United States District Court for the Western District of Kentucky

If you invested money in or through the William Jordan Fund Scheme (as defined below) and suffered a loss, then the proposed settlement of a class action lawsuit may affect your rights.

- This Notice explains what the class action is about, what the Settlement will be if it is approved by the United States District Court for the Western District of Kentucky, what benefits you may receive under the Settlement, and what to do if you want to (i) object to the Settlement; or (ii) not participate in the Settlement and instead “opt out” of the Class Action.¹ These rights and options—**and the deadlines to exercise them**—are explained in this notice.
- The Court still has to decide whether to approve the Settlement. The relief provided to Settlement Class Members will be provided if the Court approves the Settlement and after appeals, if any, are resolved in favor of the Settlement. Please be patient.

BASIC INFORMATION

1. Why did I get this notice and what is this lawsuit about?

A class action lawsuit, entitled *McNally v. The Kingdom Trust Company*, was brought in the United

¹ Unless otherwise stated, all capitalized terms used herein have the meanings defined in the Settlement Agreement.

States District Court for the Western District of Kentucky against Defendant, The Kingdom Trust Company (“Defendant” or “Kingdom Trust”), on behalf of persons and entities who invested in a purported Ponzi scheme (the “William Jordan Fund Scheme”) operated by William Jordan (“Jordan”), and who lost money thereby. According to the class action complaint (“Complaint”), Jordan, acting as an advisor and fiduciary for investors through his businesses William Jordan Investments, Inc. and WJA Asset Management, LLC, placed the investors’ money in several investment funds Jordan organized and controlled (the “WJA Funds”), ostensibly to profitably invest such money in real estate, private equity, and other securities. The investment funds at issue are described below in Who is in the Settlement? Unfortunately, investors in the William Jordan Fund Scheme lost money when the scheme ultimately collapsed.

The Complaint was brought against Defendant Kingdom Trust, as the WJA Funds’ custodian and trustee. It alleged that Kingdom Trust aided and abetted the William Jordan Fund Scheme by knowingly allowing the commingling of investor funds and facilitating improper transfers between funds, and that it committed its own fraud and violated the Kentucky Securities Act by sending statements containing fraudulent investment valuations to WJA Fund investors. Kingdom Trust denies the claims. For more detailed information on the allegations, you may review a copy of Plaintiffs’ Complaint at www.strategicclaims.net/McNallyvKingdomTrust.

The Parties have now settled this lawsuit (the “Settlement”), and a Claims Administrator has issued this Notice.

This Notice also informs you of the Court’s preliminary certification of a Class, as defined below, for purposes of the Settlement, and the effect of that certification decision.

The Court ordered this Notice because the proposed Settlement may apply to you, and you have a right to know about it and all your options before the Court decides whether to approve the Settlement.

2. Why is this a class action and who is involved?

In a class action, one or more people called “Class Representatives” sue on behalf of other people who have similar claims. All those people together are the “Class” or “Settlement Class Members.”

The Court preliminarily certified a Class consisting of: all persons or entities who invested money in or through the William Jordan Fund Scheme (as defined below), and suffered a loss.

The Court’s class certification decision means that Settlement Class Members who wish to receive the benefit of the Settlement must remain in the Class. However, those Settlement Class Members will also be bound by any judgement in this Action, including the Release (explained here). In other words, a Settlement Class Member who chooses to remain in the Class and accept the benefits of the Settlement will forgo the right to bring their own separate lawsuit against any of the Released parties with a lawyer of their choosing at their own expense. Settlement Class Members who do not want to remain in the Settlement Class need to exclude themselves (“opt-out”) from the Class as explained in Section 13 below.

At the Fairness Hearing, the Court will consider, among other things, whether the Class should be certified permanently.

3. Why is there a settlement?

The Court did not decide in either Plaintiffs’ or Kingdom Trust’s favor and will not do so if the proposed Settlement is approved. The Settlement will end all the claims against Kingdom Trust in the Action and avoid the uncertainties and costs of further litigation and any further trial.

Plaintiffs have agreed to a Settlement of this Action after considering, among other things: (1) the benefits to Plaintiffs and the proposed Settlement Class under the terms of the Settlement Agreement; (2) the risks,

costs, and uncertainty of continued, protracted litigation, as well as the difficulties and delays inherent in such litigation; (3) whether or not Plaintiffs would be able to collect on a judgement (i.e., Kingdom Trust's ability to pay) if Plaintiffs prevailed at trial; and (4) the desirability of consummating the Settlement Agreement promptly in order to provide effective relief to Plaintiffs and the proposed Class.

The proposed Settlement does not suggest that Kingdom Trust has or has not done anything wrong, or that Plaintiffs and the proposed Class would or would not win their case if it were to go to trial.

WHO IS IN THE SETTLEMENT

4. How do I know if I am part of the Settlement?

You are a Settlement Class Member if you, on behalf of yourself or an entity you own, invested in the William Jordan Fund Scheme and suffered a loss as a result of that investment.

WHAT YOU GET FROM THE SETTLEMENT

5. What does the Settlement provide?

The Settlement Agreement provides that Kingdom Trust will create a fund of \$1 million, called the "Settlement Fund," that will be used to pay:

- (a) payments to Settlement Class Members who submit timely, valid, and approved Claim Forms;
- (b) Claims administration costs, including, but not limited to, notice and administration costs and any escrow and banking fees ("Notice and Administrative Expenses");
- (c) payments to Class Representatives for any Service Awards as ordered by the Court; and

(d) payments to Class Counsel for attorney's fees and litigation costs as ordered by the Court ("Attorneys' Fees and Expense Award").

After deducting from the Settlement Fund any Court-approved payments to Class Representatives and Class Counsel for an Attorneys' Fees, Expenses, and Service Award, and the Notice and Administrative Expenses (the "Net Cash Settlement Amount"), Settlement Class Members will be paid from the Settlement Fund in an amount equal to the Settlement Class Member's proportionate share of the Net Cash Settlement Amount, relative to the total dollar amount on the Settlement Class Member's completed and validated Claim Form, up to the full dollar amount of the Settlement Class Member's validated Claim Form, as explained under § 6. The Plan of Allocation, below.

In return for the benefits in this Settlement, and if the Settlement is implemented, all Settlement Class Members will release Kingdom Trust from the claims discussed in the Settlement, and this Action will be dismissed with prejudice, among other terms.

6. The Plan of Allocation

At this time, it is not possible to determine how much any individual Settlement Class Member might receive from the Settlement.

Under the proposed Plan of Allocation, the Claims Administrator will first calculate each Settlement Class Member's Alleged Loss (the "Recognized Claim" or "Recognized Alleged Loss"). The Plan of Allocation seeks to distribute the Net Cash Settlement Amount fairly to those Settlement Class Members who filed timely, valid Claim Forms and suffered economic loss as a result of their investments in the William Jordan Scheme. Calculations made under the Plan of Allocation are not intended to be estimates of, or indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. Nor are those calculations intended to be estimates of the amounts that will be paid to Authorized Claimants under the Settlement. Computations under the Plan of Allocation are only a method to weigh the claims of Claimants against one another for the purposes of making pro rata allocations of the Net Cash Settlement Amount. To the extent that there are sufficient funds in the Net Cash Settlement Amount, each Authorized Claimant will receive a payment equal to their Alleged Loss. If there are not sufficient funds in the Net Cash Settlement Amount to pay the total Alleged Losses of all Authorized Claimants, then each Authorized Claimant's payment will be their *pro rata* share, as defined below.

PROPOSED PLAN OF ALLOCATION

The Alleged Loss shall mean the principal amount each Authorized Claimant invested in the William Jordan Fund Scheme less any amounts received in return, including payments such as interest, redemptions, or any amounts received in the WJA Bankruptcy.

By way of example, if an Authorized Claimant invested \$100 in the William Jordan Fund Scheme, received \$20 in interest payments on their investment, and in addition, recovered \$10 through the WJA Bankruptcy, their Alleged Loss would be \$70 ($\$100 - \$20 - \$10 = \70).

The Claims Administrator will then calculate each Authorized Claimant's recovery under the Settlement by multiplying the Net Cash Settlement Amount by a fraction, (a) the numerator of which is the Authorized Claimant's Alleged Loss and (b) the denominator of which is the sum of each and every Authorized Claimant's Alleged Loss ("*pro rata* share").

The Plan of Allocation is not a part of the condition of approval of the Settlement. Under the Settlement Agreement, the Net Cash Settlement Amount may be distributed in accordance with the proposed Plan of Allocation or such other plan as the Court may approve.

Defendant is not entitled to get back any portion of the Settlement Fund once the Court's order or

judgment approving the Settlement becomes Final. Defendant shall not have any liability, obligation, or responsibility for the administration of the Settlement, the disbursement of the Net Cash Settlement Amount, or the Plan of Allocation.

The Net Cash Settlement Amount will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal, or review, whether by certiorari or otherwise, has expired.

7. How can I get a cash payment?

You must submit a valid and timely Claim Form to receive a cash payment from the Net Cash Settlement Amount.

To submit a Claim, you must submit a Claim Form, and supporting documentation if needed, using either the attached Claim Form or using the online claims module at www.strategicclaims.net/McNallyvKingdomTrust.

If you do not complete and submit a completed Claim Form and Form W-9, as well as supporting documentation for the investments claimed on your Claim Form, you will not receive any payments under the Settlement.

A Claim Form with Form W-9 is attached to this Notice. You may also obtain a Claim Form and a Form W-9 by visiting www.strategicclaims.net/McNallyvKingdomTrust. Please read the instructions carefully, fill out the forms completely and accurately, and submit the forms and any documents, as applicable. Claim Forms and Form W-9s must be submitted online at www.strategicclaims.net/McNallyvKingdomTrust by 11:59 p.m. ET on April 14, 2026 or postmarked no later than April 14, 2026.

8. When would I receive my benefits?

Once the deadlines for opting out and objecting to the Settlement set forth below have passed, the Court will hold a Fairness Hearing on April 28, 2026 to decide whether to approve the Settlement.

The Court must finally approve the proposed Settlement before any payments can be made. The Court will grant its approval only if it finds that the proposed Settlement is fair, reasonable and adequate. In addition, the Court's order may be subject to appeals. It is always uncertain whether these appeals can be resolved, and resolving them takes time, sometimes more than a year. Finally, there remains a possibility that this Settlement may be terminated for other reasons. You may visit www.strategicclaims.net/McNallyvKingdomTrust for updates on the progress of the Settlement. Please be patient.

9. What am I giving up for these benefits?

In exchange for the benefits described in this Notice, and if the Court grants Final Approval of the Settlement, all Settlement Class Members who do not opt out of the Settlement are giving up (also called "releasing") their right to sue The Kingdom Trust Company and the other Releasees for claims related to the William Jordan Fund Scheme (the "Released Claims").

Released Claims means any and all Claims of or by the Settlement Class Members, as against the Releasees, that were asserted, could have been asserted, or could in the future be asserted, arising from, based on, or relating to allegations in the Class Action.

Released Claims do not include any claims you may have in the WJA Bankruptcy action.

If you remain in the Settlement Class, you will be enjoined and barred from initiating or continuing any lawsuit or other proceeding against The Kingdom Trust Company and the other Releasees if those claims are included among those released in the Settlement.

As part of this Settlement, the Court has preliminarily enjoined all Settlement Class Members and/or their representatives (who do not timely exclude themselves from the Class) from maintaining, commencing, prosecuting, or pursuing any Released Claim against The Kingdom Trust Company (or against any of their related parties or affiliates).

Upon final approval of the Settlement, Plaintiffs and The Kingdom Trust Company will ask the Court to make this injunction permanent (the “Complete Bar Order”). All Settlement Class Members will be bound by this permanent injunction.

The Settlement Agreement is available at www.strategicclaims.net/McNallyvKingdomTrust and provides more detail regarding the Release.

THE LAWYERS AND PLAINTIFFS REPRESENTING YOU

10. Do I have a lawyer in this case?

The Court has decided that the lawyers at Rosca Scarlato LLC and McCarthy Lebit Crystal & Liffman Co., LPA are qualified to represent you and all Settlement Class Members. These lawyers have been designated as Class Counsel for the Settlement based on a determination that they are capable and experienced in handling complex class actions.

You can contact Class Counsel at:

Alan L. Rosca ROSCA SCARLATO LLC 3401 Enterprise Parkway Suite 340-311 Beachwood, OH 44122 arosca@rscounsel.law	Paul J. Scarlato ROSCA SCARLATO LLC Four Tower Bridge, 200 Barr Harbor Drive Suite 400 W. Conshohocken, PA 19428 pscarlato@rscounsel.law	Hugh D. Berkson MCCARTHY LEBIT CRYSTAL & LIFFMAN 1111 Superior Avenue East Suite 2700 Cleveland, OH 44114 hdb@mccarthylebit.com
--	---	--

11. How will the lawyers be paid?

Class Counsel will ask the Court to approve an Attorneys’ Fees and Expense Award, which is to be paid from the Settlement Fund. The Court may award less than the requested amount. Class Counsel expects to apply for an award of fees not to exceed 33 1/3% of the Settlement Fund and expenses not to exceed \$20,000. Class Counsel must file their request for attorneys’ fees and costs by March 30, 2026. A copy of Class Counsel’s request for attorneys’ fees and costs will be posted on the Settlement website once it has been filed.

12. Will the Class Representatives get anything?

Class Counsel will petition the Court for a Service Award, to be paid from the Settlement Fund, for each of the Class Representatives, Daniel McNally and Daniel Brager, in the amount of \$15,000 each. The purpose of such award, if any, shall be to compensate the Class Representatives for efforts undertaken by them on behalf of the Class. Class Counsel must file their request for a Service Award by March 30, 2026. A copy of Class Counsel’s request for a Service Award will be posted on the Settlement website once it has been filed.

EXCLUDING YOURSELF FROM THE SETTLEMENT

13. How do I opt out of the Settlement?

If you want to be able to sue The Kingdom Trust Company for the claims that are covered by the Release in this Settlement, you must exclude yourself from the Class. This process is also sometimes referred to as “opting out.”

To exclude yourself from the Settlement, you must submit a request to opt out to the Claims Administrator. The request to opt out must: (a) identify the case name, *McNally v. The Kingdom Trust Company*; (b) identify the name and address of the person requesting exclusion; (c) be personally signed by the person requesting exclusion; and (d) contain a statement that indicates a desire to be excluded from the Settlement Class, such as “I hereby request that I be excluded from the proposed Settlement Class in the Action.” Your request to opt out must be received no later than April 14, 2026, (the “Opt-Out Deadline”) and must be mailed to:

McNally v. The Kingdom Trust Company
c/o Strategic Claims Services
600 N. Jackson St., Ste. 205
P.O. Box 230
Media, PA 19063

If you ask to be excluded, you will **not** receive any Settlement benefits, and you **cannot** object to the Settlement.

However, if your request for exclusion is late or deficient, you will still be considered a part of the Settlement Class, you will be bound by the Settlement and by all other orders and judgments in this lawsuit, and you will not be able to participate in any other lawsuits based on the claims in this case.

OBJECTING TO THE SETTLEMENT

14. How do I tell the Court I do not like the Settlement?

If you remain in the Settlement Class, you can tell the Court you do not agree with the Settlement or some part of it.

You can ask the Court to deny approval by filing an objection. You cannot ask the Court to order a different settlement; the Court can only approve or reject the Settlement. If the Court denies approval, no Settlement payments will be sent out and the lawsuit will continue. If that is what you want to happen, you must object.

Any objection to the proposed Settlement must be in writing. If you file a timely written objection, you may, but are not required to, appear at the Fairness Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for hiring and paying that attorney.

All written objections and supporting papers must (a) clearly identify the case name and number (*McNally v. The Kingdom Trust Company*, Case Number 5:21-cv-00068), (b) be submitted to the Court either by mailing them to the Clerk of the Court, United States District Court, Western District of Kentucky, Clerk’s Office, 601 W. Broadway, Room 106, Gene Snyder United States Courthouse, Louisville, KY 40202 or by filing them in person at any location of the United States District Court for the Western District of Kentucky, and (c) be filed or received on or before April 14, 2026 (the “Objection Date”).

You must also ***email or mail*** the objection and any supporting papers **on or before April 14, 2026** to Class Counsel. If by email, to: arosca@rscounsel.law **and** hdb@mccarthyebit.com. If by mail to: Alan Rosca, ROSCA SCARLATO LLC, 3401 Enterprise Parkway, Suite 340-311, Beachwood, OH 44122,

and Hugh Berkson, McCARTHY LEBIT CRYSTAL & LIFFMAN CO., LPA, 1111 Superior Avenue, Suite 2700, Cleveland, OH 44114.

All written objections must include the name, address, telephone number of the Settlement Class Member objecting and, if represented by counsel, of his/her counsel; the basis for objection; and a statement of whether he/she intends to appear at the Fairness Hearing, either with or without counsel.

THE COURT'S FAIRNESS HEARING

15. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Fairness Hearing on April 28, 2026 at 2 p.m., which is subject to change, at the United States District Court for the Western District of Kentucky, Gene Snyder U.S. Courthouse, 601 W. Broadway, Room 106, Louisville, KY 40202, before the Honorable Benjamin Beaton, United States District Judge. At this hearing, the Court will consider whether to finally certify the Class, and whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court may also decide how much to pay Class Counsel and the Class Representatives pursuant to the Attorneys' Fees, Expenses, and Service Award Application, and for Notice and Administrative Expenses. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take. The Fairness Hearing may be postponed without further notice to the Class. If you plan to attend the hearing, you should check www.strategicclaims.net/McNallyvKingdomTrust or the Court's PACER site at <https://ecf.kywd.uscourts.gov>, **to confirm that the date has not been changed.**

16. Do I have to come to the hearing?

No. Class Counsel will represent you and will answer any questions Judge Beaton may have. But you are welcome to come at your own expense. If you send a comment (including an objection), you do not have to come to the Court to talk about it. As long as you submitted it on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.
