Case No. 2:24-cv-08959-ODW-PVC

CLASS ACTION

**NOTICE OF PENDENCY AND PROPOSED
SETTLEMENT OF CLASS ACTION**

If you purchased or otherwise acquired WM Technology, Inc. (“WM Technology” or the “Company”) Securities (as defined below) during the period between May 25, 2021, and September 24, 2024, both dates inclusive (“Class Period”), you could get a payment from a proposed class action settlement (“Settlement”).

A federal court has authorized this notice. This is not attorney advertising.

- If approved by the Court, the Settlement will provide \$7,500,000 (“Settlement Amount”), plus interest as it accrues, minus attorneys’ fees, costs, administrative expenses, and net of any taxes on interest, to pay claims of investors who purchased or otherwise acquired WM Technology Securities during the Class Period.
- The Settlement represents an estimated average recovery of \$0.072 per share for the approximately 104.6 million securities allegedly damaged during the Class Period. Settlement Class Members may recover more or less than this amount depending on, among other factors, the aggregate losses of all Settlement Class Members, the total number and amount of claims filed, the date(s) and prices at which their shares were purchased, whether the shares were sold, and if so, when they were sold and for how much.
- Lead Counsel intends to ask the Court to award them fees of up to one-third of the Settlement Amount or \$2,500,000 (plus interest), reimbursement of litigation expenses of no more than \$100,000 (plus interest), and an award to Plaintiffs not to exceed \$15,000 in total. Collectively, the attorneys’ fees and expenses and award to Plaintiffs are estimated to average \$0.025 per

allegedly damaged WM Technology share. If approved by the Court, these amounts will be paid from the Settlement Fund.

- The approximate recovery, after deduction of attorneys' fees and expenses and award to Plaintiffs approved by the Court, is an average of \$0.047 per allegedly damaged WM Technology Security. This estimate is based on the assumptions set forth in the two preceding paragraphs. Your actual recovery, if any, will depend on, among other factors, the aggregate losses of all Settlement Class Members, the total number and amount of claims filed, the date(s) and prices at which their shares were purchased, whether the shares were sold, and if so, when they were sold and for how much.
- The Settlement resolves the Action concerning whether Defendants violated the federal securities laws by making misrepresentations of material fact in public statements to investors. Defendants deny each and every claim and contention alleged in the Action and deny any misconduct or wrongdoing whatsoever.
- Your legal rights will be affected whether you act or do not act. If you do not act, you may permanently forfeit your right to recover on this claim. Therefore, you should read this Notice carefully.

DEFINITIONS

All capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Stipulation of Settlement, dated May 14, 2026 (“Stipulation”).

COMMON QUESTIONS AND ANSWERS CONCERNING THE SETTLEMENT

1. Why did I get this Notice?

You or someone in your family may have purchased WM Technology Securities between May 25, 2021, and September 24, 2024, both dates inclusive. “WM Technology Securities” means the publicly traded common stock and warrants of WM Technology, Inc. from June 16, 2021 to September 24, 2024, both dates inclusive, and the publicly traded common stock and warrants of Silver Spike Acquisition Corp. from May 25, 2021 to June 15, 2021, both dates inclusive. (CUSIPs: G8136L106 and 92971A109 for common stock and CUSIPs: G8136L114 and 92971A117 for warrants).

2. What is this lawsuit about?

The case is known as *Ishak v. WM Technology, Inc., et al.*, 2:24-cv-08959-ODW-PVC (“Action”). The Action is pending in the United States District Court for the Central District of California.

Plaintiffs allege that Defendants violated federal securities laws by making misrepresentations of material fact in public statements to investors. Specifically, the Complaint alleges that Defendants misrepresented the growth of WM Technology’s active users on its website and app. The Complaint asserts that the alleged misrepresentations artificially inflated the price of WM Technology Securities, and that the price of the securities dropped when the alleged truth was revealed, damaging investors. Defendants have denied and continue to deny the allegations in the Complaint and all charges of wrongdoing or liability.

3. Why is this a class action?

In a class action, one or more persons, called plaintiffs, sue on behalf of all persons who have similar claims. All of these persons are referred to collectively as a class, and these individual persons are known as class members. One court resolves all of the issues for all class members, except for those class members who exclude themselves from the class.

4. Why is there a Settlement?

Plaintiffs and Defendants do not agree on the merits of Plaintiffs’ allegations and Defendants’ defenses with respect to liability or the amount of damages per share, if any, that would be recoverable if Plaintiffs were to prevail at trial on each claim. The issues on which Plaintiffs and Defendants disagree include: (1) whether Defendants made any misrepresentations that were materially false or misleading or otherwise actionable under federal securities law; (2) whether any Defendant acted with scienter; (3) to the extent any statements were materially false or misleading, whether any subsequent disclosures corrected those prior misrepresentations; (4) the causes of the loss in the value of the stock; and (5) the amount of damages, if any, that could be recovered at trial.

This matter has not gone to trial. Instead, Plaintiffs and Defendants have agreed to settle the case. Plaintiffs and Lead Counsel believe the Settlement is best for all Settlement Class Members because of the risks associated with continued litigation and the nature of the defenses Defendants would raise. Among the reasons that Plaintiffs and Lead Counsel believe the Settlement is fair is the fact that there is uncertainty about whether Plaintiffs would be able to prevail on a motion for

class certification, whether Plaintiffs would be able to prove their claims at trial, and whether Plaintiffs would be able to prove that the alleged misrepresentations actually caused the Settlement Class damages (and the amount of damages, if any).

Even if Plaintiffs were to win at trial, and also prevail on any appeal brought by Defendants, Plaintiffs might not be able to collect any judgment they could be awarded. Moreover, litigation of this type is usually expensive, and it appears that, even if Plaintiffs' allegations were eventually found to be true, the total amount of damages to which Settlement Class Members would be entitled could be substantially reduced.

5. How do I know if I am part of the Settlement?

The Settlement Class consists of those Persons who purchased or otherwise acquired WM Technology Securities between May 25, 2021, and September 24, 2024, both dates inclusive.

6. Are there exceptions to being included?

Yes. Excluded from the Settlement Class are: (a) Persons who suffered no compensable losses, and (b) Defendants; the present and former officers and directors of WM Technology at all relevant times; members of their immediate families and their legal representatives, heirs, successors, or assigns, and any entity in which WM Technology, or any person excluded under this subsection (b), has or had a majority ownership interest at any time. Also excluded from the Settlement Class are those Persons who file valid and timely requests for exclusion from the Settlement Class.

7. I am still not sure whether I am included.

If you are still not sure whether you are included, you can ask for free help. For more information, you can contact the Claims Administrator, Strategic Claims Services, by phone at (866) 274-4004 or by facsimile at (610) 565-7985, by email at info@strategicclaims.net, visit the website www.strategicclaims.net/WMTechnology/, or fill out and return the Claim Form described in Question 9, to see if you qualify.

8. What does the Settlement provide?

a. What is the Settlement Fund?

The proposed Settlement provides that Defendants pay and/or cause to be paid the Settlement Amount of \$7,500,000; the Settlement Amount, plus any interest earned thereon, is the "Settlement Fund." The Settlement is subject to Court approval. Also, subject to the Court's approval, a portion of the Settlement Fund will be used to pay attorneys' fees and reasonable litigation expenses to Lead Counsel and any award to Plaintiffs. A portion of the Settlement Fund also will be used to pay taxes due on interest earned by the Settlement Fund, if necessary, and the costs of the claims administration, including the costs of printing and mailing this Notice and the costs of publishing notice. After the foregoing deductions from the Settlement Fund have been made, the amount remaining ("Net Settlement Fund") will be distributed according to the Plan of Allocation to be approved by the Court to Settlement Class Members who submit timely, valid Claim Forms.

b. What can you expect to receive under the proposed Settlement?

Your share of the Net Settlement Fund will or may depend on: (i) the number of claims filed; (ii) the dates you purchased and sold WM Technology Securities; (iii) the prices of your purchases and sales; (iv) the amount of administrative costs, including the costs of notice; and (v) the amounts awarded by the Court to Lead Counsel for attorneys' fees, costs, and expenses and any award to Plaintiffs.

The Claims Administrator will determine each Settlement Class Member's *pro rata* share of the Net Settlement Fund based upon each Settlement Class Member's valid "Recognized Loss." The Recognized Loss formula is not intended to be an estimate of the amount that a Settlement Class Member might have been able to recover after a trial; it also is not an estimate of the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Settlement Class Members with valid claims.

The Net Settlement Fund will be distributed to Settlement Class Members who submit a Claim Form and whose claims for recovery are allowed by the Claims Administrator pursuant to the terms of the Stipulation or by order of the Court under the below Plan of Allocation ("Authorized Claimants"), which reflects Plaintiffs' contention that because of the alleged misrepresentations made by Defendants, the prices of WM Technology Securities were artificially inflated during the Class Period, and that certain subsequent disclosures corrected the price inflation. Defendants deny those allegations.

PROPOSED PLAN OF ALLOCATION OF THE NET SETTLEMENT FUND

The Plan of Allocation is a matter separate and apart from the proposed Settlement, and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the proposed Settlement. The Court may approve the Plan of Allocation with or without modifications agreed to among the Parties, or another plan of allocation, without further notice to Settlement Class Members. Any orders regarding a modification of the Plan of Allocation will be posted to the Claims Administrator's website, www.strategicclaims.net/WMTechnology/.

The Claims Administrator shall determine the *pro rata* share of the Net Settlement Fund of each Authorized Claimant based upon each Authorized Claimant's Recognized Loss. **Please Note:** The Recognized Loss formula, set forth below, is not intended to be an estimate of the amount of what a Settlement Class Member might have been able to recover after a trial, nor is it an estimate of the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss formula is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants.

To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's Recognized Loss and subject to the provisions in the following paragraphs. If, however, the amount in the Net Settlement Fund is not sufficient to permit payment of the total Recognized Loss of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's Recognized Loss bears to the total Recognized Losses of all Authorized Claimants and subject to the provisions in the following paragraphs (*i.e.*, "*pro rata* share"). Payment in this manner shall be deemed conclusive against all Authorized Claimants. No distribution will be made on a claim where the potential distribution amount is less than ten dollars (\$10.00) in cash.

If any funds remain in the Net Settlement Fund by reason of uncashed checks, or otherwise, after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in the distribution of the Net Settlement Fund cash their distribution checks, then any balance remaining in the Net Settlement Fund six (6) months after the initial distribution of such funds shall be used: (i) first, to pay any amounts mistakenly omitted from the

initial distribution to Authorized Claimants; (ii) second, to pay any additional Administrative Costs incurred in administering the Settlement; and (iii) finally, to make a second distribution to Authorized Claimants who cashed their checks from the initial distribution and who would receive at least \$10.00 from such second distribution, after payment of the estimated costs or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. If six (6) months after such second distribution, if undertaken, or if such second distribution is not undertaken, any funds shall remain in the Net Settlement Fund after the Claims Administrator has made reasonable and diligent efforts to have Authorized Claimants who are entitled to participate in this Settlement cash their checks, any funds remaining in the Net Settlement Fund shall be donated to a non-profit charitable organization(s) selected by Lead Counsel and approved by the Court.

THE BASIS FOR CALCULATING YOUR RECOGNIZED LOSS:

Each Authorized Claimant shall be allocated a *pro rata* share of the Net Settlement Fund based on his, her, or its Recognized Loss as compared to the total Recognized Losses of all Authorized Claimants. Recognized Losses will be calculated as follows:

- I) For WM Technology publicly traded common stock purchased during the Class Period, the Recognized Loss shall be calculated as follows:
 - (A) For shares purchased during the Class Period and sold during the Class Period, the Recognized Loss per share will be the *lesser* of: (1) the inflation per share upon purchase (as set forth in Inflation Table A below) less the inflation per share upon sale (as set forth in Inflation Table A below); or (2) the purchase price per share minus the sale price per share.
 - (B) For shares purchased during the Class Period and sold during the period from September 25, 2024 through December 23, 2024, inclusive, the Recognized Loss will be the *lesser* of: (1) the inflation per share upon purchase (as set forth in Inflation Table A below); or (2) the difference between the purchase price per share and the average closing share price as of date of sale provided in Table B below.
 - (C) For shares purchased during the Class Period and retained as of the close of trading on December 23, 2024, the Recognized Loss will be the *lesser* of: (1) the inflation per share upon purchase (as set forth in Inflation Table A below); or (2) the purchase price per share minus \$1.03¹ per share.

¹ Pursuant to Section 21(D)(e)(1) of the Private Securities Litigation Reform Act of 1995, “in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated.” \$1.03 per share was the mean (average) daily closing trading price of the Company’s shares during the 90-day period beginning on September 25, 2024, through and including December 23, 2024 (“90-day Lookback Period”).

For purposes of calculating your Recognized Loss, the date of purchase or sale is the “contract” or “trade” date and not the “settlement” or “payment” date. The receipt or grant by gift, inheritance or operation of law of WM Technology’s publicly traded securities shall not be deemed a purchase of WM Technology’s publicly traded securities for the calculation of an Authorized Claimant’s Recognized Loss. The covering purchase of a short sale is not an eligible purchase. Only purchases of publicly traded common stock and warrants of Silver Spike Acquisition Corporation and WM Technology during the Class Period are eligible purchases (CUSIPs: G8136L106 and 92971A109 for common stock and CUSIPs: G8136L114 and 92971A117 for warrants).

For purposes of calculating your Recognized Loss, all purchases and sales shall be matched on a First In First Out (“FIFO”) basis in chronological order. Therefore, on the Claim Form enclosed with this Notice, you must provide all your purchases and sales of WM Technology publicly traded common stock and warrants during the period from May 25, 2021 through and including December 23, 2024.

Payment pursuant to the Plan of Allocation approved by the Court shall be conclusive against all Authorized Claimants. No person shall have any claim against Defendants, Defense Counsel, Plaintiffs, Lead Counsel, or the Claims Administrator or other agent designated by Lead Counsel based on the distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further orders of the Court. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to the Claimant’s Claim Form. All persons involved in the review, verification, calculation, tabulation, or any other aspect of the processing of the claims submitted in connection with the Settlement, or otherwise involved in the administration or taxation of the Settlement Fund or the Net Settlement Fund, shall be released and discharged from any and all claims arising out of such involvement, and all Settlement Class Members, whether or not they are to receive payment from the Net Settlement Fund, will be barred from making any further claim against the Net Settlement Fund beyond the amount allocated to them as provided in any distribution orders entered by the Court.

9. How can I get a payment?

To qualify for a payment, you must send in a form entitled “Proof of Claim and Release Form.” This form is attached to this Notice. You may also obtain this form on the Settlement website at www.strategicclaims.net/WMTechnology/. Read the instructions carefully, fill out the form, sign it in the place indicated. The Proof of Claim and Release Form may be completed in two ways: (1) by completing and submitting it electronically at www.strategicclaims.net/WMTechnology/ by 11:59 p.m. ET on October 30, 2026; or (2) by mailing the claim form together with all documentation requested in the form, postmarked no later than October 30, 2026, to the Claims Administrator at:

WM Technology, Inc. Securities Litigation
c/o Strategic Claims Services
600 N. Jackson St., Ste. 205
P.O. Box 230
Media, PA 19063
Fax: (610) 565-7985
info@strategicclaims.net

The Claims Administrator will process your claim and determine whether you are an Authorized Claimant.

10. What am I giving up to get a payment or stay in the Class?

Unless you exclude yourself from the Settlement Class by the October 30, 2026 deadline, you will remain a member of the Settlement Class and will be bound by the release of claims against the Defendants and Released Parties if the Settlement is approved. That means you and all other Settlement Class Members and each of their respective parent entities, associates, affiliates, subsidiaries, predecessors, successors, assigns, attorneys, immediate family members, heirs, representatives, administrators, executors, devisees, legatees, and estates will release (agreeing never to sue, continue to sue, or be part of any other lawsuit) as against the Defendants and Released Parties any and all claims which arise out of, are based upon or relate in any way to the purchase or sale of WM Technology Securities during the Class Period. It means that all of the Court's orders will apply to you and legally bind you. That means you will accept a share of the Net Settlement Fund as the sole compensation for any losses you suffered in the purchase or sale of WM Technology Securities during the Class Period. The specific terms of the release are included in the Stipulation.

11. How do I exclude myself from the Settlement?

If you do not want to receive a payment from this Settlement, and you want to keep any right you may have to sue or continue to sue Defendants or other Released Parties on your own about the claims being released in this Settlement, then you must take steps to exclude yourself from the Settlement. To exclude yourself from the Settlement, you must mail a letter that: (A) clearly indicates your name, address, phone number and e-mail contact information (if any) and states that you "request to be excluded from the Settlement Class in *Ishak v. WM Technology, Inc., et al.*, 2:24-cv-08959-ODW-PVC (C.D. Cal.);" (B) states the date, number of shares, and dollar amount of each WM Technology Securities purchase during the Class Period, and any sale transactions; and (C) states the number of WM Technology Securities held by you as of the opening of trading on May 25, 2021 and the close of trading on December 23, 2024. To be valid, such request for exclusion must be submitted with documentary proof (i) of each purchase and, if applicable, sale transaction of WM Technology Securities during the Class Period, and (ii) demonstrating your status as a beneficial owner of the WM Technology Securities. Any such request for exclusion must be signed and submitted by you, as the beneficial owner, under penalty of perjury. You must mail your exclusion request, to be received no later than October 30, 2026, to the Claims Administrator at the following address:

WM Technology, Inc. Securities Litigation
c/o Strategic Claims Services
600 N. Jackson St., Ste. 205
P.O. Box 230
Media, PA 19063

You cannot exclude yourself by telephone or by e-mail.

If you properly exclude yourself, you will not receive a payment from the Net Settlement Fund, you cannot object to the Settlement, and you will not be legally bound by the Final Judgment in this case.

12. If I do not exclude myself, can I sue the Defendants for the same thing later?

No. Unless you followed the procedure outlined in this Notice and the Court's Preliminary Approval Order to exclude yourself, you give up any right to sue the Defendants or other Released Parties for the claims being released in this Settlement. If you have a pending lawsuit related to

any Released Claims, speak to your lawyer in that case immediately, since you must exclude yourself from this Settlement Class to continue your own lawsuit.

13. Do I have a lawyer in this case?

The Court appointed The Rosen Law Firm, P.A. as Lead Counsel to represent you and the other Settlement Class Members. If you want to be represented by your own lawyer, you may hire one at your own expense. Contact information for The Rosen Law Firm, P.A. is provided above.

14. How will the lawyers be paid?

Lead Counsel have expended considerable time litigating this Action on a contingent fee basis and have paid for the expenses of the case themselves. They have not been paid attorneys' fees or reimbursed for their expenses in advance of this Settlement. Lead Counsel have done so with the expectation that, if they are successful in recovering money for the Settlement Class, they will receive attorneys' fees and be reimbursed for their litigation expenses from the Settlement Fund, as is customary in this type of litigation. Lead Counsel will not receive attorneys' fees or be reimbursed for their litigation expenses except from the Settlement Fund. Therefore, Lead Counsel will file a motion asking the Court at the Settlement Hearing to make an award of attorneys' fees in an amount not to exceed one-third of the Settlement Fund, or \$2,500,000 (plus interest), for reimbursement of reasonable litigation expenses not to exceed \$100,000 (plus interest), and an Award to Plaintiffs in an amount not to exceed \$15,000 in total. The Court may award less than these amounts. Any amounts awarded by the Court will come out of the Settlement Fund.

15. How do I tell the Court that I object to the Settlement?

You can tell the Court you do not agree with the Settlement, any part of the Settlement, the Plan of Allocation, Lead Counsel's motion for attorneys' fees and expenses, or application for an Award to Plaintiffs, and that you think the Court should not approve any or all of the foregoing, by mailing a letter stating that you object to the Settlement in the matter of *Ishak v. WM Technology, Inc., et al.*, 2:24-cv-08959-ODW-PVC (C.D. Cal.). Be sure to include: (1) your name, address, and telephone number; (2) a list of all purchases and sales of WM Technology Securities during the Class Period in order to show membership in the Settlement Class; (3) all grounds for the objection, including any legal support known to you or your counsel; (4) the name, address and telephone number of all counsel, if any, who represent you; and (5) the number of times you and/or your counsel has filed an objection to a class action settlement in the last five years, the nature of each such objection in each case, the jurisdiction in each case, and the name of the issuer of the security or seller of the product or service at issue in each case. Attendance at the Settlement Hearing is not necessary. Objectors wishing to be heard orally at the Settlement Hearing are required to indicate in their written objection (or in a separate writing that is submitted in accordance with the deadline and after instruction pertinent to the submission of a written objection) that they intend to appear at the Settlement Hearing and identify any witnesses they may call to testify or exhibits they intend to introduce into evidence at the Settlement Hearing. Be sure to serve copies of any objections, papers and briefs to **each** of the addresses listed below, to be received no later than October 30, 2026:

Clerk of the Court United States District Court Central District of California Felicitas and Gonzalo Mendez United States Courthouse 350 W. First Street, Suite 4311 Los Angeles, CA 90012	<u>LEAD COUNSEL:</u> Jonathan Stern THE ROSEN LAW FIRM, P.A. 275 Madison Avenue 40 th Floor New York, NY 10016	<u>DEFENSE COUNSEL:</u> Alexandra Mayhugh COOLEY LLP 350 South Grand Avenue, Ste. 3200 Los Angeles, CA 90071
--	--	---

16. What is the difference between objecting and requesting exclusion?

Objecting is simply telling the Court you do not like something about the Settlement or some portion thereof. You can object only if you stay in the Settlement Class. Requesting exclusion is telling the Court you do not want to be part of the Settlement Class and Settlement. If you exclude yourself, you cannot object to the Settlement because it no longer concerns you. If you stay in the Settlement Class and object, but your objection is overruled, you will not be allowed a second opportunity to exclude yourself.

17. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Settlement Hearing on January 11, 2027, at 1:30 p.m. PT, at the U.S. District Court, Central District of California, Felicitas and Gonzalo Mendez United States Courthouse, 350 W. First Street, Fifth Floor, Courtroom 5D, Los Angeles, CA 90012, or by telephonic or videoconference means as directed by the Court.

At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate and whether to approve the Settlement. If there are objections, the Court will consider them, and the Court will listen to people who have asked to speak at the hearing. The Court may also decide whether to approve the Plan of Allocation, as well as how much to pay Lead Counsel for attorneys' fees and expenses and how much to award Plaintiffs.

18. Do I have to come to the hearing?

No. Lead Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mail your written objection on time, the Court will consider it.

19. What happens if I do nothing at all?

If you do nothing, you will not receive a payment from the Settlement. However, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Defendants or the Released Parties about the Released Claims ever again.

SPECIAL NOTICE TO BROKERS AND OTHER NOMINEES

CLAIMANT'S STATEMENT

1. I (we) purchased WM Technology, Inc. ("WM Technology") Securities during the Class Period. (Do not submit this Claim Form if you did not purchase WM Technology Securities during the Class Period.)
2. By submitting this Claim Form, I (we) state that I (we) believe in good faith that I am (we are) a Settlement Class Member(s) as defined above or am (are) acting for such person(s); that I am (we are) not a Defendant(s) in the Action or anyone excluded from the Settlement Class; that I (we) have read and understand the Notice of Pendency and Proposed Settlement of Class Action ("Long Notice"); that I (we) believe that I am (we are) entitled to receive a share of the Net Settlement Fund; that I (we) elect to participate in the proposed Settlement; and that I (we) have not filed a request for exclusion. Such evidence would include, for example, letters testamentary, letters of administration, or a copy of the trust documents.)
3. I (we) consent to the jurisdiction of the Court with respect to all questions concerning the validity of this Claim Form. I (we) understand and agree that my (our) claim may be subject to investigation and discovery under the Federal Rules of Civil Procedure, provided that such investigation and discovery shall be limited to my (our) status as a Settlement Class Member(s) and the validity and amount of my (our) claim. No discovery shall be allowed on the merits of the Action or Settlement in connection with processing of the Claim Form.
4. I (we) have set forth where requested below all relevant information with respect to each purchase of WM Technology Securities during the Class Period, and each sale, if any, of the same. I (we) agree to furnish additional information to the Claims Administrator to support this claim if requested to do so.

6. I (we) understand that the information contained in this Claim Form is subject to such verification as the Claims Administrator may request or as the Court may direct, and I (we) agree to cooperate in any such verification. (The information requested herein is designed to provide the minimum amount of information necessary to process most simple claims. The Claims Administrator may request additional information as required to efficiently and reliably calculate your Recognized Loss. In some cases, the Claims Administrator may condition acceptance of the claim upon the production of additional information, including, where applicable, information concerning transactions in any derivative securities, such as options.)
7. Upon the occurrence of the Court's approval of the Settlement, I (we) agree and acknowledge that my (our) signature(s) hereto shall effect and constitute a full and complete release, remise and discharge by me (us) and my (our) parent entities, associates, affiliates, subsidiaries, predecessors, successors, assigns, attorneys, immediate family members, heirs, representatives, administrators, executors, devisees, legatees, and estates (or, if I am (we are) submitting this Claim Form on behalf of a corporation, a partnership, an estate, or one or more other persons, by it, him, her, or them, and by its, his, her, or their parent entities, associates, affiliates, subsidiaries, predecessors, successors, assigns, attorneys, immediate family members, heirs, representatives, administrators, executors, devisees,

legatees, and estates) of each of the “Released Parties” of all “Released Claims” as those terms are defined in the Stipulation of Settlement, dated May 14, 2026 (“Stipulation”).

8. Upon the occurrence of the Court’s approval of the Settlement, I (we) agree and acknowledge that my (our) signature(s) hereto shall effect and constitute a covenant by me (us) and my (our) parent entities, associates, affiliates, subsidiaries, predecessors, successors, assigns, attorneys, immediate family members, heirs, representatives, administrators, executors, devisees, legatees, and estates (or, if I am (we are) submitting this Claim Form on behalf of a corporation, a partnership, an estate, or one or more other persons, by it, him, her, or them, and by its, his, her, or their parent entities, associates, affiliates, subsidiaries, predecessors, successors, assigns, attorneys, immediate family members, heirs, representatives, administrators, executors, devisees, legatees, and estates) to permanently refrain from prosecuting or attempting to prosecute any Released Claims against any of the Released Parties.
9. “Released Parties” has the meaning defined in the Stipulation.
10. “Released Claims” has the meaning defined in the Stipulation.
11. “Unknown Claims” has the meaning defined in the Stipulation.
12. I (we) agree and acknowledge that I (we) may hereafter discover facts in addition to or different from those which I (we) now know or believe to be true with respect to the Released Claims, but I (we) agree and acknowledge that, upon the Effective Date as defined in the Stipulation, I (we) shall be deemed to have, and by operation of the Final Judgment shall have, fully, finally and forever settled and released, any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, whether or not concealed or hidden, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of fiduciary duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. I (we) agree and acknowledge that the foregoing waiver was separately bargained for and a key element of the Settlement of which this release is a part.
13. NOTICE REGARDING INSTITUTIONAL FILERS: Representatives with the authority to file on behalf of (a) accounts of multiple Persons and/or (b) institutional accounts with large numbers of transactions (“Representative Filers”) must submit information regarding their clients’ transactions in the approved electronic spreadsheet format, which is available by request to the Claims Administrator at efile@strategicclaims.net or by visiting the website www.strategicclaims.net/WMTechnology/. One spreadsheet may contain the information for multiple Persons and institutional accounts who constitute distinct legal entities (“Legal Entities”), but all Representative Filers MUST also submit a manually signed Claim Form, as well as proof of authority to file (see Item 2 of the Claimant’s Statement) along with the electronic spreadsheet. The transactions and holdings in WM Technology Securities should be reported in the electronic file so that each resulting claim corresponds to a single Legal Entity, regardless of the number of individually managed accounts the Legal Entity has, as only one claim will be processed per Legal Entity (e.g. a Representative Filer reporting the transactions for a fund with multiple sub-accounts should report one total beginning holding at the start of the Class Period, one total ending holding, and a single set of transactions that includes all transactions made by the Legal Entity across their sub-accounts; this would constitute and be processed a single claim). The Claims Administrator reserves the right to combine a Legal Entity’s accounts into a single claim prior to processing in the event that a Legal Entity’s accounts are divided across multiple claims when submitted by a Representative Filer. The Claims Administrator also reserves the right to request additional documentary proof regarding a Legal Entity’s transactions and holdings in WM Technology securities to prove and accurately process the claim.

14. NOTICE REGARDING ONLINE FILING: Claimants who are not Representative Filers may submit their claims online using the electronic version of the Claim Form hosted at www.strategicclaims.net/WMTechnology/. If you are not acting as a Representative Filer, you do not need to contact the Claims Administrator prior to filing; you will receive an automated e-mail confirming receipt once your Claim Form has been submitted. If you are unsure if you should submit your claim as a Representative Filer, please contact the Claims Administrator by email at info@strategicclaims.net or by telephone toll-free at (866) 274-4004. If you are not a Representative Filer, but your claim contains a large number of transactions, the Claims Administrator may request that you also submit an electronic spreadsheet showing your transactions to accompany your Claim Form.
15. In order to provide accurate claims processing you must provide all transactions publicly traded common stock and warrants of WM Technology from June 16, 2021 to September 24, 2024, both dates inclusive, and the publicly traded common stock and warrants of Silver Spike Acquisition Corp from May 25, 2021 to June 15, 2021, both dates inclusive. Also, all transactions must be provided from September 25, 2024 to December 23, 2024 as this information is needed only in order for the Claims Administrator to confirm that you have reported all relevant transactions. Purchases on September 25, 2024 through and including December 23, 2024; however, are not eligible for a recovery because they are outside the Class Period and will not be used for purposes of calculation Recognized Losses pursuant to the Plan of Allocation.
