The United States District Court for the District of Kansas (the "Court") has preliminarily approved a proposed Settlement of claims against Compass Minerals International, Inc. ("Compass Minerals") and certain of its current and former officers in the above-referenced action. The proposed Settlement would resolve a class action lawsuit alleging that, in violation of the federal securities laws, Defendants made material misrepresentations to the public about Compass Minerals' fire retardant business, causing damage to Settlement Class Members. Compass Minerals and the other Defendants deny any wrongdoing.

You received this notice because you may have purchased Compass Minerals securities (purchased common stock, purchased call options, or sold put options) between February 8, 2023 and March 26, 2024, both dates inclusive. The Settlement dismisses and releases claims against Defendants and creates a fund consisting of $4,900,000, less attorneys' fees and expenses, which will be divided among Settlement Class Members who timely submit valid Proof of Claim and Release Forms ("Claim Form"). For a full description of the Settlement and your rights and to make a claim, please view the Stipulation of Settlement and obtain a copy of the Notice of Pendency and Proposed Settlement of Class Action ("Notice") and Claim Form by visiting the website: www.strategicclaims.net/compass/.
