IMMEDIATE FAMILY OF ANY DEFENDANT, ANY ENTITY IN WHICH ANY DEFENDANT HAS, OR HAD DURING THE CLASS PERIOD, A CONTROLLING INTEREST, THE OFFICERS AND DIRECTORS OF THE COMPANY DURING THE CLASS PERIOD, AND LEGAL REPRESENTATIVES, AGENTS, EXECUTORS, HEIRS, SUCCESSORS, OR ASSIGNS OF ANY OF THE FOREGOING EXCLUDED PARTIES OR ENTITIES WHO ASSERT AN INTEREST IN BRASKEM ADRs THROUGH OR ON BEHALF OF ANY SUCH EXCLUDED PERSONS OR ENTITIES.

PLEASE READ THIS NOTICE CAREFULLY. YOUR RIGHTS MAY BE AFFECTED BY LEGAL PROCEEDINGS IN THIS LITIGATION. IF YOU ARE A MEMBER OF THE CLASS DESCRIBED HEREIN, YOU MAY BE ENTITLED TO RECEIVE A PAYMENT PURSUANT TO THE PROPOSED SETTLEMENT DESCRIBED BELOW.

1. **CLASS RECOVERY:** This Notice has been sent to you pursuant to an Order of the United States District Court, District of New Jersey (the "Court") in the above-captioned action (the "Action"). One of the purposes of this Notice is to inform you of the proposed Settlement¹ of the Action for \$3 million. Lead Plaintiff estimates there were approximately 17.1 million allegedly damaged Braskem ADRs purchased or otherwise acquired during the Class Period. Pursuant to the Plan of Allocation, if all affected Braskem ADRs elect to participate in the Settlement, the average recovery per ADR would be \$.18 before deduction of any fees, expenses, costs, and awards described herein. The actual amount disbursed to members of the Class who participate in the Settlement may be more or less than this figure.

2. **POTENTIAL OUTCOME OF THE CASE:** Lead Plaintiff and Defendants disagree on both liability and damages and do not agree on the average amount of damages per ADR, if any, that would be recoverable if the Class prevailed on any claim alleged. Lead Plaintiff and Defendants disagree on, among other things, whether Defendants engaged in conduct that would give rise to any liability to the Class under the federal

¹ All capitalized terms not defined herein shall have the same meaning ascribed to them in the Stipulation and Agreement of Settlement dated December 15, 2022 (the "Stipulation").

securities laws, whether Defendants have valid defenses to any such claims of liability, and the amount of damages per ADR, if any, Lead Plaintiff would be able to prove at trial, the methodology used to determine any such damages, and whether there were any mitigating circumstances which would reduce any or all of the damages alleged by Lead Plaintiff.

3. **REASONS FOR SETTLEMENT:** Lead Plaintiff believes that the proposed Settlement is fair, reasonable, and adequate to, and in the best interests of, the Class. Lead Plaintiff and his counsel have reached this conclusion after investigating and considering, among other things, the strengths and weaknesses of Lead Plaintiff's claims against Defendants, including the Defendants' contentions that the Class's claims are without merit, the uncertainties of this complex litigation, and the concrete benefits provided by the Settlement to the members of the Class. Without admitting any wrongdoing or liability on their part whatsoever, Defendants are nevertheless willing to agree to make the payment provided for by the Stipulation provided that all of the claims of the Class are settled and compromised, in order to eliminate the uncertainty, risks, costs, and burdens inherent in any litigation, especially in complex cases like this litigation. Defendants have concluded that continuing to defend this Action would be expensive and protracted. Defendants have denied and continue to deny each and all of the claims alleged by Lead Plaintiff in this Action. Defendants have denied and continue to deny all charges of wrongdoing and liability against them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in this Action. Defendants also have denied and continue to deny, among other things, the allegations that Lead Plaintiff or the Class has suffered any damages, or that Lead Plaintiff or the Class was harmed by the conduct alleged in this Action.

4. **ATTORNEYS' FEES AND COSTS SOUGHT:** Co-lead Counsel has not received any payment for its services in conducting this litigation on behalf of Lead Plaintiff and the members of the Class, nor has it been reimbursed for its out-of-pocket expenditures. If the Settlement is approved by the Court, Co-lead Counsel will apply to the Court for attorneys' fees not to exceed 33% of the Settlement Amount, reimbursement of expenses not to exceed \$55,000, and an award to Lead Plaintiff of up to \$5,000. If the amount requested by Co-lead Counsel is approved by the Court, the average cost would be \$.06 per ADR.

5. **IDENTIFICATION OF CLASS COUNSEL:** For further information regarding this Settlement please contact Co-lead Counsel: Matthew M. Guiney, Wolf Haldenstein Adler Freeman & Herz LLP, 270 Madison Avenue, New York, New York 10016, guiney@whafh.com, or Michael S. Bigin, Bernstein Liebhard LLP, 10 East 40th Street, New York, New York 10016, bigin@bernlieb.com.

I. THE CLASS INVOLVED IN THE PROPOSED SETTLEMENT

The proposed Settlement affects the rights of the members of the Class. The Class consists of:

All persons or entities who purchased or otherwise acquired a legal or beneficial ownership interest in Braskem ADRs during the Class Period. Excluded from the Settlement Class are: (1) Defendants and members of the immediate family of any Defendant; (2) any entity in which any Defendant has, or had during the Class Period, a controlling interest; (3) the officers and directors of Braskem during the Class Period; and (4) the legal representatives, agents, executors, heirs, successors, or assigns of any of the foregoing excluded persons or entities who assert an interest in Braskem ADRs through or on behalf of any such excluded persons or entities. Also excluded from the Settlement Class are any putative Settlement Class Members who exclude themselves by filing a request for exclusion in accordance with the requirements set forth in this Notice.

The sending of this Notice should not be construed as any indication of the Court's view as to the merits of any claims or defenses asserted by any party to this Action.

II. THE LITIGATION

Summary of the Litigation

The Court handling this Action is the United States District Court for the District of New Jersey, and the case is known as *Coutinho v. Braskem S.A., et al.*, 2:20-cv-11366-CCC-ESK (D.N.J.). The Court appointed Lead Plaintiff to represent the putative Class. The Defendants in this Action are Braskem, Roberto Lopes Pontes Simões, Fernando Musa, and Pedro Van Langendonck Teixeira De Freitas.

This Action alleges violations of the Federal Securities Laws (specifically Sections 10(b) and 20(a) of the Exchange Act (15 U.S.C. §78j(b) and 78(t)(a)) and Rule 10b-5 promulgated thereunder (17 C.F.R. §240.10b-5)) against Defendants.

Braskem is a publicly traded corporation with its principal place of business located in Sao Paulo, Brazil.

During the Class Period, Braskem's ADRs traded on the New York Stock Exchange under the ticker symbol "BAK" and also on the OTC market.

Lead Plaintiff alleges that, during the Class Period, Braskem's ADR price was artificially inflated as a result of materially misleading statements made regarding Braskem's role in, and extent of liability for damages from, ground subsidence at Braskem's salt mine in Alagoas, Brazil, which forced many residents of adjacent areas to vacate their homes and businesses. Defendants deny Lead Plaintiff's allegations that they made materially misleading statements or omissions to investors and further deny that they are liable to the Lead Plaintiff and/or the Settlement Class or that Lead Plaintiff or other members of the Settlement Class suffered any injury.

Investigation and Research Conducted by Co-lead Counsel

Before agreeing to the Settlement, Co-lead Counsel conducted extensive investigation and research into the merits of the Action. This investigation has included consultation with experts concerning the amount of damages suffered by the Class; detailed reviews of Braskem's public filings, SEC filings, press releases, and other public statements; documents from Brazilian governmental agencies; witness interviews; review of analyst reports, financial analysts, and industry analysts relating to Braskem; and research of the applicable law with respect to the claims asserted in the complaints filed in the Action, and the potential defenses thereto.

Proposed Settlement

Co-lead Counsel and Defendants' respective counsel participated in protracted negotiations on multiple telephone conferences. During these negotiations, the Parties discussed, among other things, the respective claims and defenses, damage analyses, legal analyses, the evidence to be offered by the Parties at trial, and other important factual and legal issues.

These negotiations resulted in the agreement to settle all claims of the Class against the Defendants, *i.e.*, the Stipulation, entered into on December 15, 2022. Co-lead Counsel believes that the claims asserted in the Action have merit and that the evidence developed to date in the Action supports the claims asserted therein. Co-lead Counsel also believe the Class would present supporting evidence at trial establishing liability against the Defendants under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934.

Co-lead Counsel, however, recognizes and acknowledges the expense and length of continued proceedings, trial, and appeals, and has taken into account the uncertain outcome and the risk of any litigation, especially complex actions such as here. They are also mindful of the inherent problems of proof under, as well as the defenses to, the federal securities laws violations asserted in this Action, including the defenses asserted by Defendants.

In light of the foregoing, Co-lead Counsel believes that the Settlement set forth in the Stipulation confers a meaningful benefit upon the Class. Based on their evaluation, Co-lead Counsel has determined that the Settlement is in the best interests of the Class.

The Release

If the Settlement is approved, the Court will enter a judgment (the "Judgment"). The Judgment will dismiss with prejudice the claims in this Action and will provide that Lead Plaintiff and all other Settlement Class Members, on behalf of themselves, and their respective past and present directors, officers, employees, agents, trustees, fiduciaries, guardians, servants, consultants, underwriters, attorneys, advisors, representatives, estate trustees, heirs, executors, administrators, predecessors, successors and assigns, and any other person claiming by, through or on behalf of them, shall be deemed by operation of law to (a) have released, waived, discharged and dismissed each and every of the Released Claims against the Released Parties; and (b) forever be enjoined from commencing, instituting or prosecuting any or all of the Released Claims against any of the Released Parties and (c) forever be enjoined from instituting, continuing, maintaining or asserting, either directly or indirectly, whether in the United States or elsewhere, on their own behalf or on behalf of any class or any other person, any action, suit, cause of

action, claim or demand against any person or entity who may claim any form of contribution or indemnity from any of the Released Parties in respect of any Released Claim.

“Released Claims” means any and all claims, debts, demands, rights or causes of action or liabilities whatsoever (including, but not limited to, any claims for damages, interest, attorneys’ fees, expert or consulting fees, and any other costs, penalties, expenses or liability whatsoever, whenever or wherever incurred), whether based on federal, state, local, foreign, statutory, or common law or any other law, rule or regulation, whether fixed or contingent, accrued or unaccrued, liquidated or unliquidated, at law or in equity, matured or unmatured, whether class, individual, or otherwise in nature, whether personal or subrogated, whether suspected or unsuspected, including both known Claims and Unknown Claims, (1) that have been asserted in this Action against any of the Released Parties, or (2) that have been or could have been asserted in this Action or any forum by Lead Plaintiff, or any Settlement Class Member against any of the Released Parties which in any way, directly or indirectly, arise out of, are related to, or are based upon (i) the purchase, sale, transfer, acquisition of Braskem ADRs before or during the Class Period and (ii) any allegations, transactions, facts, matters or occurrences, representations or omissions that were or could have been alleged, involved, set forth, or referred to in any of the complaints in this Action, including (without limitation) any alleged misrepresentation or omission concerning (a) Braskem’s alleged role in causing alleged earthquakes, ground subsidence, or other geological events in Alagoas, Brazil, (b) any related liabilities, (c) any related investigations or proceedings, or (d) any actual or potential impact of the foregoing on the Company’s salt mining operations or financial condition. Notwithstanding the foregoing, “Released Claims” does not include claims relating to the enforcement of the Settlement or its terms. “Released Claim” means any one of the Released Claims.

“Released Parties” means the Defendants; each of their respective current and former officers, directors, employees, agents, servants, representatives, parents, subsidiaries, affiliates, controlled persons, controlling persons, successors, predecessors, assigns, assignees, attorneys, accountants, advisors, insurers, family members and partners; and each of their respective heirs, executors, administrators, legal representatives, successors and assigns. “Released Party” means any one of the Released Parties.

“Unknown Claims” means any and all Released Claims that Lead Plaintiff or any Settlement Class Member does not know or suspect to exist in his, her or its favor at the time of the release of the Released Parties, and any of the Settled Defendants’ Claims which Defendants do not know or suspect to exist in his, her or its favor, which if known by him, her or it might have affected his, her or its decision(s) with respect to the Settlement. With respect to any and all Released Claims and Settled Defendants’ Claims, Lead Plaintiff and Defendants stipulate and agree that upon the Effective Date, Lead Plaintiff and Defendants shall each, for themselves and all persons claiming by, through, or on behalf of them, expressly waive, and each Settlement Class Member shall be deemed to have waived, and by operation of the Judgment shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, that is similar, comparable, or equivalent to Cal. Civ. Code § 1542, which provides:

A general release does not extend to claims which the creditor does not know or suspect exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

III. PROPOSED PLAN OF ALLOCATION

The Plan of Allocation is a matter separate and apart from the proposed Settlement, and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the proposed Settlement. The Court may approve the Plan of Allocation with or without modifications agreed to among the Parties, or another plan of allocation, without further notice to Settlement Class Members. Any orders regarding a modification of the Plan of Allocation will be posted to the Claims Administrator’s website, www.strategicclaims.net/Braskem.

The Claims Administrator shall determine each Authorized Claimant’s *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant’s Recognized Loss. **Please Note:** The Recognized Loss formula, set forth below, is not intended to be an estimate of the amount that a Settlement Class Member might have been able to recover after a trial, nor is it an estimate of the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss formula is the basis upon which the Net Settlement Fund will be proportionately

allocated to the Authorized Claimants. To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's Recognized Loss and subject to the provisions in the preceding paragraph. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total Recognized Loss of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's Recognized Loss bears to the total Recognized Losses of all Authorized Claimants and subject to the provisions in the preceding paragraph (*i.e.*, "*pro rata* share"). Payment in this manner shall be deemed conclusive against all Authorized Claimants. No distribution will be made on a claim where the potential distribution amount is less than ten dollars (\$10.00) in cash.

If any funds remain in the Net Settlement Fund by reason of uncashed checks, or otherwise, after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in the distribution of the Net Settlement Fund cash their distribution checks, then any balance remaining in the Net Settlement Fund six (6) months after the initial distribution of such funds shall be used: (i) first, to pay any amounts mistakenly omitted from the initial distribution to Authorized Claimants; (ii) second, to pay any additional Administration Costs incurred in administering the Settlement; and (iii) finally, to make a second distribution to Authorized Claimants who cashed their checks from the initial distribution and who would receive at least \$10.00 from such second distribution, after payment of the estimated costs or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. If six (6) months after such second distribution, if undertaken, or if such second distribution is not undertaken, any funds shall remain in the Net Settlement Fund after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in this Settlement cash their checks, any funds remaining in the Net Settlement Fund shall be donated to a non-sectarian charitable organization(s) selected by Co-lead Counsel and approved by the Court.

The Plan of Allocation has taken into consideration the Limitation on Damages provision of the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4(e), as well as the principles of economic loss articulated by the Supreme Court in *Dura Pharmaceuticals, Inc. v. Broudo*, 544 U.S. 336 (2005).

THE BASIS FOR CALCULATING YOUR RECOGNIZED LOSS:

- (I) Recognized Loss for the Braskem ADRs purchased or otherwise acquired during the Class Period will be calculated as follows:**
- (A) For ADRs purchased or otherwise acquired during the Class Period and sold during the Class Period, the Recognized Loss per ADR will be the *lesser* of: (1) the inflation per ADR upon purchase (as set forth in Inflation Table A below) less the inflation per ADR upon sale (as set forth in Inflation Table A below); or (2) the purchase price per ADR minus the sales price per ADR.
 - (B) For ADRs purchased or otherwise acquired during the Class Period and sold during the period July 9, 2020 through October 6, 2020, inclusive, the Recognized Loss will be the *lesser* of: (1) the inflation per ADR upon purchase (as set forth in Inflation Table A below); or (2) the difference between the purchase price per ADR and the average closing ADR price as of date of sale provided in Table B below.
 - (C) For ADRs purchased or otherwise acquired during the Class Period and retained as of the close of trading on October 6, 2020 the Recognized Loss will be the *lesser* of: (1) the inflation per ADR upon purchase (as set forth in Inflation Table A below); or (2) the purchase price per ADR minus \$8.50² per ADR.

² Pursuant to Section 21(D)(e)(1) of the Private Securities Litigation Reform Act of 1995, "in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated." \$8.50 per ADR was the mean (average) daily closing trading price of the Company's ADRs during the 90-day period beginning on July 9, 2020 through and including on October 6, 2020.

To the extent a claimant had a trading gain or “broke even” from his, her or its overall transactions in the Company’s ADRs during the Class Period, the value of the Recognized Loss will be zero, and the claimant will not be entitled to a share of the Net Settlement Fund. To the extent that a claimant suffered a trading loss on his, her or its overall transactions in Braskem ADRs during the Class Period, but that trading loss was less than the Recognized Loss calculated above, then the Recognized Loss shall be limited to the amount of the claimant’s actual trading loss.

For purposes of calculating your Recognized Loss, the date of purchase, acquisition or sale is the “contract” or “trade” date and not the “settlement” or “payment” date. The receipt or grant by gift, inheritance or operation of law of Braskem ADRs shall not be deemed a purchase, acquisition or sale of ADRs for the calculation of an Authorized Claimant’s Recognized Loss. The covering purchase of a short sale is not an eligible purchase. The date of covering a “short sale” is deemed to be the date of purchase of Braskem ADRs, and the date of a “short sale” is deemed to be the date of sale of Braskem ADRs.

For purposes of calculating your Recognized Loss, all purchases, acquisitions and sales shall be matched on a First In First Out (“FIFO”) basis in chronological order. Therefore, on the Proof of Claim and Release Form

enclosed with this Notice, you must provide all of your purchases and acquisitions of Braskem ADRs during the time period from March 21, 2019 through and including October 6, 2020.

There shall be no Recognized Loss attributed to any Braskem securities other than ADRs. Settlement Class Members who do not submit valid Proofs of Claim will not share in the Settlement proceeds. Settlement Class Members who do not either submit a request for exclusion or submit a valid Proof of Claim and Release Form will nevertheless be bound by the Settlement and the Order and Final Judgment of the Court dismissing this Action. No claim will be recognized for Braskem ADRs purchased or otherwise acquired prior to March 21, 2019. No claim will be recognized for Braskem ADRs purchased or otherwise acquired on or after July 9, 2020.

Payment pursuant to the Plan of Allocation approved by the Court shall be conclusive against all Authorized Claimants. No person shall have any claim against Defendants, Defendants' Counsel, Lead Plaintiffs, Co-lead Counsel or the Claims Administrator or other agent designated by Co-lead Counsel based on the distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. Each claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the claimant's Proof of Claim and Release Form. All persons involved in the review, verification, calculation, tabulation, or any other aspect of the processing of the claims submitted in connection with the Settlement, or otherwise involved in the administration or taxation of the Settlement Fund or the Net Settlement Fund shall be released and discharged from any and all claims arising out of such involvement, and all Settlement Class Members, whether or not they are to receive payment from the Net Settlement Fund, will be barred from making any further claim against the Net Settlement Fund beyond the amount allocated to them as provided in any distribution orders entered by the Court.

IV. REQUESTING EXCLUSION FROM THE CLASS

IF YOU ARE A MEMBER OF THE CLASS, YOU MAY BE ELIGIBLE TO SHARE IN THE BENEFITS OF THIS SETTLEMENT AND WILL BE BOUND BY ITS TERMS UNLESS YOU EXCLUDE YOURSELF FROM THE CLASS.

Each Settlement Class Member shall be bound by all determinations and judgments of the Court in connection with the Settlement, whether favorable or unfavorable, unless such Settlement Class Member shall mail, by first class mail, sufficient postage prepaid, a written request for exclusion from the Class, **received no later than April 3, 2023**, addressed to the Claims Administrator at: Braskem S.A. Securities Litigation, c/o Strategic Claims Services, 600 N. Jackson St., Suite 205, P.O. Box 230, Media, PA 19063. Each request for exclusion must: (i) state the name, address, and telephone number of the person or entity requesting exclusion, and in the case of entities, the name and telephone number of the appropriate contact person; (ii) state that such person or entity "requests exclusion from the Class in *Coutinho v. Braskem S.A., et al.*, 2:20-cv-11366-CCC-ESK (D.N.J.)"; (iii) state the number of Braskem ADRs that the person or entity requesting exclusion (A) owned as of the opening of trading on March 21, 2019 and (B) purchased/acquired and/or sold during the Class Period, as well as the dates, number of ADRs, and prices of each such purchase/acquisition and sale; and (iv) be signed by the person or entity requesting exclusion or an authorized representative. A request for exclusion shall not be effective unless submitted within the time and in the form and manner provided for herein. **You cannot exclude yourself by telephone, email, or fax.**

If a person or entity who is a Settlement Class Member duly requests to be excluded from the Class, such person or entity will not be bound by any orders or judgments entered in respect of the Settlement and shall not be entitled to receive any benefits provided by the Settlement in the event it is finally approved by the Court.

If a judgment approving the Settlement provided for in the Stipulation is finally entered, all Settlement Class Members who have not requested exclusion shall conclusively be deemed to have released and shall thereafter be barred from asserting any of the Released Claims against the Released Parties.

V. STATEMENT OF ATTORNEYS' FEES AND COSTS SOUGHT

Before final approval of the Settlement, Co-lead Counsel will apply to the Court for an award of attorneys' fees in an amount not to exceed 33% of the Settlement Fund, plus interest. Co-lead Counsel also intends to apply for reimbursement of Litigation Expenses in an amount not to exceed \$55,000, plus interest, as well as an award to the Lead Plaintiff of up to \$5,000. Co-lead Counsel believes its intended fee request to be fair and reasonable. Co-lead Counsel has litigated this case on a wholly contingent basis and has received no compensation during the period the case has been pending. Co-lead Counsel expended considerable time and expense during the Action. Had the case not been successful, Co-lead Counsel would have sustained a considerable financial loss.

VI. THE SETTLEMENT FAIRNESS HEARING

The Settlement Fairness Hearing shall be held before Honorable Edward S. Kiel at 1:30 p.m., in Courtroom 8 of the Frank Lautenberg Post Office & U.S. Courthouse, 2 Federal Square – Room 347, Newark, NJ 07102, for the following purposes: (a) to determine whether the proposed Settlement on the terms and conditions provided for in the Stipulation is fair, reasonable, and adequate to the Class, and should be finally approved by the Court; (b) to determine whether, for purposes of the proposed Settlement only, the Action should be certified as a class action on behalf of the Class, Lead Plaintiff should be certified as class representative for the Class, and Co-lead Counsel should be appointed as class counsel for the Class; (c) to determine whether a Judgment substantially in the form attached as Exhibit B to the Stipulation should be entered dismissing the Action with prejudice against Defendants; (d) to determine whether the proposed Plan of Allocation for the proceeds of the Settlement is fair and reasonable and should be approved; (e) to determine whether the motion by Co-lead Counsel for an award of attorneys' fees and reimbursement of Litigation Expenses should be approved; and (f) to consider any other matters that may properly be brought before the Court in connection with the Settlement.

The Settlement Fairness Hearing may be adjourned or continued from time to time by the Court without further notice to the Class other than an announcement at such Settlement Fairness Hearing or at any adjournment or continuance thereof.

Any Settlement Class Member who does not timely and validly request exclusion from the Class and who objects to the Settlement, the proposed Plan of Allocation of the Net Settlement Fund, the Judgment contemplated by the Stipulation, and/or the application for attorneys' fees and reimbursement of expenses, or who otherwise wishes to be heard with respect to any of the foregoing, may appear in person or by attorney at the Settlement Fairness Hearing, at their own expense, and present any evidence or argument that may be proper and relevant. However, no person shall be heard, and no papers, briefs, pleadings, or other documents submitted by any such person shall be considered by the Court unless, no later than April 19, 2023, (1) the full name, address, and phone number of the person or entity filing the objection, (2) a notice of the person's or entity's intention to appear, (3) a statement of such person's or entity's objections to any matter before the Court, and (4) the grounds for such objections or the reason for such person's or entity's request to appear and to be heard, as well as the information requested in Section IV herein and all other documents and writings which such person or entity desires the Court to consider, shall be filed by such person or entity with the Clerk of the Court at the address below, and, on or before such filing, shall be delivered by hand, overnight mail, or by certified mail, return-receipt requested, sufficient postage prepaid, upon each of the following counsel of record:

<p>Clerk of the Court Frank Lautenberg Post Office & U.S. Courthouse 2 Federal Square – Room 347 Newark, NJ 07102</p>	<p>Co-Lead Counsel Wolf Haldenstein Adler Freeman & Herz LLP Attn: Matthew M. --	--	--

Any person or entity who fails to object in the manner prescribed in the paragraph immediately above shall be deemed to have waived any objections that person may have and shall be barred from raising such objections in this or any other action or proceeding. Objections directed solely to the proposed Plan of Allocation or attorneys' fees and expenses, will not affect the finality of either the Settlement or the Judgment to be entered thereto, if the Settlement is approved by the Court.

All members of the Class who do not request exclusion therefrom, in the manner provided herein, will be represented by Co-lead Counsel in connection with the Settlement, but may, if they so desire, also enter an appearance through counsel of their own choice and at their own expense.

VII. PROOF OF CLAIM AND RELEASE FORM

To be eligible to receive a cash distribution from the Settlement Fund, you must timely complete, sign and file a Proof of Claim and Release Form ("Proof of Claim"). A Proof of Claim is annexed to this Notice, or available online at www.strategicclaims.net/Braskem. You may receive more than one copy of this Notice and the Proof of Claim, but you should **submit only one Proof of Claim**.

The Proof of Claim (1) **must** be completed in accordance with the Instructions on the Proof of Claim, (2) **must** enclose all documentation required by the Instructions, and (3) **must** be submitted to the Claims Administrator **online at www.strategicclaims.net/Braskem, or postmarked, if mailed on or before April 19, 2023** at the following address:

600 N. Jackson St., Suite 205
P.O. Box 230
Media, PA 19063
Fax: (610) 565-7985
info@strategicclaims.net

A Proof of Claim will be deemed filed when mailed via first-class mail, sufficient postage prepaid, or the date when filed online.

Members of the Class who do not exclude themselves from the Class and who fail to submit a valid and timely Proof of Claim will nevertheless be bound by the Settlement if finally approved, and all orders and judgments entered by the Court in connection therewith.

By Order of the Court, the Proof of Claim provides for and requires a Release of all Released Claims as defined in Section II above, by all members of the Class who file Proofs of Claim. The Release will become effective on the Effective Date of the Settlement.

Each person or entity submitting a Proof of Claim thereby submits to the jurisdiction of the Court for purposes of the Action, the Settlement and any proceedings relating to such Proof of Claim, and agrees that such a filed Proof of Claim will be subject to review and further inquiry as to such person's or entity's status as a Settlement Class Member and the allowable amount of the claim.

If you would like acknowledgment of the receipt of your Proof of Claim by the Claims Administrator, please send it by certified mail, return requested, or its equivalent. **No other formal acknowledgment will be provided, and you will bear all risks of delay or non-delivery of your claim.**

VIII. SPECIAL NOTICE TO BROKERS AND OTHER NOMINEES

Brokerage firms, banks, financial institutions, and other nominees ("Nominees") that, during the Class Period, purchased, otherwise acquired, or sold Braskem ADRs in the name of the Nominees on behalf of beneficial owners of such securities that may be Settlement Class Members, are requested to provide the Claims Administrator with the name, last known address, and email address (if available) of each such person or entity for whom the Nominee executed such transactions. The Claims Administrator will then email the Summary Notice, where an email address is available, or, if no email address is available, cause the Postcard Notice to be mailed promptly to said beneficial owners. Alternatively, Nominees may elect to provide notice directly to their beneficial holders by requesting either

an electronic copy of the Summary Notice or additional copies of the Postcard Notice from the Claims Administrator, in which case the Nominees are required to, within ten (10) calendar days of receiving the electronic Summary Notice or the Postcard Notice, email the electronic Summary Notice or mail the Postcard Notice directly to the persons for whom the transactions were made and provide the Claims Administrator with written confirmation of having done so. For either alternative, contact the Claims Administrator.

After receipt of a timely request for reimbursement and supporting documentation, the Claims Administrator will reimburse the Nominee for all reasonable costs incurred in gathering and forwarding the names, last-known addresses, and/or email addresses of beneficial owners to the Claims Administrator, or forwarding the Postcard Notice to beneficial owners, as the case may be. Nominees will be reimbursed for reasonable out-of-pocket costs incurred in providing notice to beneficial owners in an amount not to exceed \$0.03, plus postage at the current pre-sort rate used by the Claims Administrator, for each Postcard Notice actually mailed by the Nominee; \$0.03 per email notice sent by the Nominee; or \$0.03 for each name, last-known address, and email address provided to the Claims Administrator.

If you need assistance filling out this Proof of Claim, please contact the Claims Administrator.

Part I – INSTRUCTIONS FOR FILLING OUT THE PROOF OF CLAIM

Important additional information regarding the Settlement and this Proof of Claim is contained in the accompanying Notice. Please refer to the Plan of Allocation set forth in the accompanying Notice for a detailed explanation of how a Claimant's Recognized Loss will be calculated.

1. In order to be eligible to participate in the distribution of the Settlement Fund, a claimant ("Claimant") must have purchased or otherwise acquired Braskem S.A. ("Braskem") American Depositary Receipts ("ADRs") between March 21, 2019 and July 8, 2020, both dates inclusive (the "Class Period"), and otherwise be a member of the Class as defined in the Notice.

2. The submission of a Proof of Claim does not ensure that your claim will be upheld or that you will share in any recovery. All claims are subject to verification and investigation. You may be requested to provide further information.

3. All claims must be made by persons or entities who were beneficial owners (as opposed to record holders or nominees) of Braskem ADRs. (As outlined in the Notice, brokerage firms, banks and other nominees are requested to transmit copies of the Notice and Proof of Claim to their present or former customers who were such beneficial owners. *See* Notice, Section VIII.) If Braskem ADRs were owned jointly, all joint owners must complete and sign the Proof of Claim.

4. Executors, administrators, guardians, conservators and trustees may complete and sign the Proof of Claim on behalf of persons or entities represented by them, but they must identify such persons or entities and provide proof of their authority (*e.g.*, powers of attorney or currently effective letters testamentary or letters of administration) to do so.

5. You must file a separate Proof of Claim for each differently named account or ownership, such as an individual account, an IRA account, a joint account, a custodial account, etc. Joint tenants, co-owners or UGMA custodians should file a single claim. Claimants who file one or more claims (*e.g.*, one in Claimant's name and one for an IRA or joint ownership) must identify the other claims filed.

6. NOTICE REGARDING ELECTRONIC FILES: Certain claimants with large numbers of transactions may request, or may be requested, to submit information regarding their transactions in electronic files. To obtain the mandatory electronic filing requirements and file layout, you may email the Claims Administrator's electronic filing department at efile@strategicclaims.net. Any file not submitted in accordance with the required electronic filing format will be subject to rejection. No electronic files will be considered to have been properly submitted unless the Claims Administrator issues an email after receiving your file. Do not assume that your file has been received or processed until you receive this email. If you do not receive such an email within 10 days of your submission, you should contact the electronic filing department at efile@strategicclaims.net to inquire about your file and confirm it was received and acceptable.

7. There will be no Recognized Loss attributed to any Braskem securities other than Braskem ADRs.

8. The date of purchase and/or sale of Braskem ADRs is the "trade" date and not the "settlement" date.

9. The first-in, first-out basis ("FIFO") will be applied to both purchases and sales.

10. The date of covering a "short sale" is deemed to be the date of purchase of Braskem ADRs; and the date of a "short sale" is deemed to be the date of sale of Braskem ADRs. ADRs originally sold short will have a Recognized Loss of zero.

11. No cash payment will be made on a claim where the potential distribution is less than \$10.00.

12. You must attach to your claim form **copies** of brokerage confirmations, monthly statements or other documentation of your transactions in Braskem ADRs in order for your claim to be valid. Failure to provide this documentation could delay verification of your claim or could result in rejection of your claim.

13. If you have any questions or need additional Proofs of Claim, contact the Claims Administrator via the information set forth above. You may make photocopies of this form.

I/We further agree to be bound by the orders of the Court, agree that this Proof of Claim, my/our status or the status of the Settlement Class Member(s) I/we represent as a Claimant and the allowable amount of this claim will be subject to review and further inquiry, and that I/we will furnish such additional documentation with respect to this Proof of Claim as may be required.

RELEASE

By signing this Proof of Claim, and in consideration of the establishment of the Settlement Fund, as of the Effective Date thereof, the undersigned claimant (“Claimant”), on behalf of Claimant and Claimant’s predecessors, successors, parents, subsidiaries, affiliates, custodians, agents, assigns, representatives, heirs, executors, trustees, and administrators, (a) hereby releases, waives, dismisses, and forever discharges all of the “Released Claims,” including “Unknown Claims,” against each of the “Released Parties”; (b) is forever enjoined from commencing, instituting or prosecuting any or all of the Released Claims against any of the Released Parties and (c) is forever enjoined from instituting, continuing, maintaining or asserting, either directly or indirectly, whether in the United States or elsewhere, on their own behalf or on behalf of any class or any other person, any action, suit, cause of action, claim or demand against any person or entity who may claim any form of contribution or indemnity from any of the Released Parties in respect of any Released Claim.

“Released Claims” means any and all claims, debts, demands, rights or causes of action or liabilities whatsoever (including, but not limited to, any claims for damages, interest, attorneys’ fees, expert or consulting fees, and any other costs, penalties, expenses or liability whatsoever, whenever or wherever incurred), whether based on federal, state, local, foreign, statutory, or common law or any other law, rule or regulation, whether fixed or contingent, accrued or unaccrued, liquidated or unliquidated, at law or in equity, matured or unmatured, whether class, individual, or otherwise in nature, whether personal or subrogated, whether suspected or unsuspected, including both known Claims and Unknown Claims, (1) that have been asserted in this Action against any of the Released Parties, or (2) that have been or could have been asserted in this Action or any forum by Lead Plaintiff, or any Settlement Class Member against any of the Released Parties which in any way, directly or indirectly, arise out of, are related to, or are based upon (i) the purchase, sale, transfer, acquisition of Braskem ADRs before or during the Class Period and (ii) any allegations, transactions, facts, matters or occurrences, representations or omissions that were or could have been alleged, involved, set forth, or referred to in any of the complaints in this Action, including (without limitation) any alleged misrepresentation or omission concerning (a) Braskem’s alleged role in causing alleged earthquakes, ground subsidence, or other geological events in Alagoas, Brazil, (b) any related liabilities, (c) any related investigations or proceedings, or (d) any actual or potential impact of the foregoing on the Company’s salt mining operations or financial condition. Notwithstanding the foregoing, “Released Claims” does not include claims relating to the enforcement of the Settlement or its terms. “Released Claim” means any one of the Released Claims.

“Released Parties” means the Defendants; each of their respective current and former officers, directors, employees, agents, servants, representatives, parents, subsidiaries, affiliates, controlled persons, controlling persons, successors, predecessors, assigns, assignees, attorneys, accountants, advisors, insurers, family members and partners; and each of their respective heirs, executors, administrators, legal representatives, successors and assigns. “Released Party” means any one of the Released Parties.

“Unknown Claims” means any and all Released Claims that Lead Plaintiff or any Settlement Class Member does not know or suspect to exist in his, her or its favor at the time of the release of the Released Parties, and any of the Settled Defendants’ Claims which Defendants do not know or suspect to exist in his, her or its favor, which if known by him, her or it might have affected his, her or its decision(s) with respect to the Settlement.

With respect to any and all Released Claims and Settled Defendants’ Claims, Lead Plaintiff and Defendants stipulate and agree that upon the Effective Date, Lead Plaintiff and Defendants shall each, for themselves and all persons claiming by, through, or on behalf of hem expressly waive, and each Settlement Class Member shall be

deemed to have waived, and by operation of the Judgment shall have waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, that is similar, comparable, or equivalent to Cal. Civ. Code § 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Claimant may hereafter discover facts in addition to or different from those that he, she, or it now knows or believes to be true with respect to the subject matter of the Released Claims, but Claimant shall expressly have, and be deemed to have, and by operation of the Judgment shall have, waived compromised, settled, discharged, extinguished, remised, and released, fully, finally, and forever, any and all Released Claims known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, that now exist, or heretofore have existed upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct that is negligent, reckless, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts, legal theories, or authorities. Claimant acknowledges that the waivers contained in this paragraph, and the inclusion of “Unknown Claims” in the definition of Released Claims, were separately bargained for and are key elements of the Settlement.
