LITIGATION**

CLASS ACTION

NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION

If you purchased or acquired the common stock of Paysign, Inc. (“Paysign” or the “Company”) during the period between March 12, 2019, and March 31, 2020, both dates inclusive (the “Settlement Class Period”), you could get a payment from a class action settlement (the “Settlement”).

Under law, a federal court has authorized this Notice. This is not attorney advertising.

- If approved by the Court, the Settlement will provide three million seven hundred fifty thousand dollars (\$3,750,000) (the “Settlement Amount”) gross, plus interest as it accrues, minus attorneys’ fees, costs, administrative expenses, and Awards to Plaintiffs, net of any taxes on interest, to pay claims of investors who purchased Paysign common stock during the Settlement Class Period.
- Plaintiffs calculate that the Settlement represents an estimated average recovery of \$0.12 per Plaintiffs’ estimate of damaged shares of Paysign common stock. This is not an estimate of the actual recovery per share you should expect. Your actual recovery will depend on the Recognized Losses of all Settlement Class Members, the date(s) you purchased and sold Paysign common stock, the purchase and sales prices of Paysign common stock, and the total number of claims filed.
- Attorneys for Plaintiffs (hereafter “Lead Counsel”) will ask the Court to award them fees of up to 33 1/3rd of the Settlement Amount (\$1,249,999.99) plus interest, reimbursement of litigation expenses of no more than \$110,000 and Awards to Plaintiffs not to exceed \$10,000 each. If approved by the Court, these amounts (which Plaintiffs calculate as totaling an average of \$0.04 per Plaintiffs’ estimate of damaged shares of Paysign common stock) will be paid from the Settlement Fund.
- The Settlement resolves the Action concerning whether Paysign and certain of its officers and directors, Mark Newcomer, Mark Attinger, and Daniel Spence (collectively, the “Defendants”), violated federal securities laws by allegedly making misrepresentations and/or omissions of material fact in various public statements to the investing public concerning Paysign’s internal controls over financial reporting. Defendants maintain that all of their statements were true and correct and deny each, any, and all allegations of wrongdoing, fault, liability or damage whatsoever asserted by Plaintiffs. Defendants have also denied, *inter alia*, the allegations Plaintiffs or the Settlement Class have suffered damages or that Plaintiffs or the Settlement Class were harmed by the conduct alleged in the Action. Defendants continue to believe the claims asserted against them in the Action are without merit.
- Your legal rights will be affected whether you act or do not act. If you do not act, you may permanently forfeit your right to recover on this claim. Therefore, you should read this Notice carefully.

DEFINITIONS

All capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Stipulation and Agreement of Settlement, dated December 15, 2023 (the “Stipulation”).

COMMON QUESTIONS AND ANSWERS CONCERNING THE SETTLEMENT

1. Why did I get this Notice?

You or someone in your family may have purchased or acquired the publicly traded common stock of Paysign between March 12, 2019, and March 31, 2020, both dates inclusive.

2. What is this lawsuit about?

The case is known as *In re Paysign, Inc. Securities Litigation*, No. 2:20-cv-00553 (D. Nev.) (the “Action”). The Court in charge of the case is the United States District Court for the District of Nevada.

The Action involves allegations that Defendants violated certain federal securities laws by making misrepresentations or omissions of material fact concerning Paysign’s internal controls over financial reporting. The Complaint alleges that the misstatements or omissions artificially inflated the price of Paysign’s share price, and that the share price dropped in response to certain subsequent disclosures. Defendants have denied and continue to deny each, any and all allegations of wrongdoing, fault, liability or damage whatsoever asserted in the Action. The Settlement shall in no event be construed as, or deemed to be evidence of, liability, fault, wrongdoing, injury or damages, or of any wrongful conduct, acts or omissions on the part of any of the Released Parties, or of any infirmity of any defense, or of any damages to the Plaintiffs or any other Settlement Class Member. The Settlement resolves all of the claims in the Action, as well as certain other claims or potential claims, whether known or unknown.

3. Why is this a class action?

In a class action, one or more persons and/or entities, called plaintiffs, sue on behalf of all persons and/or entities who have similar claims. All of these persons and/or entities are referred to collectively as a class, and these individual persons and/or entities are known as class members. One court resolves all of the issues for all class members, except for those class members who exclude themselves from the class.

4. Why is there a Settlement?

The Parties do not agree regarding the merits of Plaintiffs’ allegations and Defendants’ defenses with respect to liability or the average amount of damages per share, if any, that would be recoverable if Plaintiffs were to prevail at trial on each claim. The issues on which the Parties disagree include: (1) whether the challenged statements were materially false or misleading or otherwise actionable under the federal securities law; (2) whether Defendants acted with scienter, which means intent to deceive, manipulate, or defraud, including an extreme departure from the standards of ordinary care, presenting a danger of misleading buyers that is either known to the defendant or is so obvious that the actor must have been aware of it; (3) whether the alleged disclosures were corrective disclosures; (4) the causes of the loss in the value of Paysign common stock; and (5) the amount of alleged damages, if any, that could be recovered at trial.

This matter has not gone to trial and the Court has not decided in favor of either Plaintiffs or Defendants. Instead, the Parties have agreed to settle the case. Plaintiffs and Lead Counsel believe the Settlement is best for all Settlement Class Members because of the risks associated with continued litigation and the nature of the defenses raised by Defendants. Among the reasons that Plaintiffs and Lead Counsel believe the Settlement is fair is the fact that there is uncertainty about whether Plaintiffs will win at trial and whether Paysign can pay a damages award were Plaintiffs to win at trial.

Even if Plaintiffs were to win at trial, and also prevail on appeal, Plaintiffs might not be able to collect some, or all, of any judgment they are awarded. Moreover, while litigation of this type is usually expensive, it appears that, even if Plaintiffs’ allegations were found to be true, the total amount of damages to which Settlement Class Members would be entitled could be substantially reduced.

5. How do I know if I am part of the Settlement?

The Settlement Class consists of all persons and entities, other than Defendants and their affiliates, who purchased or acquired publicly traded Paysign common stock between March 12, 2019, and March 31, 2020, both dates inclusive.

6. Are there exceptions to being included?

Yes. Excluded from the Class are: (i) Defendants; (ii) any person who served as a partner, control person, executive officer and/or director of Paysign during the Settlement Class Period, and members of their immediate families (as defined in 17 C.F.R. § 229.404, Instructions (1)(a)(iii) and (1)(b)(ii)); (iii) present and former parents, subsidiaries, assigns, successors, affiliates, and predecessors of Paysign; (iv) any entity in which the Defendants have or had a controlling interest; (v) any trust of which an Individual Defendant is the settler or which is for the benefit of an Individual Defendant and/or member(s) of their immediate families; (vi) Defendants' liability insurance carriers; and (vii) the legal representatives, heirs, successors, and assigns of any person or entity excluded under provisions (i) through (vi) hereof. You are also excluded from the Settlement Class if you have a net profit in purchases and sales of Paysign common stock or otherwise suffered no compensable damages during the Settlement Class Period. You may choose to be excluded from the Settlement Class by filing a valid and timely request for exclusion as described below in the response to question 11.

7. I am still not sure whether I am included.

If you are still not sure whether you are included, you can ask for free help. For more information, you can contact the Claims Administrator, Strategic Claims Services, by phone at (866) 274-4004 or by facsimile at (610) 565-7985, visit the website www.strategicclaims.net/Paysign/ or fill out and return the Proof of Claim and Release Form ("Proof of Claim") described in Question 9, to see if you qualify.

8. What does the Settlement provide?

a. What is the Settlement Fund?

The proposed Settlement provides that Defendants will cause three million seven hundred fifty thousand dollars (\$3,750,000) (the "Settlement Fund") to be paid into the Escrow Account for the benefit of the Settlement Class. The Settlement is subject to Court approval. Also, subject to the Court's approval, a portion of the Settlement Fund will be used to pay attorneys' fees with interest and reasonable litigation expenses to Lead Counsel, and any Award to Plaintiffs. A portion of the Settlement Fund also will be used to pay taxes due on interest earned by the Settlement Fund, if necessary, and the costs of the claims administration, including the costs of printing and mailing this Notice and the costs of publishing notice. After the foregoing deductions from the Settlement Fund have been made, the amount remaining (the "Net Settlement Fund") will be distributed to Settlement Class Members who submit timely, valid claims, according to the Plan of Allocation to be approved by the Court.

b. What can you expect to receive under the proposed Settlement?

Your share of the Net Settlement Fund will or may depend on: (i) the number of claims filed by all Settlement Class Members; (ii) the dates you purchased and sold Paysign common stock; (iii) the prices of your purchases and sales; (iv) the amount of administrative costs, including the costs of notice; and (v) the amount awarded by the Court to Lead Counsel for attorneys' fees, costs, and expenses and Awards to Plaintiffs.

The Claims Administrator will determine each Settlement Class Member's *pro rata* share of the Net Settlement Fund based upon each Settlement Class Member's valid "Recognized Loss." The Recognized Loss formula is not intended to be an estimate of the amount that a Settlement Class Member might have been able to recover after a trial; it also is not an estimate of the amount that

will be paid to Settlement Class Members pursuant to the Settlement. The Recognized Loss formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Settlement Class Members with valid claims.

The Net Settlement Fund will be distributed to Settlement Class Members who submit a Proof of Claim and Release Form and whose claims for recovery are allowed by the Claims Administrator pursuant to the terms of the Stipulation or by order of the Court under the below Plan of Allocation (“Authorized Claimants”), which reflects Plaintiffs’ contention that because of the alleged misrepresentations made by Defendants, the price of Paysign common stock was artificially inflated during the relevant period and that certain subsequent disclosures caused changes in the inflated price of Paysign common stock. Defendants have denied and continue to deny these allegations and any and all allegations of wrongdoing, fault, liability or damage whatsoever asserted in the Action.

PROPOSED PLAN OF ALLOCATION OF THE NET SETTLEMENT FUND

The Plan of Allocation is a matter separate and apart from the proposed Settlement, and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the proposed Settlement. The Court may approve the Plan of Allocation with or without modifications agreed to among the Parties, or another plan of allocation, without further notice to Settlement Class Members. Any orders regarding a modification of the Plan of Allocation will be posted to the Claims Administrator’s website, www.strategicclaims.net/Paysign/.

The Claims Administrator shall determine each Authorized Claimant’s *pro rata* share of the Net Settlement Fund based upon each Authorized Claimant’s Recognized Loss. **Please Note:** The Recognized Loss formula, set forth below, is not intended to be an estimate of the amount of what a Settlement Class Member might have been able to recover after a trial, nor is it an estimate of the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants. To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant’s Recognized Loss and subject to the provisions in the preceding paragraph. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total Recognized Loss of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant’s Recognized Loss bears to the total Recognized Losses of all Authorized Claimants and subject to the provisions in the preceding paragraph (*i.e.*, “*pro rata* share”). No distribution will be made on a claim where the potential distribution amount is less than twenty dollars (\$20.00) in cash.

If any funds remain in the Net Settlement Fund by reason of uncashed checks, or otherwise, after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in the distribution of the Net Settlement Fund cash their distribution checks, then any balance remaining in the Net Settlement Fund six (6) months after the initial distribution of such funds shall be used: (i) first, to pay any amounts mistakenly omitted from the initial distribution to Authorized Claimants; (ii) second, to pay any additional Notice and Administration Costs incurred in administering the Settlement; and (iii) finally, to make a second distribution to Authorized Claimants who cashed their checks from the initial distribution and who would receive at least \$20.00 from such second distribution, after payment of the estimated costs or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. If six (6) months after such second distribution, if undertaken, or if such second distribution is not undertaken, any funds shall remain in the Net Settlement Fund after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in this Settlement cash their checks,

any funds remaining in the Net Settlement Fund shall be donated to a non-profit charitable organization selected by Lead Counsel.

In the calculations below, all purchase and sale prices shall exclude any fees, taxes and commissions. If a Recognized Loss amount is calculated to be a negative number, that Recognized Loss shall be set to zero. Any transactions in Paysign common stock executed outside of regular trading hours for the U.S. financial markets shall be deemed to have occurred during the next regular trading session.

THE BASIS FOR CALCULATING YOUR RECOGNIZED LOSS:

Recognized Loss for the Company’s Publicly Traded Common Stock Purchased During the Settlement Class Period Will Be Calculated as Follows:

- (A) For shares purchased during the Settlement Class Period and sold during the Settlement Class Period, the Recognized Loss per share will be the inflation per share upon purchase (as set forth in Table A below) less the inflation per share upon sale (as set forth in Table A below).
- (B) For shares purchased during the Settlement Class Period and sold during the period April 1, 2020 through June 29, 2020, inclusive (i.e., sold during the 90-Day Lookback Period), the Recognized Loss will be the *lesser* of: (1) the inflation per share upon purchase (as set forth in Table A below); or (2) the purchase price per share minus the average closing stock price as of the date of sale provided in Table B below.
- (C) For shares purchased during the Settlement Class Period and retained as of the close of trading on June 29, 2020, the Recognized Loss will be the *lesser* of: (1) the inflation per share upon purchase (as set forth in Table A below); or (2) the purchase price per share minus \$7.34 per share.¹

¹ Pursuant to Section 21(D)(e)(1) of the Private Securities Litigation Reform Act of 1995, “in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated.” \$7.34 per share was the mean (average) daily closing trading price of the Company’s common stock during the 90-day period beginning on April 1, 2020 through and including on June 29, 2020 (the “90-Day Lookback Period”).

To the extent a claimant had a trading gain or “broke even” from his, her or its overall transactions in the Company’s shares during the Settlement Class Period, the value of the Recognized Loss will be zero and the claimant will not be entitled to a share of the Net Settlement Fund. To the extent that a claimant suffered a trading loss on his, her or its overall transactions in the Company’s shares during the Settlement Class Period, but that trading loss was less than the Recognized Loss calculated above, then the Recognized Loss shall be limited to the amount of the claimant’s actual trading loss.

For purposes of calculating your Recognized Loss, the date of purchase, acquisition or sale is the “contract” or “trade” date and not the “settlement” or “payment” date. The receipt or grant by gift, inheritance or operation of law of the Company shares shall not be deemed a purchase, acquisition or sale of shares for the calculation of an Authorized Claimant’s Recognized Loss. The covering purchase of a short sale is not an eligible purchase.

For purposes of calculating your Recognized Loss, all purchases, acquisitions and sales shall be matched on a First In First Out (“FIFO”) basis in chronological order. Therefore, on the Proof of Claim enclosed with this Notice, you must provide all your purchases of the Company shares during the period March 12, 2019 through and including June 29, 2020.

The date of covering a “short sale” is deemed to be the date of purchase or acquisition of the stock. The date of a “short sale” is deemed to be the date of sale of the stock. In accordance with the Plan of Allocation, however, the Recognized Loss on “short sales” is zero. In the event that a Claimant has an opening short position in Paysign common stock, the earliest purchases or acquisitions of Paysign common stock during the Settlement Class Period shall be matched against such opening short position, and shall not be entitled to a recovery, until that short position is fully covered.

Payment pursuant to the Plan of Allocation approved by the Court shall be conclusive against all Authorized Claimants. No person shall have any claim against Defendants, Defendants’ Counsel, Plaintiffs, Lead Counsel or the Claims Administrator or other agent designated by Lead Counsel based on the distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. Each claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the claimant’s Claim Form. All persons involved in the review, verification, calculation, tabulation, or any other aspect of the processing of the claims submitted in connection with the Settlement, or otherwise involved in the administration or taxation of the Settlement Fund or the Net Settlement Fund shall be released and discharged from any and all claims arising out of such involvement, and all Settlement Class Members, whether or not they are to receive payment from the Net Settlement Fund, will be barred from making any further claim against the Net Settlement Fund beyond the amount allocated to them as provided in any distribution orders entered by the Court.

9. How can I get a payment?

To qualify for a payment, you must send in a form entitled “Proof of Claim and Release Form” (“Claim Form”). This Proof of Claim and Release Form is attached to this Notice. You may also obtain a Proof of Claim and Release Form at www.strategicclaims.net/Paysign/. Read the instructions carefully, fill out the form, and sign it in the location indicated. The Proof of Claim and Release Form may be completed in two ways: (1) by completing and submitting it electronically at www.strategicclaims.net/Paysign/ **by 11:59 p.m. EST on March 4, 2024**; or (2) by mailing the claim form together with all documentation requested in the form, **postmarked no later than March 4, 2024**, to the Claims Administrator at:

Paysign, Inc. Securities Litigation
c/o Strategic Claims Services
P.O. Box 230
600 N. Jackson Street, Suite 205
Media, PA 19063
Fax: (610) 565-7985
info@strategicclaims.net

The Claims Administrator will process your claim and determine whether you are an Authorized Claimant.

10. What am I giving up to get a payment or stay in the Class?

Unless you exclude yourself from the Settlement Class by the **March 20, 2024** deadline, you will remain a member of the Settlement Class and will be bound by the release of claims against Defendants and other Released Parties if the Settlement is approved. That means you and all other Settlement Class Members and each of their respective parent entities, associates, affiliates,

subsidiaries, predecessors, successors, assigns, attorneys, immediate family members, heirs, representatives, administrators, executors, devisees, legatees, and estates will release (agreeing never to sue, continue to sue, or be part of any other lawsuit) as against Defendants and other Released Parties any and all claims which arise out of, are based upon or relate in any way to the purchase or acquisition of Paysign common stock during the Settlement Class Period. It means that all of the Court's orders will apply to you and legally bind you. That means you will accept a share of the Net Settlement Fund as sole compensation for any losses you suffered in the purchase, acquisition, sale, or ownership of Paysign common stock during the Settlement Class Period. The specific terms of the release are included in the Stipulation.

11. How do I get out of the Settlement?

If you do not want to receive a payment from this Settlement, and you want to keep any right you may have to sue or continue to sue Defendants or other Released Parties on your own about the claims being released in this Settlement, then you must take steps to exclude yourself from the Settlement. To exclude yourself from the Settlement, you must mail a letter that (A) clearly indicates your name, address, phone number and e-mail contact information (if any) and states that you "request to be excluded from the Settlement Class in *In re Paysign, Inc Securities Litigation*, No. 2:20-cv-00553 (D. Nev.)" and (B) states the date, number of shares and dollar amount of each purchase or acquisition of Paysign common stock during the Settlement Class Period, the dates, number of shares, and dollar amounts of any sales, as well as the number of shares of Paysign common stock held by you as of March 31, 2020. To be valid, such request for exclusion must be submitted with documentary proof: (i) of each purchase and, if applicable, sale of Paysign common stock during the Settlement Class Period; and (ii) demonstrating your status as a beneficial owner of the Paysign common stock. Any such request for exclusion must be signed and submitted by you, as the beneficial owner, under penalty of perjury. You must mail your exclusion request, to be **received no later than March 20, 2024**, to the Claims Administrator at the following address:

Paysign, Inc. Securities Litigation
c/o Strategic Claims Services
P.O. Box 230
600 N. Jackson Street, Suite 205
Media, PA 19063

You cannot exclude yourself by telephone or by e-mail.

If you properly exclude yourself, you will not receive a payment from the Net Settlement Fund, you cannot object to the Settlement, and you will not be legally bound by the judgment in this case.

12. If I do not exclude myself, can I sue Defendants or the other Released Parties for the same thing later?

No. Unless you followed the procedure outlined in the Notice to exclude yourself, you give up any right to sue Defendants or other Released Parties for the claims being released in this Settlement. If you have a pending lawsuit related to any Released Claims, speak to your lawyer in that case immediately, since you must exclude yourself from this Settlement Class to continue your own lawsuit.

13. Do I have a lawyer in this case?

The Court appointed Pomerantz LLP as Lead Counsel to represent you and the other Settlement Class Members. If you want to be represented by your own lawyer, you may hire one at your own expense. Contact information for Pomerantz LLP is provided below.

14. How will the lawyers be paid?

Lead Counsel have expended considerable time litigating this Action on a contingent fee basis and have paid for the expenses of the case themselves. They have not been paid attorneys’ fees or reimbursed for their expenses in advance of this Settlement. Lead Counsel have done so with the expectation that, if they are successful in recovering money for the Settlement Class, they will receive attorneys’ fees and be reimbursed for their litigation expenses from the Settlement Fund, as is customary in this type of litigation. Lead Counsel will not receive attorneys’ fees or be reimbursed for their litigation expenses except from the Settlement Fund. Therefore, Lead Counsel will file a motion asking the Court at the Settlement Hearing to make an award of attorneys’ fees in an amount not to exceed 33 1/3rd percent plus interest of the Settlement Amount (\$1,249,999.99), reimbursement of litigation expenses of no more than \$110,000 and an Award to Plaintiffs not to exceed \$10,000 each. The Court may award less than these amounts. Any amounts awarded by the Court will come out of the Settlement Fund.

15. How do I tell the Court that I do not like the Settlement?

You can tell the Court you do not agree with the Settlement, any part of the Settlement, and/or to Lead Counsel’s motion for attorneys’ fees and expenses and application for an Award to Plaintiffs, and that you think the Court should not approve the Settlement, by mailing a letter stating that you object to the Settlement in the matter of *In re Paysign, Inc. Securities* Litigation No. 2:20-cv-00553 (D. Nev.). Be sure to include: (1) your name, address, and telephone number; (2) a list of all purchases and sales of Paysign common stock during the Settlement Class Period in order to show membership in the Settlement Class; (3) all grounds for the objection, including any legal support known to you or your counsel; (4) the name, address and telephone number of all counsel, if any, who represent you, including your former or current counsel who may be entitled to compensation in connection with the objection; and (5) the number of times you and/or your counsel has filed an objection to a class action settlement in the last five years, the nature of each such objection in each case, the jurisdiction in each case, and the name of the issuer of the security or seller of the product or service at issue in each case. Attendance at the Settlement Hearing is not necessary. Objectors wishing to be heard orally at the Settlement Hearing are required to indicate in their written objection (or in a separate writing that is submitted in accordance with the deadline and after instruction pertinent to the submission of a written objection) that they intend to appear at the Settlement Hearing and identify any witnesses they may call to testify or exhibits they intend to introduce into evidence at the Settlement Hearing. Be sure to serve copies of any objections, papers and briefs to **each** of the addresses listed below, to be **received no later than March 20, 2024**:

16. What is the difference between objecting and requesting exclusion?

Objecting is simply telling the Court you do not like something about the Settlement or some portion thereof. You can object only if you stay in the Settlement Class. Requesting exclusion is telling the Court you do not want to be part of the Settlement Class and Settlement. If you exclude yourself, you cannot object to the Settlement because it no longer concerns you. If you stay in the Settlement Class and object, but your objection is overruled, you will not be allowed a second opportunity to exclude yourself.

17. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Settlement Hearing on **April 17, 2024, at 10:00 a.m.**, at the United States District Court, District of Nevada, 333 Las Vegas Boulevard South, Courtroom 7D, Las Vegas, NV 89101.

At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate and whether to approve the Settlement. If there are objections, the Court will consider them, and the Court will listen to people who have asked to speak at the hearing. The Court may also decide how much to pay Lead Counsel for attorneys' fees and expenses and how much to award Lead Plaintiffs.

18. Do I have to come to the hearing?

No. Lead Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mail your written objection on time, the Court will consider it.

19. What happens if I do nothing at all?

If you do nothing, you will not receive a payment from the Settlement. However, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants or the Released Parties about the Released Claims (as defined in the Stipulation) ever again.
