Shahsavanpour v. Marex Group plc, et al.,
No. 1:25-cv-08393-SDA (S.D.N.Y.)

THIS POSTCARD PROVIDES ONLY LIMITED INFORMATION ABOUT THE SETTLEMENT. VISIT WWW.STRATEGICCLAIMS.NET/MAREX/ OR CALL (866) 274-4004 FOR MORE INFORMATION.

If you purchased or otherwise acquired ordinary shares of Marex Group plc (“Marex”) on the Nasdaq Global Select Market or in another domestic transaction between November 7, 2024 and August 5, 2025, inclusive (the “Settlement Class Period”), this notice is to inform you that a class has been certified, for settlement purposes only, and that you could be entitled to a payment from a proposed \$950,000.00 cash settlement (the “Settlement”) reached with Defendants Marex, Ian Theo Lowitt, and Crispin Robert John Irvin in the above action (the “Action”). Your rights may be affected by the Action and the Settlement. A hearing will be held on February 2, 2027 at 11:00 a.m. to determine whether the proposed Settlement and the Plan of Allocation should be approved as fair, reasonable, and adequate; whether the Action should be dismissed with prejudice; and whether Lead Counsel’s separate motion for an award of attorneys’ fees of not more than one-third of the Settlement Amount, plus a proportionate share of the interest earned on the Settlement Fund, and payment of litigation expenses of not more than \$75,000 (which may include awards of no more than \$2,500 to each of the two Lead Plaintiffs) should be granted.

The proposed Settlement would resolve claims alleging that Defendants made materially false and misleading statements concerning the revenues reported in the “Securities” revenue line of Marex’s Market Making segment, in violation of the federal securities laws. Defendants deny any wrongdoing. For a full description of the Settlement and your rights, and to submit a claim, visit www.strategicclaims.net/Marex/, where you may obtain the Stipulation, the Notice, and the Claim Form; or you may request copies of the documents from the Claims Administrator by: (i) mail: *Marex Securities Litigation*, c/o Strategic Claims Services, P.O. Box 230, 600 N. Jackson St., Suite 205, Media, PA 19063; (ii) email: info@strategicclaims.net; or (iii) call toll-free: (866) 274-4004.

The net proceeds of the Settlement, after deduction of Court-approved attorneys’ fees and expenses, notice and administration costs, and taxes, will be distributed among Settlement Class Members who submit valid claims, in exchange for the settlement of the Action and the release of claims related to it. Your share will depend on the number of valid claims submitted and the number, size, and timing of your transactions in Marex ordinary shares. If every eligible Settlement Class Member submits a valid claim, the estimated average recovery (before deduction of Court-approved fees, expenses, and costs) would be approximately \$0.03 per allegedly damaged share.

To qualify for a payment, you must submit a Claim Form, with supporting documentation, online or postmarked by January 11, 2027. If you do not want to be legally bound by the Settlement, you must exclude yourself by a written request received by January 12, 2027, or you will not be able to sue the Defendants about the legal claims resolved in this case. If you exclude yourself, you cannot receive money from this Settlement. If you stay in the Settlement Class, you may object to the Settlement, the Plan of Allocation, and/or the fee and expense motion by a written objection received by January 12, 2027. The Notice explains how to submit a claim, exclude yourself, or object.

All capitalized terms not defined in this Postcard Notice have the meanings ascribed to them in the Stipulation and Agreement of Settlement, available at www.strategicclaims.net/Marex/.
